DAL-TILE INTERNATIONAL INC.

PROPOSED MERGER--YOUR VOTE IS VERY IMPORTANT

Dear Stockholders:

On November 19, 2001, Mohawk Industries, Inc. agreed to acquire Dal-Tile International Inc. by merging Dal-Tile into a wholly owned subsidiary of Mohawk. In the merger, each Dal-Tile stockholder, other than those perfecting appraisal rights, will receive, for each share of Dal-Tile common stock that the stockholder owns, \$11 in cash and between .2213 and .2716 of a share of Mohawk common stock, depending on the average closing price for Mohawk common stock over a 20 trading day period ending three trading days prior to the merger. If we completed the merger on the date of this letter, the average closing price would be \$55.05 and Dal-Tile stockholders would receive .2213 of a share of Mohawk common stock for each share of Dal-Tile common stock that they own. Collectively, the Dal-Tile stockholders will receive in the merger between 12,412,274 and 18,401,198 shares of Mohawk common stock, depending on the exchange ratio and the number of Dal-Tile options that are exercised prior to completion of the merger. We intend for the merger to qualify as a tax-free reorganization in which case Dal-Tile stockholders would generally not recognize gain or loss for U.S. federal income tax purposes as a result of the merger, except to the extent of cash received in the merger.

The merger requires the approval of Dal-Tile stockholders. The issuance of shares of Mohawk common stock in the merger requires the approval of Mohawk stockholders. Mohawk and Dal-Tile have each scheduled special meetings of their stockholders on March 20, 2002, to vote on these matters. Regardless of the number of shares that you own or whether you plan to attend a meeting, it is important that your shares be represented and voted. Voting instructions are inside.

Mohawk's board of directors has unanimously approved and adopted the merger agreement and determined that the merger agreement and the merger are advisable, fair to and in the best interest of Mohawk and its stockholders. Accordingly, Mohawk's board of directors recommends that Mohawk stockholders vote to approve the issuance of Mohawk common stock in the merger.

Similarly, Dal-Tile's board of directors has unanimously approved and adopted the merger agreement and declared that the merger agreement and the merger are advisable, fair to and in the best interest of Dal-Tile and its stockholders. Accordingly, Dal-Tile's board of directors recommends that Dal-Tile stockholders vote to adopt the merger agreement.

This document provides you with detailed information about the proposed merger. We encourage you to read the entire document carefully.

Mohawk's common stock is traded on the New York Stock Exchange under the symbol "MHK."

Dal-Tile's common stock is traded on the New York Stock Exchange under the symbol "DTL."

QUESTIONS AND ANSWERS ABOUT THE MERGER

Q: Why are Mohawk and Dal-Tile proposing the merger?

A: Mohawk and Dal-Tile are proposing the merger because they believe it will create one of the world's leading manufacturers and distributors of all types of floorcoverings. The merger will combine Mohawk's strong position as a manufacturer and distributor of all types of carpets and rugs with Dal-Tile's strong position as a manufacturer and distributor of ceramic tile and natural stone. By combining these two businesses, Mohawk and Dal-Tile hope to create stronger operating and financial results than either company could achieve on its own. The Dal-Tile board of directors also believes that the merger offers Dal-Tile stockholders an attractive premium for their shares while enabling them to participate in the future growth potential of the combined company.

Q: What will Dal-Tile stockholders receive in the merger?

A: Each share of Dal-Tile common stock will be converted into the right to receive \$11 in cash and between .2213 and .2716 of a share of Mohawk common stock. This "exchange ratio" is based on the average closing price for Mohawk common stock during a 20 day trading period ending three trading days before completion of the merger. Collectively, the Dal-Tile stockholders will receive in the merger between 12,412,274 and 18,401,198 shares of Mohawk common stock, or between approximately 19% and 26% of the outstanding Mohawk common stock immediately following the merger, depending on the exchange ratio and the number of Dal-Tile options that are exercised prior to completion of the merger.

Q: Is the merger taxable?

A: Mohawk and Dal-Tile intend for the merger to qualify as a tax-free reorganization under the Internal Revenue Code. If the merger qualifies as a tax-free reorganization, Dal-Tile stockholders will only recognize gain (but not loss) for U.S. federal income tax purposes equal to the lesser of (1) the amount of cash a Dal-Tile stockholder receives in the merger, or (2) an amount equal to the excess, if any, of (a) the sum of the amount of cash such stockholder receives in the merger and the fair market value of the Mohawk common stock received in the merger over (b) the tax basis of such stockholder's Dal-Tile common stock exchanged therefor.

The completion of the merger is conditioned on receipt of a tax opinion from each party's respective counsel that the merger qualifies as a tax-free reorganization under the Internal Revenue Code. The receipt of the tax opinions is conditioned on, among other things, the value of the Mohawk common stock to be received by Dal-Tile stockholders in the merger being 40% or more of the value of the combined merger consideration at the time the merger is completed. If this condition is not met, then Dal-Tile may or may not elect to complete the merger as a taxable transaction. Based on various assumptions set forth in the discussion of the tax consequences of the merger set forth under "Material Federal Income Tax Consequences of the Merger" on page 49, if the price per share of Mohawk common stock declines to \$27.00 or less, the value of the Mohawk common stock in the merger will not be 40% or more of the value of the combined merger consideration.

ii

Q: Am I entitled to appraisal rights?

A: If you are a Dal-Tile stockholder, under Delaware law, you may dissent from the merger and exercise appraisal rights.

If you are a Mohawk stockholder, you will not have appraisal rights in connection with the merger.

Q: What do I need to do now?

A: After carefully reading and considering the information contained in this joint proxy statement-prospectus, please complete, sign and date your proxy card or voting instructions and return it in the enclosed postage paid envelope, or, if you are a holder of record, submit your voting instructions by telephone or through the Internet, at the phone number or Internet address listed on pages 18 and 19 of this joint proxy statement-prospectus as soon as possible so that your shares may be represented at your special meeting. If your shares are held in an account at a brokerage firm or bank, you will receive instructions on how to vote from your brokerage firm or bank.

Q: What if I don't vote?

A: If you are a Dal-Tile stockholder and fail to respond or abstain from voting, it will have the same effect as a vote against the merger. If you are a Mohawk stockholder and fail to respond or abstain from voting, assuming a quorum is present at the special meeting, your failure to respond will have no effect on the approval of the issuance of Mohawk shares in the merger. If you respond and do not indicate how you want to vote, your proxy will be counted as a vote in favor of the merger or the issuance of Mohawk shares.

Q: Can I change my vote after I have delivered my proxy?

A: Yes. You can change your vote at any time before your proxy is voted at your special meeting. Regardless of the manner in which you vote, you can change your vote in one of three ways. First, you can revoke your proxy or voting instructions. Second, you can submit a new proxy or voting instructions. If you choose either of these two methods, you must submit your notice of revocation or your new proxy or voting instructions to the secretary of either Mohawk or Dal-Tile, as appropriate, before your special meeting by mail or by calling the phone number or accessing the Internet address listed on pages 18 and 19 of this joint proxy statement-prospectus. Third, if you are a holder of record, you can attend your special meeting and vote in person. If your shares are held in an account at a brokerage firm or bank, you should contact your brokerage firm or bank to change your vote.

Q: When do you expect the merger to be completed?

A: We are working to complete the merger as quickly as possible. We expect to complete the merger on March 20, 2002.

Q: Is Mohawk's obligation to complete the merger subject to Mohawk receiving financing?

A: No. Although Mohawk has received a commitment letter from several financial

institutions to provide financing for the merger, Mohawk must complete the merger regardless of whether it receives financing.

iii

Q: Who can help answer my questions?

A: If you have any questions about the merger or how to submit your proxy, or if you need additional copies of this joint proxy statement-prospectus or the enclosed proxy card or voting instructions, you should contact:

SUMMARY

This summary highlights selected information from this joint proxy statement-prospectus and may not contain all of the information that is important to you. You should carefully read this entire document and the other documents we refer to in this document. These documents will give you a more complete description of the transaction we are proposing. For more information about Dal-Tile and Mohawk, see "Where You Can Find More Information" on page 70. We have included page references in this summary to direct you to other places in this joint proxy statement-prospectus where you can find a more complete description of the topics we have summarized.

The Companies (See page 61 for Mohawk and page 61 for Dal-Tile)

Mohawk Industries, Inc.
160 S. Industrial Boulevard
Calhoun, Georgia 30703
Telephone: (706) 629-7721

Mohawk is the second largest carpet and rug manufacturer in the United States, with net sales of approximately \$3.3 billion and \$3.4 billion in 2000 and 2001, respectively. Mohawk designs, manufactures and markets carpet and rugs in a broad range of colors, textures and patterns, as well as carpet padding. In each of 2000 and 2001, over 87% of Mohawk's net sales were from sales of tufted and woven broadloom carpet and rugs for residential and commercial applications. Mohawk also distributes hard surface floorcoverings such as laminate, ceramic tile, vinyl and wood flooring. Mohawk markets its products primarily through carpet retailers, home centers, mass merchandisers, department stores, commercial dealers and commercial end users.

Dal-Tile International Inc.
7834 Hawn Freeway
Dallas, Texas 75217
Telephone: (214) 398-1411

Dal-Tile believes it is the leading manufacturer, marketer and distributor of ceramic tile in the United States and one of the largest in the world.

Dal-Tile produces a broad line of wall, floor, quarry and mosaic tile products used in the residential and commercial markets for both new construction and remodeling. Most of Dal-Tile's products are marketed under its daltile(R) and American Olean(R) brand names.

The Mohawk Special Meeting (See page 16)

Mohawk will hold a special meeting for the purpose of its stockholders approving the issuance of up to 18,401,198 Mohawk shares in the merger. This special meeting will be held on March 20, 2002, at 9:00 a.m. Eastern Time, at the offices of Alston & Bird LLP, 1201 West Peachtree Street, 46th Floor, Atlanta, Georgia.

Mohawk stockholders will be entitled to vote at the Mohawk special meeting if they owned shares of Mohawk common stock as of February 6, 2002, the Mohawk record date. As of February 6, 2002, there were 52,768,656 shares of Mohawk common stock issued and outstanding. The presence of a quorum and the affirmative vote of a majority of the votes cast by holders of Mohawk common stock at the Mohawk special meeting is necessary to approve the issuance of Mohawk shares in the merger. Directors and executive officers of Mohawk and their affiliates held, on February 6, 2002, approximately 30.2% of the outstanding shares of Mohawk common stock entitled to vote at the special meeting.

The Dal-Tile Special Meeting (See page 16)

Dal-Tile will hold a special meeting for the purpose of its stockholders considering a proposal to adopt the merger agreement. The Dal-Tile special meeting will be held on March 20, 2002, at 8:00 a.m. Central Time, at the offices of Vinson & Elkins L.L.P., 2001 Ross Avenue, 38th Floor, Dallas, Texas.

Dal-Tile stockholders will be entitled to vote at the Dal-Tile special meeting if they owned shares of Dal-Tile common stock as of February 6, 2002, the Dal-Tile record date. As of February 6, 2002, there were 58,055,590 shares of Dal-Tile common stock issued and outstanding. The affirmative vote of a majority of Dal-Tile common stock issued and outstanding on the Dal-Tile record date is necessary to adopt the merger agreement. Directors and executive officers of Dal-Tile and their affiliates held, on February 6, 2002, approximately 1.5% of the outstanding shares of Dal-Tile common stock entitled to vote at the special meeting.

1

What Dal-Tile Stockholders Will Receive in the Merger (See page 20)

In the merger, Dal-Tile stockholders will receive \$11 in cash and a fraction of a share of Mohawk common stock for each share of Dal-Tile common stock. The fractional share of Mohawk common stock will be determined using the exchange ratio.

The exchange ratio will be determined based on the average closing price of Mohawk common stock on the New York Stock Exchange for the 20 trading days ending on the third trading day prior to the merger. The exchange ratio will be calculated as follows:

If the average closing price of Mohawk common stock is:	Then the exchange ratio will be:
greater than \$54.67	.2213
\$50.13-\$54.67	\$12.10 divided by the average closing price
\$41.00-\$50.12	.2414
\$36.45-\$40.99	\$9.90 divided by the average closing price
less than \$36.45	.2716

If the closing date for the merger was February 19, 2002, the date of this joint proxy statement-prospectus, the average closing price of Mohawk common stock would be \$55.05 and the exchange ratio would be .2213 for each Dal-Tile

share.

The actual average closing price used to determine the exchange ratio, as well as the exchange ratio itself, may differ from the example above because the exchange ratio will not be determined until shortly before completion of the merger. Prior to the stockholder meetings, you may call GeorgesonShareholder at (800) 223-2064 in order to obtain a more current calculation of the average closing price and the exchange ratio.

We anticipate that if approved by the stockholders of both Mohawk and Dal-Tile, the merger will be completed on or about March 20, 2002.

Comparative Market Prices of Common Stock (See page 69)

Mohawk common stock is listed on the New York Stock Exchange under the symbol "MHK." Dal-Tile common stock is listed on the New York Stock Exchange under the symbol "DTL." The following table shows the closing prices of Mohawk and Dal-Tile common stock on November 19, 2001, the last trading day before the merger agreement was announced and February 15, 2002, the last trading day prior to the date of this joint proxy statement-prospectus. Equivalent price per Dal-Tile share represents the closing sale price of a share of Mohawk common stock on the indicated date multiplied by the exchange ratio as if the merger were to close on the indicated date plus the cash payment of \$11.

	Mohawk Common Stock	Dal-Tile Common Stock	Equivalent Price Per Dal-Tile Share
	-----	-----	-----
November 19, 2001	\$51.38	17.60	22.37
February 15, 2002	\$58.99	23.95	24.05

We urge you to obtain current market quotations for Mohawk common stock and Dal-Tile common stock before making a decision relating to the merger.

Material Federal Income Tax Consequences of the Merger (See page 49)

If, as of the completion of the merger, the value of Mohawk common stock to be received by Dal-Tile stockholders in the merger is 40% or more of the value of the merger consideration, then the exchange by you of all of your shares of Dal-Tile common stock for shares of Mohawk common stock plus cash in the forward merger will be a tax-free reorganization, and you will only recognize gain (but not loss) equal to the lesser of (1) the amount of the cash you receive in the merger, or (2) an amount equal to the excess, if any, of (a) the sum of the amount of cash you receive in the merger and the fair market value of the Mohawk common stock you receive in the merger over (b) the tax basis of your Dal-Tile common stock exchanged therefor.

If, however, as of the completion of the merger, the aggregate value of the Mohawk common stock to be received by Dal-Tile stockholders in the merger is less than 40% of the value of the combined merger consideration, the merger will not be completed as a

forward merger; Dal-Tile may, however, elect to complete the merger as a taxable reverse merger. If Dal-Tile elects to complete the merger as a taxable reverse merger, then instead of the tax consequences described in the preceding paragraph, you will recognize gain or loss in the merger equal to the difference, if any, between (1) the sum of the amount of cash and the fair market value of Mohawk common stock you receive in the merger and (2) the tax basis in your Dal-Tile common stock exchanged therefor.

Since the value of Mohawk common stock to be received by Dal-Tile stockholders at the completion of the merger will not be known at the time that you vote on the merger, you will not know whether the merger will qualify as a tax-free reorganization at the time you vote, and accordingly will not know the tax consequences of the merger to you at such time.

Alternative Merger Structure (See page 20)

Although Dal-Tile's board of directors would prefer to complete the merger as a tax-free reorganization, they may elect to complete the merger as a taxable reverse merger (as discussed above) if they believe the merger is in the best interest of Dal-Tile stockholders at that time. The forward merger and the reverse merger materially differ only in their tax consequences to Dal-Tile stockholders and in whether Merger Sub or Dal-Tile is the surviving corporation in the merger. Dal-Tile's board of directors does not intend to resolicit proxies from Dal-Tile stockholders regarding the merger if they decide to proceed with the taxable reverse merger structure.

Recommendation of the Boards of Directors and Opinions of Financial Advisors (See page 26)

To Mohawk Stockholders: The Mohawk board of directors believes that the merger is advisable, fair to and in the best interest of Mohawk and its stockholders and has unanimously voted to approve the merger agreement. The Mohawk board of directors recommends that you vote FOR the issuance of Mohawk shares in the merger.

To Dal-Tile Stockholders: The Dal-Tile board of directors believes that the merger is fair to, and in the best interest of Dal-Tile and its stockholders and has unanimously voted to approve, adopt and declare the advisability of the merger agreement and the merger. The Dal-Tile board of directors recommends that you vote FOR the proposal to approve and adopt the merger agreement and approve the merger.

Opinion of Mohawk's Financial Advisor: In deciding to approve the merger and recommend the issuance of Mohawk shares, the Mohawk board of directors considered the opinion of its financial advisor, Wachovia Securities, that as of November 19, 2001, the merger consideration to be paid, together with the stock option and cash payments to be made to holders of outstanding Dal-Tile options, by Mohawk in connection with the merger were fair, from a financial point of view, to Mohawk. Wachovia Securities' opinion is directed to the Mohawk board of directors and does not constitute a recommendation to any stockholder as to how to vote on the issuance of Mohawk shares in the merger or any other matter related thereto. The full text of Wachovia Securities' opinion is attached as Annex D to this joint proxy statement-prospectus. Mohawk stockholders are urged to, and should, read Wachovia Securities' opinion carefully and in its entirety.

Opinion of Dal-Tile's Financial Advisor: In connection with the proposed merger, Dal-Tile's financial advisor, Credit Suisse First Boston Corporation, has delivered a written opinion to the Dal-Tile board of directors as to the fairness to holders of Dal-Tile common stock, from a financial point of view, of the merger consideration provided for in the merger. The full text of Credit Suisse First Boston's written opinion, dated November 19, 2001, is attached to this joint proxy statement-prospectus as Annex E. We encourage you to read this opinion carefully in its entirety for a description of the procedures followed, assumptions made, matters considered and limitations on the review undertaken. Credit Suisse First Boston's opinion is addressed to the Dal-Tile board of directors and does not constitute a recommendation to any stockholder as to any matter relating to the merger.

Interests of Certain Persons in the Merger (See page 54)

Some of the directors and executive officers of Dal-Tile have interests in the merger that are

different from or in addition to the interests of Dal-Tile stockholders. These interests include the potential for positions as directors or executive officers of Mohawk, acceleration of vesting of options as a result of the merger, partial cash-out and partial conversion of outstanding options, payments under employment and change-in-control agreements upon the occurrence of certain events after the merger and the right to continued indemnification and insurance coverage by Mohawk after the merger.

Appraisal Rights of Dal-Tile Stockholders (See page 56)

The merger agreement and Delaware law provide that Dal-Tile stockholders may dissent from the merger and seek to receive fair value for their shares in lieu of the cash payment and Mohawk common stock to which they would otherwise be entitled.

In order to exercise appraisal rights, Dal-Tile stockholders are required to follow the procedures set forth in Section 262 of the Delaware General Corporation Law, a copy of which is attached as Annex F to this joint proxy statement-prospectus. Generally, a Dal-Tile stockholder wishing to exercise appraisal rights must deliver a written demand for appraisal to Dal-Tile, not vote in favor of adoption of the merger agreement and hold his shares until the completion of the merger. Stockholders should carefully review Section 262 for a more complete discussion of the procedures that they must follow in order to exercise appraisal rights.

Certain Differences in Stockholders' Rights (See page 62)

The rights of Mohawk stockholders are governed by Delaware law and by Mohawk's certificate of incorporation and bylaws. The rights of Dal-Tile stockholders are also governed by Delaware law, but are subject to Dal-Tile's certificate of incorporation and bylaws. Upon completion of the merger, the rights of both stockholder groups will be governed by Delaware law and Mohawk's certificate of incorporation and bylaws.

Regulatory Approval and Other Conditions (See page 42)

Pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, the merger cannot be completed until Mohawk and Dal-Tile have given information and materials to the Federal Trade Commission and the Department of Justice and the required waiting period has expired or been terminated. Mohawk and Dal-Tile received notice of the early termination of the statutory waiting period under the HSR Act on December 14, 2001. In addition, Mohawk is required to provide information and materials to the Mexican Federal Competition Commission, but prior approval of the commission is not required for completion of the merger. Mohawk filed preliminary documentation with the Mexican Federal Competition Commission on December 17, 2001.

In addition to the required regulatory approvals, the merger will be completed only if various conditions, including the following, are met or waived, if waivable:

- . Dal-Tile's stockholders approve the adoption of the merger agreement at the Dal-Tile special meeting;
- . Mohawk's stockholders approve the issuance of Mohawk shares at the Mohawk special meeting;
- . Dal-Tile and Mohawk receive an opinion of their respective counsel that the exchange of Dal-Tile common stock for Mohawk common stock in the merger will be tax-free to the Dal-Tile stockholders; provided, that Dal-Tile has the right to waive this requirement for both parties;
- . there is no governmental or regulatory action or legislation prohibiting the merger; and
- . there must not have been a material adverse effect, as defined in Section 11.1 of the merger agreement attached as Annex A hereto, on Mohawk or Dal-Tile.

In addition to these conditions, the merger agreement, attached to this joint proxy statement-prospectus as Annex A, describes other conditions that must be met before the merger may be completed.

Amendment and Termination (See page 45)

The parties may terminate the merger agreement under several circumstances. Mohawk and Dal-Tile

may agree to terminate the merger agreement and elect not to complete the

merger at any time before the merger is completed, even if Dal-Tile's and Mohawk's stockholders have already approved the adoption of the merger agreement and the issuance of Mohawk shares. Each of the parties also can terminate the merger agreement under other circumstances, including:

- . if the merger is not completed by May 31, 2002, subject to extension to July 31, 2002, if required regulatory approvals have not been received;
- . if the parties have failed to receive any consent of any regulatory authority required to complete the merger, or any law or order permanently prohibiting the merger has become final and nonappealable;
- . if the stockholders of Dal-Tile fail to approve the adoption of the merger agreement or the stockholders of Mohawk fail to approve the issuance of Mohawk shares in the merger at their respective special meetings, subject to specified limitations contained in the merger agreement; or
- . if there has been a material adverse effect on the other party as defined in Section 11.1 of the merger agreement attached as Annex A hereto.

In addition, Mohawk may terminate the merger agreement if the board of directors of Dal-Tile fails to reaffirm its recommendation of the merger or withholds, withdraws or modifies in a manner adverse to Mohawk its recommendation of the merger, or proposes to do so.

Dal-Tile may terminate the merger agreement if the board of directors of Dal-Tile changes its recommendation in order to accept a superior offer, provided that Mohawk has not made an offer that is as favorable as the superior offer within three business days of its receipt of notice that the Dal-Tile board of directors intends to change its recommendation.

The merger agreement may be amended by the written agreement of Mohawk and Dal-Tile. The parties can amend the merger agreement without stockholder approval, even if Dal-Tile stockholders have already approved the merger, except in the limited circumstances when further stockholder approval is required by law for the amendment.

Solicitation Prohibitions (See page 48)

The merger agreement prohibits Dal-Tile from soliciting other acquisition proposals. Dal-Tile has agreed that it and its subsidiaries would immediately cease any and all existing activities, discussions or negotiations with any third parties conducted prior to the date of the merger agreement with respect to any acquisition proposal. If Dal-Tile receives an unsolicited acquisition proposal, it must promptly notify Mohawk of the terms of such proposal. Dal-Tile may respond, in accordance with the terms of the merger agreement, to unsolicited offers that are reasonably likely to result in superior offers.

Termination Fee (See page 53)

Dal-Tile has agreed to pay Mohawk a termination fee of \$45 million if the merger agreement is terminated under specified circumstances and Dal-Tile enters into an acquisition agreement or closes an acquisition with another party within twelve months of the termination of the merger agreement or the Dal-Tile board of directors changes or withdraws its recommendation that Dal-Tile stockholders vote in favor of the adoption of the merger agreement and Mohawk or Dal-Tile terminates the merger agreement.

See "The Merger - Expenses and Fees" on page 53 for a more complete discussion of circumstances under which Dal-Tile would be required to pay the termination fee to Mohawk.

Voting Agreements (See page 58)

The directors and some of the executive officers of Dal-Tile, including Dal-Tile's chairman and chief executive officer, Jacques R. Sardas, have entered into voting agreements with Mohawk where they have agreed to vote those shares of common stock that they or their affiliates own in favor of the merger. As of February 6, 2002, the record date for the Dal-Tile special meeting, these stockholders owned approximately 1.5% of Dal-Tile's outstanding common stock. Each voting agreement also provides that any shares of Dal-Tile common stock subsequently acquired by these stockholders will also be subject to the voting agreement.

Aladdin Partners, L.P., an affiliate of Jeffrey S. Lorberbaum, Mohawk's president and chief executive officer, has entered into a voting agreement with Dal-Tile where it has agreed to vote those shares of common stock that it owns in favor of the issuance of Mohawk shares in the merger. As of February 6, 2002, the record date for the Mohawk special meeting, Aladdin Partners owned approximately 18.8% of Mohawk's outstanding common stock.

Distribution of Mohawk Stock Certificates and Cash Payment (See page 42)

Promptly after the merger is completed, each Dal-Tile stockholder will receive a letter and instructions on how to surrender Dal-Tile stock certificates in exchange for Mohawk stock certificates and the cash payment. Each Dal-Tile stockholder will need to carefully review and complete these materials and return them as instructed along with stock certificates for Dal-Tile common stock. If you are a Dal-Tile stockholder, please do not send Dal-Tile or Dal-Tile's transfer agent any stock certificates until you receive these instructions. If, as a Dal-Tile stockholder, you elect to exercise your appraisal rights, you should follow the procedures outlined in "The Merger--Appraisal Rights" section beginning on page 56.

Effect of the Merger on Dal-Tile Options (See page 48)

In the merger, all outstanding options granted under Dal-Tile's stock option plan, whether or not currently exercisable, will be converted into the right to receive cash and Mohawk common stock. If an option holder consents, one-half of his or her options will be cashed-out following the merger at \$22.00 per share, less the option exercise price, and the remaining one-half of his or her options will immediately vest and become options to purchase Mohawk common stock, subject to share and price adjustments based upon two times the exchange ratio. If an option holder does not consent to the partial cash-out, each of his or her options will immediately vest and be assumed by Mohawk as options to receive the merger consideration of \$11.00 per share and Mohawk common stock, subject to share and price adjustments based upon the exchange ratio.

Board of Directors Following the Merger (See page 69)

The merger agreement provides that two individuals designated by Dal-Tile will serve on the Mohawk board of directors following the completion of the merger. Dal-Tile has designated John F. Fiedler and W. Christopher Wellborn to serve on Mohawk's board of directors. After the merger, the Mohawk board of directors will consist of nine members.

Accounting Treatment (See page 53)

Mohawk will account for the merger under the purchase method of accounting.

This ratio is based on the current measurement date for the merger of February 6, 2002, but is subject to change depending on the average closing price for Mohawk common stock. A change in the exchange ratio could have an impact on the pro forma per share amounts. See Notes to the Unaudited Pro Forma Condensed Combined Consolidated Financial

RISK FACTORS

In addition to the other information included in this document, the risk factors described below should be considered by you in determining how to vote at the special meeting.

Dal-Tile stockholders will receive shares of Mohawk common stock based on an exchange ratio that is determined based upon the market value of Mohawk common stock at a later date.

The number of shares of Mohawk common stock Dal-Tile stockholders will receive in the merger for each Dal-Tile share will be calculated using an exchange ratio that may change depending on the market price for Mohawk common stock. The exchange ratio will be determined using the average closing price of Mohawk shares for the 20 trading days ending on the third full trading day prior to the completion of the merger.

The exchange ratio adjusts based on the average closing price of Mohawk common stock such that Dal-Tile stockholders receive the following:

- . .2213 of a Mohawk share for each Dal-Tile share if the average closing price of the Mohawk shares at the time of the merger is greater than \$54.67;
- . that fraction of a Mohawk share for each Dal-Tile share determined by dividing \$12.10 by the average closing price of Mohawk shares at the time of the merger if the average closing price of Mohawk shares at the time of the merger is greater than \$50.12 per share, but less than or equal to \$54.67;
- . .2414 of a Mohawk share for each Dal-Tile share if the average closing price of the Mohawk shares at the time of the merger is equal to or greater than \$41.00 per share, but less than or equal to \$50.12;
- . that fraction of a Mohawk share for each Dal-Tile share determined by dividing \$9.90 by the average closing price of Mohawk shares at the time of the merger if the average closing price of Mohawk shares at the time of the merger is greater than or equal to \$36.45 per share, but less than \$41.00; or
- . .2716 of a Mohawk share for each Dal-Tile share if the average closing price of the Mohawk shares at the time of the merger is less than \$36.45.

If the average closing price of Mohawk common stock is less than \$36.45 or more than \$54.67, the exchange ratio will not change. As a result, to the extent the value of Mohawk common stock is outside these limitations, the value of the fraction of a share of Mohawk common stock represented by the exchange ratio will vary. Neither Dal-Tile nor Mohawk has the right to terminate the merger agreement based solely on changes in the average closing price of Mohawk common stock.

We cannot predict the market prices for the Mohawk common stock and we encourage you to obtain current market quotations for the Mohawk common stock, which is listed on the New York Stock Exchange under the symbol "MHK."

The exchange ratio will not be determined until shortly before the completion of the merger.

Because the exchange ratio will not be determined until the third trading day before the completion of the merger, if you wish to vote by proxy and have your vote counted at your special meeting, Dal-Tile stockholders may have to decide whether or not to vote for adoption of the merger agreement and Mohawk stockholders may have to decide whether or not to vote for the issuance of Mohawk shares in the merger before knowing the actual exchange ratio. Changes in the price of Mohawk common stock between the date of this joint proxy statement-prospectus and the third trading day before the completion of the merger may cause the actual exchange ratio to vary significantly. Because the

date the merger is completed may be later than the dates of the special meetings, Dal-Tile stockholders will not necessarily know the market value of Mohawk common stock that they will receive in the merger.

13

Dal-Tile stockholders may not know at the time of the Dal-Tile special meeting whether they will incur gain or loss for U.S. federal income tax purposes in the merger.

As a Dal-Tile stockholder, you may not know whether, for U.S. federal income tax purposes, the receipt of Mohawk common stock in the merger will be a taxable event to you at the time you vote at the Dal-Tile special meeting.

Mohawk and Dal-Tile intend for the merger to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. If the merger qualifies as a reorganization, then the holders of Dal-Tile's common stock will only recognize gain (but not loss) for U.S. federal income tax purposes equal to the lesser of (1) the amount of cash a Dal-Tile stockholder receives as part of the merger consideration, or (2) an amount equal to the excess, if any, of (a) the sum of the fair market value of the Mohawk common stock received in the merger and the amount of cash such stockholder receives in the merger over (b) the tax basis of such stockholder's Dal-Tile common stock exchanged therefor.

The completion of the merger as a Section 368(a) reorganization is conditioned on, among other things, the receipt of opinions from counsel for Dal-Tile and Mohawk that the merger will qualify as a Section 368(a) reorganization. The opinions are conditioned on, among other things, the value of the Mohawk common stock issued in the merger being 40% or more of the value of the combined merger consideration. If such condition is not met, the merger will not be completed unless Dal-Tile elects to complete the merger in the form of a taxable reverse merger. In addition to the market value of Mohawk common stock, various factors affect whether the value of the Mohawk common stock received by Dal-Tile stockholders in the merger is equal to at least 40% of the combined value of the merger consideration as of the completion of the merger, including:

- . the amount, if any, to be paid to Dal-Tile stockholders who perfect their appraisal rights;
- . whether prior to and in connection with the merger Dal-Tile (or certain parties related to Dal-Tile) redeems or acquires Dal-Tile stock or makes distributions to the Dal-Tile stockholders; and
- . whether there will be any repurchases by Mohawk (or certain parties related to Mohawk) of the Mohawk common stock to be issued in the merger.

Accordingly, it is not possible to state with certainty the minimum trading price of the Mohawk common stock at which the value of the Mohawk common stock to be received in the merger will be equal to at least 40% of the value of the combined merger consideration as of the completion of the merger. Assuming that the \$11.00 per share cash consideration is the only non-Mohawk common stock consideration received or to be received by the Dal-Tile stockholders in the merger, and assuming further that there are no stockholders exercising appraisal rights, no cash to be paid in lieu of fractional share interests, no distributions or redemptions made by Dal-Tile (or certain parties related to Dal-Tile) in connection with the merger, and no repurchases or acquisitions by Mohawk (or certain parties related to Mohawk) of the Mohawk common stock to be issued in the merger, the minimum trading price of the Mohawk common stock at which the value of the Mohawk common stock to be received in the merger will be equal to at least 40% of the value of the combined merger consideration is approximately \$27.00 per share. If these assumptions prove to be inaccurate, then the minimum trading price may be higher than \$27.00 per share.

There can be no assurance that the conditions will occur that are necessary for the merger to be a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. If the merger does not qualify as a Section 368(a) reorganization, the issuance of Mohawk common stock to the Dal-Tile stockholders will be a taxable event for the Dal-Tile stockholders.

The executive officers and directors of Dal-Tile will receive certain benefits in the merger which other Dal-Tile stockholders will not receive.

The directors and executive officers of Dal-Tile have interests in the merger that are different from other Dal-Tile stockholders. These benefits include:

- . potential for positions as directors or executive officers of Mohawk following the merger;
- . options to purchase Dal-Tile common stock, including any stock option held by any executive officer or director of Dal-Tile, will become fully exercisable and will be cashed-out in part (either upon completion of the merger or upon exercise) and converted in part into options to acquire Mohawk common stock;

14

- . a number of Dal-Tile employees, including executive officers, have agreements with Dal-Tile that provide for severance payments (and continued insurance coverage) that may be triggered upon termination of their employment after completion of the merger; and
- . directors and executive officers of Dal-Tile have customary rights to indemnification against specified liabilities, and Mohawk has agreed to maintain directors' and officers' liability insurance for them and has released them from certain liabilities under the merger agreement.

See "The Merger--Interests of Certain Persons in the Merger" on page 54 and "The Merger--Effect of the Merger on Dal-Tile Options" on page 48.

The failure to integrate successfully Mohawk and Dal-Tile by managing the challenges of that integration may result in the combined company not achieving the anticipated potential benefits of the merger.

Mohawk and Dal-Tile will face challenges in consolidating functions, integrating their organizations, procedures, operations and product lines in a timely and efficient manner and retaining key personnel.

These challenges will result principally because the two companies currently:

- . maintain executive offices in different locations;
- . manufacture and sell different types of products through different distribution channels;
- . conduct their businesses from various locations;
- . maintain different operating systems and software on different computer hardware; and
- . have different employment and compensation arrangements for their employees.

In addition, Dal-Tile has a significant manufacturing operation in Mexico and Mohawk has not previously operated a manufacturing facility outside of the United States. As a result, the integration of Mohawk and Dal-Tile will be complex and will require additional attention from members of management. The diversion of management attention and any difficulties encountered in the transition and integration process could have a material adverse effect on the revenues, level of expenses and operating results of the combined company.

The combined company's debt level may limit its financial flexibility.

As of September 29, 2001, Mohawk had approximately \$457.8 million of total debt and a total debt to total capital ratio of 34.1%. After giving effect to the acquisition of Dal-Tile, including Mohawk's intended financing of the cash portion of the merger consideration, cash payments to be made to holders of outstanding Dal-Tile options, Mohawk's repayment of Dal-Tile's existing indebtedness and direct costs associated with the acquisition, as of September 29, 2001, the combined company would have had approximately \$1.4 billion of total debt and a total debt to total capital ratio of 45.6% on a pro forma basis. The combined company may also incur additional debt in the future, including in connection with other acquisitions. The level of the combined company's debt could have several important effects on the combined company's

future operations, including, among others:

- . an increased portion of the combined company's cash flow from operations will be dedicated to the payment of principal and interest on the debt and will not be available for other purposes;
- . covenants in Mohawk's existing debt arrangements and anticipated covenants related to the debt that Mohawk intends to incur in connection with the merger will require the combined company to meet financial tests that may affect the combined company's flexibility in planning for and reacting to changes in its business, including possible acquisition opportunities;
- . the combined company's ability to obtain additional financing for working capital, capital expenditures, acquisitions, general corporate and other purposes may be limited;
- . the combined company may be at a competitive disadvantage to similar companies that have less debt; and
- . the combined company's vulnerability to adverse economic and industry conditions may increase.

If the merger does not occur, the companies will not benefit from the expenses they have incurred in the pursuit of the merger.

The merger may not be completed. If the merger is not completed, Mohawk and Dal-Tile will have incurred substantial expenses for which no ultimate benefit will have been received by either Mohawk or Dal-Tile. Additionally, if the merger agreement is terminated under specified circumstances, Dal-Tile will be required to pay Mohawk a \$45 million termination fee. See "The Merger--Expenses and Fees" on page 53.

THE SPECIAL MEETINGS

General

This joint proxy statement-prospectus is being furnished in connection with the solicitation of proxies by each of the boards of directors of Mohawk and Dal-Tile in connection with the proposed merger.

This joint proxy statement-prospectus is first being furnished to stockholders of Mohawk and Dal-Tile on or about February 20, 2002.

Date, Time and Place of the Special Meetings

The special meetings are scheduled to be held as follows:

For Mohawk stockholders:	For Dal-Tile stockholders:
At 9:00 a.m. Eastern Time, on March 20, 2002	At 8:00 a.m. Central Time, on March 20, 2002 at the offices of
at the offices of Alston & Bird LLP	Vinson & Elkins L.L.P.
1201 West Peachtree Street, 46th Floor	2001 Ross Avenue, 38th Floor
Atlanta, Georgia	Dallas, Texas

Purpose of the Special Meetings

Mohawk. The Mohawk special meeting is being held for Mohawk stockholders to consider and vote upon the approval of the issuance of Mohawk shares in the merger, pursuant to which Dal-Tile will merge into a wholly owned subsidiary of Mohawk or, if Dal-Tile elects in accordance with the terms of the merger agreement, a wholly owned subsidiary of Mohawk will be merged into Dal-Tile, as contemplated by the merger agreement between Mohawk, Maverick Merger Sub, Inc. and Dal-Tile. Collectively, the Dal-Tile stockholders will receive in the merger between 12,412,274 and 18,401,198 shares of Mohawk common stock, or between approximately 19% and 26% of the outstanding Mohawk common stock immediately following the merger, depending on the exchange ratio and the number of Dal-Tile options that are exercised prior to completion of the merger. At the Mohawk special meeting, Mohawk stockholders may also consider

and vote on any motion submitted to a vote of the stockholders to adjourn or postpone the special meeting to another time and place for the purpose of soliciting additional proxies and the transaction of any other business incident to the conduct of the Mohawk special meeting.

Dal-Tile. The Dal-Tile special meeting is being held for Dal-Tile stockholders to consider and vote upon the approval of the adoption of the merger agreement. Adoption of the merger agreement by the Dal-Tile stockholders will constitute approval of the merger under either of the alternative structures provided for in the merger agreement. At the Dal-Tile special meeting, Dal-Tile stockholders may also consider and vote on any motion submitted to a vote of the stockholders to adjourn or postpone the special meeting to another time and place for the purpose of soliciting additional proxies and the transaction of any other business incident to the conduct of the Dal-Tile special meeting.

Stockholder Record Date for the Special Meetings

Mohawk. Mohawk's board of directors has fixed the close of business on February 6, 2002, as the record date for determination of Mohawk stockholders entitled to notice of and to vote at the special meeting. On the record date, there were 52,768,656 shares of Mohawk common stock outstanding, held by approximately 361 holders of record.

Dal-Tile. Dal-Tile's board of directors has fixed the close of business on February 6, 2002, as the record date for determination of Dal-Tile stockholders entitled to notice of and to vote at the special meeting. On the record date, there were 58,055,590 shares of Dal-Tile common stock outstanding, held by approximately 136 holders of record.

Vote Required

Mohawk. A majority of the outstanding shares of Mohawk common stock must be represented, either in person or by proxy, to constitute a quorum at the Mohawk special meeting. The affirmative vote of a majority of

16

the votes cast by holders of Mohawk common stock at the Mohawk special meeting is required to approve the issuance of Mohawk shares in the merger or any motion to adjourn or postpone the special meeting for the purpose of soliciting additional proxies.

As of the record date, Mohawk directors and executive officers and their affiliates owned approximately 30.2% of the outstanding shares of Mohawk common stock.

Dal-Tile. A majority of the outstanding shares of Dal-Tile common stock must be represented either in person or by proxy, to constitute a quorum at the Dal-Tile special meeting. The affirmative vote of the holders of a majority of the shares of Dal-Tile common stock issued and outstanding is required to adopt the merger agreement. The affirmative vote of a majority of the votes cast by holders of Dal-Tile common stock at the Dal-Tile special meeting is required to approve any motion to adjourn or postpone the special meeting for the purpose of soliciting additional proxies.

As of the record date, Dal-Tile directors and executive officers and their affiliates owned approximately 1.5% of the outstanding shares of Dal-Tile common stock.

Proxies

All shares of Mohawk common stock represented by properly executed proxies or voting instructions received before or at the Mohawk special meeting and all shares of Dal-Tile common stock represented by properly executed proxies or voting instructions received before or at the Dal-Tile special meeting will, unless the proxies or voting instructions are revoked, be voted in accordance with the instructions indicated on those proxies or voting instructions. If no instructions are indicated on a properly executed proxy card or voting instruction, the shares will be voted FOR approval of the issuance of Mohawk shares in the merger or adoption of the merger agreement, as applicable, FOR granting discretion for the designated proxies to vote upon any motion to adjourn or postpone the special meeting to another time and place for the

purpose of soliciting additional proxies and to approve those other matters that may be incident to the conduct of the special meetings at the discretion of the person named in the proxy. You are urged to mark the box on the proxy card to indicate how to vote your shares.

If a Mohawk stockholder returns a properly executed proxy card or voting instruction and the stockholder has abstained from voting on a particular proposal, the Mohawk common stock represented by the proxy or voting instruction will be considered present at the special meeting for purposes of determining a quorum, but will not be considered to have been voted in favor of such proposal. If a Dal-Tile stockholder returns a properly executed proxy card or voting instruction and the stockholder has abstained from voting on a particular proposal, the Dal-Tile common stock represented by the proxy or voting instruction will be considered present at the special meeting for purposes of determining a quorum, but will not be considered to have been voted in favor of such proposal.

If your shares are held in an account at a brokerage firm or bank, you must instruct them on how to vote your shares with respect to the issuance of Mohawk shares in the merger or the adoption of the merger agreement. For the Mohawk special meeting, if an executed proxy card is returned by a broker or bank holding shares which indicates that the broker or bank does not have discretionary authority to vote on whether to approve the issuance of Mohawk shares in the merger or any motion to adjourn or postpone the special meeting for the purpose of soliciting additional proxies, the shares will be considered present for purposes of determining the presence of a quorum, but will not be considered to have been voted in favor of the proposal for which discretionary authority is lacking. For the Dal-Tile special meeting, if an executed proxy card is returned by a broker or bank holding shares which indicates that the broker or bank does not have discretionary authority to vote on adoption of the merger agreement or any motion to adjourn or postpone the special meeting for the purpose of soliciting additional proxies, the shares will be considered present at the meeting for purposes of determining the presence of a quorum, but will not be considered to have been voted in favor of adoption of the proposal for which discretionary authority is lacking.

17

Since the issuance of Mohawk shares in the merger and any motion to adjourn or postpone the Mohawk special meeting to another time or place for the purpose of soliciting additional votes requires the approval of a majority of the votes cast by holders of Mohawk common stock at the Mohawk special meeting, assuming a quorum is present, abstentions and broker non-votes will have no effect on the approval of the issuance of Mohawk shares in the merger or any motion to adjourn or postpone the special meeting for the purpose of soliciting additional proxies. Because adoption of the merger agreement by Dal-Tile requires the affirmative vote of a majority of the shares of Dal-Tile common stock outstanding on the record date, abstentions, failures to respond and broker non-votes by Dal-Tile stockholders will have the same effect as votes against adoption of the merger agreement. The approval of a motion to adjourn the Dal-Tile special meeting in order to solicit additional proxies requires the approval of a majority of the votes cast at the special meeting and, therefore, abstentions, failures to respond and broker non-votes by Dal-Tile stockholders will not be counted as votes cast and will have no effect on the outcome of a motion to adjourn for the purpose of soliciting additional proxies.

The Mohawk special meeting or the Dal-Tile special meeting may be adjourned or postponed in order to permit further solicitation of proxies. No proxy voted against the proposal to adopt the merger agreement or against the issuance of Mohawk shares in the merger will be voted on any proposal to adjourn or postpone the special meeting that is submitted to the stockholders for a vote, except in accordance with the instructions indicated, if any, with respect to any such proposal. Neither Mohawk nor Dal-Tile expects that any matters other than approval of the issuance of Mohawk shares in the merger or adoption of the merger agreement will be brought before its special meeting. If, however, other matters incident to the conduct of the special meetings are considered, the persons named as proxies will vote in accordance with their judgment with respect to those matters, unless authority to do so is withheld on the proxy card.

A stockholder may revoke his or her proxy at any time before it is voted by:
 . notifying in writing the Corporate Secretary of Mohawk Industries, Inc.

at 160 S. Industrial Boulevard, Calhoun, Georgia 30703, if you are a Mohawk stockholder, or the Secretary of Dal-Tile International Inc. at 7834 Hawn Freeway, Dallas, Texas 75217, if you are a Dal-Tile stockholder;

- . granting a subsequently dated proxy; or
- . appearing in person and voting at the special meeting if you are a holder of record.

Attendance at the special meeting will not in and of itself constitute revocation of a proxy.

Voting Electronically or by Telephone

Because Delaware, the state in which both Mohawk and Dal-Tile are incorporated, permits electronic submission of proxies through the Internet or by telephone, instead of submitting proxies by mail on the enclosed proxy card or voting instructions, all holders of record and many other stockholders will have the option to submit their proxies or voting instructions electronically through the Internet or by telephone. Please note that there are separate arrangements for using the Internet and telephone depending on whether you are a record holder and your shares are registered in your company's stock records in your name or your shares are registered in the name of a brokerage firm or bank. Stockholders should check their proxy card or voting instructions forwarded by their broker, bank or other holder of record to see which options are available.

The Internet and telephone procedures described below for submitting your proxy or voting instructions are designed to authenticate stockholders' identities, to allow stockholders to have their shares voted and to confirm that their instructions have been properly recorded. Dal-Tile and Mohawk have been advised by their respective counsel that the procedures that have been put in place are consistent with the requirements of Delaware law. Stockholders submitting proxies or voting instructions via the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that would be borne by the stockholder.

Mohawk holders of record may submit their proxies:

- . through the Internet by visiting a website established for that purpose at <https://www.proxyvotenow.com/mhk> and following the instructions; or

18

- . by telephone by calling the toll-free number 1-888-216-1339 in the United States, Canada or Puerto Rico on a touch-tone phone and following the recorded instructions.

Dal-Tile holders of record may submit their proxies:

- . through the Internet by visiting a website established for that purpose at <http://www.eproxy.com/dtl> and following the instructions; or
- . by telephone by calling the toll-free number 1-800-435-6710 in the United States, Canada or Puerto Rico on a touch-tone phone and following the recorded instructions.

Solicitation of Proxies

Mohawk and Dal-Tile will equally share the expenses incurred in connection with the printing and mailing of this joint proxy statement-prospectus. Mohawk and Dal-Tile have each retained Georgeson Shareholder Communications, Inc., each for a fee of \$7,500, plus expenses, to assist in the solicitation of proxies. Mohawk, Dal-Tile and Georgeson Shareholder will also request banks, brokers and other intermediaries holding shares of Mohawk or Dal-Tile common stock beneficially owned by others to send this joint proxy statement-prospectus to, and obtain proxies from, the beneficial owners and will reimburse the holders for their reasonable expenses in so doing. Solicitation of proxies by mail may be supplemented by telephone, telegram and other electronic means, advertisements and personal solicitation by the directors, officers or employees of Mohawk and Dal-Tile. No additional

compensation will be paid to directors, officers or employees for such solicitation.

Dal-Tile stockholders should not send in any stock certificates with their proxy card. A transmittal letter with instructions for the surrender of stock certificates will be mailed to Dal-Tile stockholders as soon as practicable after completion of the merger.

19

THE MERGER

The following information describes material aspects of the merger. This description does not provide a complete description of all the terms and conditions of the merger agreement. It is qualified in its entirety by the text of the merger agreement, which is attached as Annex A to this joint proxy statement-prospectus. The merger agreement, as amended, is incorporated herein by reference. You are urged to read all of the Annexes in their entirety.

General

The merger agreement provides for the acquisition of Dal-Tile by Mohawk pursuant to the merger of Dal-Tile by a forward merger with and into Maverick Merger Sub, Inc., a newly formed, wholly owned subsidiary of Mohawk created for the purpose of the merger, with Merger Sub as the surviving corporation in the merger. If it is determined prior to the completion of the merger that the value of the Mohawk common stock to be received by Dal-Tile stockholders in the merger is less than 40% of the value of the combined merger consideration, Dal-Tile has the option to close the merger as a taxable reverse merger. If Dal-Tile elects to close the merger as a taxable reverse merger, then Merger Sub will merge with and into Dal-Tile, with Dal-Tile surviving the merger and becoming a wholly owned subsidiary of Mohawk. The forward merger and the reverse merger materially differ only in their tax consequences to Dal-Tile stockholders and in whether Merger Sub or Dal-Tile is the surviving corporation in the merger. For a discussion of the tax consequences of the merger to Dal-Tile stockholders, see "--Material Federal Income Tax Consequences of the Merger" below.

What Dal-Tile Stockholders Will Receive in the Merger

Regardless of the structure of the merger, when we complete the merger, each outstanding share of Dal-Tile common stock (other than shares held by Mohawk or Dal-Tile or their respective subsidiaries and shares held by Dal-Tile stockholders who perfect their statutory appraisal rights) will be converted into and exchanged for the right to receive a cash payment of \$11.00 (less any required withholding of taxes) and a fraction of a share of Mohawk common stock determined based on the average closing price of Mohawk common stock for the 20 consecutive full trading days ending three full trading days prior to the closing of the merger. Collectively, the Dal-Tile stockholders will receive in the merger between 12,412,274 and 18,401,198 shares of Mohawk common stock, or between approximately 19% and 26% of the outstanding Mohawk common stock immediately following the merger, depending on the exchange ratio and the number of Dal-Tile options that are exercised prior to completion of the merger. Dal-Tile stockholders who perfect their appraisal rights will be entitled to receive from the surviving corporation in the merger, the value of their shares in cash as determined pursuant to Section 262 of the Delaware General Corporation Law. See "--Appraisal Rights."

The fraction of a share of Mohawk common stock will be determined based on the "average closing price," which is the average of the daily closing prices for Mohawk common stock on the New York Stock Exchange during the 20 consecutive full trading days ending on the trading day three full trading days prior to the closing date of the merger. Specifically, for each share of Dal-Tile common stock held at the effective time, Dal-Tile stockholders will be entitled to receive the cash payment of \$11.00 and:

- . .2213 of a share of Mohawk common stock, if the average closing price is greater than \$54.67 per share;
- . that fraction of a share of Mohawk common stock equal to the quotient obtained by dividing \$12.10 by the average closing price, if the average closing price is greater than \$50.12 per share but less than or equal to \$54.67 per share;

- . .2414 of a share of Mohawk common stock, if the average closing price is equal to or greater than \$41.00 per share but less than or equal to \$50.12 per share;
- . that fraction of a share of Mohawk common stock equal to the quotient obtained by dividing \$9.90 by the average closing price, if the average closing price is greater than or equal to \$36.45 per share but less than \$41.00 per share; or
- . .2716 of a share of Mohawk common stock, if the average closing price is less than \$36.45 per share.

20

We refer to the \$11.00 cash payment as the "cash payment" and the conversion rate used at the time of the completion of the merger as the "exchange ratio." If we completed the merger on the date of this joint proxy statement-prospectus, the average closing price would be \$55.05 and the exchange ratio would be .2213 of a share of Mohawk common stock for each share of Dal-Tile common stock.

Mohawk will not issue any fractional shares of common stock in the merger. Rather, Mohawk will pay cash for any fractional share any Dal-Tile stockholder otherwise would have received in the merger. The cash paid in lieu of fractional shares will be in an amount equal to the fraction multiplied by the average closing price.

If Mohawk effects a stock split, stock dividend, or similar recapitalization with respect to Mohawk common stock and the record date, in the case of a stock dividend, or the effective date, in the case of a stock split or similar recapitalization for which a record date is not established, is prior to the completion of the merger, the exchange ratio and the average closing price will be adjusted appropriately.

If, prior to the completion of the merger, Mohawk consummates a merger, consolidation, share exchange or other reorganization, or any other transaction with another person pursuant to which the holders of Mohawk common stock receive or become entitled to receive securities, cash or other assets or any combination thereof, at the completion of the merger the holders of Dal-Tile common stock will be entitled to receive the cash payment plus securities, cash or other assets received by holders of Mohawk common stock in such transaction adjusted to give effect to the exchange ratio as if the merger had occurred immediately prior to the other transaction.

Background of the Merger

In December 1999, David L. Kolb, chairman and then chief executive officer of Mohawk, John D. Swift, chief financial officer of Mohawk, Jacques R. Sardas, chairman, president and chief executive officer of Dal-Tile, and W. Christopher Wellborn, chief financial officer of Dal-Tile, attended an investment banking conference in New York, New York. At the conference, Mohawk and Dal-Tile each gave presentations about their companies and their respective markets in the floorcovering industry to potential equity investors. Following the presentations, the parties introduced themselves and expressed mutual interest in learning more about their respective companies. At that time, the parties made no plans for additional meetings or discussions, and no further meetings or discussions occurred until December 1, 2000.

On December 1, 2000, Mr. Jeffrey S. Lorberbaum, president and current chief executive officer of Mohawk, Mr. Swift, Mr. Kolb, Mr. Wellborn and Mr. Sardas met at the Dallas-Fort Worth International Airport to discuss general business matters, including each company's operations and potential marketing and sales synergies that could be achieved by a business combination or another strategic relationship between Mohawk and Dal-Tile. In particular, the parties discussed potential synergies that could result from selling Dal-Tile's products through the Mohawk distribution system and using Mohawk's transportation system to deliver Dal-Tile products. At this meeting, the participants made no plans for additional meetings or discussions, and no further meetings or discussions were held until August 15, 2001.

On August 15, 2001, Mr. Swift contacted Mr. Wellborn and suggested that they meet in Dallas, Texas to discuss the benefits of a potential business

combination. After consultation with Mr. Sardas, Mr. Wellborn arranged to meet Mr. Swift in Dallas on September 5, 2001. Following their discussions they agreed to recommend a follow-up meeting. The parties subsequently scheduled a meeting for September 12, 2001, between Mr. Sardas, Mr. Wellborn, Mr. Lorberbaum and Mr. Swift in Atlanta, Georgia.

On August 21, 2001, representatives of Credit Suisse First Boston telephonically reviewed with the management of Dal-Tile a potential business combination with Mohawk.

Mohawk and Dal-Tile executed a confidentiality agreement on September 11, 2001. In the aftermath of the September 11 attacks, the companies postponed their meeting scheduled for September 12, 2001 to October 29 and 30, 2001.

On September 17, 2001, at a telephonic meeting of the Dal-Tile board of directors at which all the directors were present, Mr. Sardas informed the Dal-Tile board of the discussions with Mohawk regarding a potential business combination and the confidentiality agreement entered into by the parties. At the meeting the Dal-Tile board authorized the executive officers of Dal-Tile to continue discussions with Mohawk regarding a potential business combination and to consult with a financial advisor on an as-needed basis.

21

On October 18, 2001, the regular quarterly meeting of the Mohawk board of directors was held at the offices of Mohawk in Calhoun, Georgia. All members of the board of directors were present. During that meeting, Mr. Lorberbaum reviewed the previous contacts with Dal-Tile and advised that a meeting among Mr. Lorberbaum, Mr. Swift, Mr. Sardas and Mr. Wellborn, originally scheduled for September 12, 2001, had been rescheduled for October 29 and 30, 2001. Mr. Lorberbaum and Mr. Swift discussed with the board information about Dal-Tile's business and financial position. The potential business synergies, possible cost savings and possible areas of integration presented by a possible combination of the two companies were thoroughly discussed by the board and management. The Dal-Tile management structure and change of control costs were also reviewed. Mr. Lorberbaum, Mr. Swift and the board discussed a proposal to acquire Dal-Tile for consideration comprised of 50% Mohawk common stock and 50% cash at various price levels for the Dal-Tile common stock. The board considered Mohawk's pro forma debt to capitalization ratio and diluted earnings per share as well as the premium to Dal-Tile's stock price resulting from various price levels. After a thorough discussion, the board authorized management to continue discussions with Dal-Tile management. Mohawk's legal counsel from Alston & Bird LLP reviewed with the board the legal obligations and duties for the directors during the ongoing discussions.

On October 26, 2001, Mr. Lorberbaum and Mr. Swift held separate telephonic conversations with a majority of the members of the Mohawk board, in which they discussed specific terms of a proposal for the acquisition of Dal-Tile for consideration equal to \$21.00 per share of Dal-Tile common stock to be comprised of 50% Mohawk common stock and 50% cash.

Mr. Sardas, Mr. Wellborn, Mr. Lorberbaum and Mr. Swift met in Atlanta for dinner on October 29, 2001, and again on the morning of October 30, 2001. The parties initially discussed the operating styles of their respective companies and whether or not they would be compatible in a business combination. They also discussed the potential for the combined company to extend each company's sales into new geographic markets and the possibility of expanding the sales of Dal-Tile's products through Mohawk's distribution networks. As part of these initial discussions, Mr. Lorberbaum proposed the acquisition of Dal-Tile by Mohawk in a merger for consideration equal to \$21.00 per share of Dal-Tile common stock to be comprised of 50% Mohawk common stock and 50% cash. Mr. Sardas made a counterproposal of \$23.00 per share of Dal-Tile common stock to be comprised of 50% Mohawk common stock and 50% cash. After these discussions, the parties agreed to present to their respective boards a proposal for the merger of Dal-Tile with Mohawk for consideration equal to \$22.00 per share of Dal-Tile common stock to be comprised of 50% Mohawk common stock and 50% cash. Mr. Lorberbaum also proposed that the stock component of the merger consideration be valued at \$45.56 per share of Mohawk common stock, the closing price of Mohawk common stock on October 29, 2001. No agreement was reached on this proposal and the parties deferred further discussions pending presentations to their respective boards and financial advisors. The parties agreed to a tentative negotiation schedule, assuming both companies decided to proceed with negotiations, with a proposed signing of a definitive merger

agreement and announcement of a merger prior to the Thanksgiving holiday.

On November 1, 2001, the Dal-Tile board held a telephonic meeting in which all of the directors participated at which Mr. Sardas and Mr. Wellborn recounted the discussions with Mohawk. Dal-Tile's legal counsel, Vinson & Elkins L.L.P., discussed the legal obligations of the directors and other legal considerations in connection with the proposed merger and the negotiation of the merger agreement, including the ability to respond to unsolicited offers. Also at this meeting, representatives of Credit Suisse First Boston, Dal-Tile's financial advisor, reviewed with the board Mohawk's business and financial position relative to Dal-Tile's, and representatives of Vinson & Elkins L.L.P. and Credit Suisse First Boston discussed with the board alternative structures for the potential merger. The participants at the meeting also discussed the schedule for completing the merger agreement, due diligence reviews and holding a board meeting to review the merger agreement and receiving an opinion from Credit Suisse First Boston regarding the fairness, from a financial point of view, of the merger consideration to be received by Dal-Tile stockholders in the proposed merger. During the telephonic meeting, the Dal-Tile board authorized the senior management to proceed with the negotiation of the terms of a merger and a definitive merger agreement with Mohawk for consideration by the board.

22

The management of both companies arranged for mutual due diligence reviews. On November 5 through November 7, 2001, legal counsel to Mohawk traveled to Dallas to review Dal-Tile's corporate records and other information. On November 8 and 9, 2001, Dal-Tile's legal counsel traveled to Atlanta and Calhoun, Georgia to conduct a similar review of Mohawk. On November 6 and 7, 2001, accounting and tax advisors to Dal-Tile traveled to Atlanta and Calhoun to read selected portions of Mohawk's independent auditor's working papers. Also on November 7 and 8, 2001, Mohawk's accounting and tax advisors traveled to Dallas to read selected portions of Dal-Tile's independent auditor's working papers. On November 6, 2001, Mohawk retained Mexican legal counsel to begin a due diligence review of Dal-Tile's Mexican subsidiary and its Mexican joint venture. Mohawk's Mexican legal counsel conducted due diligence at Dal-Tile's Mexico operations on November 13, 14 and 15, 2001.

Mohawk submitted a draft merger agreement to Dal-Tile on November 6, 2001, which proposed merger consideration comprised of a combination of Mohawk common stock and cash, but did not contain a specific proposal as to the amount of cash per Dal-Tile share or the exchange ratio to determine the number of shares of Mohawk common stock per Dal-Tile share. The draft also contained provisions for (1) reciprocal rights to terminate the merger agreement based on the average closing price of Mohawk common stock during a period shortly before the merger was completed, (2) the conversion of existing options to acquire Dal-Tile common stock into cash and Mohawk stock options equal to the merger consideration, (3) permitting Dal-Tile to designate an unspecified number of persons to serve on the Mohawk board, (4) a Mohawk option to acquire shares of Dal-Tile common stock, (5) voting agreements to support the merger from certain holders of Dal-Tile common stock, (6) a termination fee, and (7) the reimbursement of Mohawk's expenses incurred in connection with the merger, if Dal-Tile's stockholders failed to approve the proposed merger. In a series of telephone conversations between Mr. Swift and Mr. Wellborn on November 6 and 7, 2001, Mohawk proposed that Dal-Tile stockholders would receive \$11 in cash and .2414 of a share of Mohawk common stock (\$11 in value based on the October 29, 2001, closing price of \$45.56) for each share of Dal-Tile common stock and that the parties would have the right to terminate the agreement if the average closing price of Mohawk common stock was above \$53.00 or below \$38.00 for a 20 trading day period ending shortly prior to the closing. Mohawk also proposed that Dal-Tile grant Mohawk an option to acquire 19.9% of the Dal-Tile common stock and a termination fee of \$50 million and that Dal-Tile board members and senior management enter into voting agreements to support the merger and grant Mohawk options to acquire their Dal-Tile common stock and options.

On November 7, 2001, the Mohawk board of directors held a special telephonic meeting with all directors attending. Mr. Lorberbaum discussed the progress of discussions with Dal-Tile, reviewed the preliminary results of Mohawk's due diligence review and explained the price structure and other terms for a merger proposed by Mohawk. The board discussed a proposal for merger consideration equal to \$22.00 per share of Dal-Tile common stock to be comprised of 50% Mohawk common stock valued at \$45.56 per share and 50% cash. Under this proposal, the Dal-Tile stockholders would receive \$11 in cash and .2414 of a

share of Mohawk common stock for each share of Dal-Tile common stock, and the parties would have a right to terminate the agreement if the average closing price of Mohawk common stock was above \$53.00 or below \$38.00 for a 20 trading day period ending prior to the closing. Other terms of the proposal included the right by Dal-Tile to designate two persons to serve on the Mohawk board, an option for Mohawk to acquire 19.9% of the Dal-Tile common stock, voting agreements and options to support the merger from Dal-Tile senior management and board members, a termination fee of \$50 million and the conversion of existing options to acquire Dal-Tile common stock into cash and Mohawk stock options equal to the merger consideration. The board discussed the initial dilution of Mohawk earnings per share and the opportunities for accretion through potential synergies. The board and Mr. Swift discussed sources of financing for the cash portion of the merger consideration, including Mohawk's current debt facilities, a potential privately placed bridge loan and public debt. The board discussed Dal-Tile management and a plan for integration of the businesses. The board authorized the management to proceed with negotiations. A schedule for negotiating the merger agreement and financing was discussed, and the board tentatively scheduled a board meeting for November 26, 2001 to review and consider the merger and the merger agreement.

On November 8, 2001, Mohawk and Dal-Tile held a telephone conference with their respective legal counsel and financial advisors to address Mohawk's proposal and Dal-Tile's primary issues. Dal-Tile proposed to

23

Mohawk a fixed exchange ratio for the stock component of the merger consideration of .2414 of a share of Mohawk common stock if the Mohawk average closing price was between \$41.00 and \$50.12, and outside of that range a ratio that adjusted so that Dal-Tile stockholders would receive a fraction of a share of Mohawk common stock having a value equal to \$9.90 if the average closing price was below \$41.00 and equal to \$12.10 if the average closing price was above \$50.12. Additionally, Dal-Tile proposed a termination fee of \$30 million and that voting agreements to support the merger be obtained from Dal-Tile senior management and board members and from entities controlled by the Lorberbaum family, the largest stockholders in Mohawk. Dal-Tile also indicated that it was not willing to grant Mohawk options to acquire any of its common stock or to require as a part of the transaction that any of its management team grant Mohawk any rights to acquire shares or options held by such executives or enter into similar arrangements regarding their equity interests in Dal-Tile. Mohawk responded by suggesting a termination fee of \$60 million. Dal-Tile also proposed that one-half of Dal-Tile stock options be cashed out for two times \$11 less their respective exercise prices, allocated pro-rata among grants of options having different exercise prices and that the remaining one-half be converted into options exercisable solely for Mohawk common stock at a conversion rate equal to two times the exchange ratio. Finally, Dal-Tile indicated that it was unwilling to reimburse Mohawk for Mohawk's expenses in the event that Dal-Tile's stockholders failed to approve the proposed merger. After discussion of Dal-Tile's proposals, the parties held internal discussions.

In a series of telephone calls on November 8 and 9, 2001, representatives of Mohawk and Dal-Tile and their respective legal and financial advisors attempted to resolve these primary outstanding issues in anticipation of the plant visits and management presentations that were scheduled to begin on Sunday, November 11, 2001. The primary issue discussed was the structure of the exchange ratio, specifically whether there would be reciprocal termination rights if the average closing price of Mohawk common stock is greater or less than specified amounts as proposed by Mohawk in the November 6, 2001, draft of the merger agreement and in the telephone conversations on November 6 and 7, 2001. Fixing the exchange ratio if the average closing price of Mohawk common stock is greater or less than specified amounts was proposed by Mohawk as an alternative to reciprocal termination rights. Voting agreements, rights of termination under various circumstances and the amount of the termination fee were also discussed without reaching agreement. Dal-Tile's proposal as to treatment of Dal-Tile stock options, how to deal with third party consents and termination of Dal-Tile's employee stock purchase plan were also discussed.

On November 9, 2001, representatives of Mohawk and Dal-Tile agreed to Dal-Tile's proposal of a floating exchange ratio outside a range of average closing prices of Mohawk common stock from \$41.00 to \$50.12 per share, but with the exchange ratio becoming fixed again at .2213 of a share of Mohawk common stock if the average closing price of Mohawk common stock is greater than \$54.67 per share and at .2716 of a share of Mohawk common stock if the average

closing price of Mohawk common stock is less than \$36.45 per share. Although the parties did not reach agreement with respect to voting agreements, rights of termination under various circumstances and the amount of the termination fee, it was decided that sufficient progress had been made to justify proceeding with the plant visits and management presentations as scheduled on November 11, 2001.

On November 9, 2001, the Dal-Tile board held a telephonic meeting to receive an update from Dal-Tile senior management and its legal and financial advisors on the status of the merger agreement negotiations. All of the Dal-Tile directors except Mr. Danforth participated in the meeting. Dal-Tile's legal counsel reviewed with the board the results of its due diligence. Also at this meeting, Dal-Tile's financial advisor reviewed with the board the structure of the stock components of the merger consideration that Dal-Tile had proposed to Mohawk.

From November 11 through November 13, 2001, senior management of Mohawk and Dal-Tile, together with representatives of Credit Suisse First Boston and Wachovia Securities, traveled together to inspect their respective manufacturing facilities in Texas, Mexico and Georgia and discuss the respective companies' operations. At the direction of Dal-Tile, Dal-Tile's financial advisor met with Mohawk's senior management in Calhoun, Georgia to obtain additional information about Mohawk's business and financial position.

24

In a series of conference calls between November 9 and November 15, 2001, the senior management, legal counsel and financial advisors of both companies continued negotiations of the terms of the merger agreement, the voting agreements and other ancillary documents.

On November 15, 2001, Dal-Tile's board held a telephonic board meeting at which all directors were present to receive an update on the progress of the negotiations with Mohawk. The Dal-Tile senior management reported that the parties agreed upon a \$45 million termination fee. Dal-Tile senior management also reported that it received a copy of the draft commitment letter Mohawk received from First Union Investors, Inc. and SunTrust Bank and informed the board of directors that senior management was working with Mohawk to strengthen the terms of the commitment letter. Dal-Tile board members indicated to senior management that they wished to see a strong commitment from Mohawk's lenders prior to proceeding with the transaction. At the conclusion of the meeting, the Dal-Tile board agreed to meet in Dallas on November 17, 2001, in order to entertain a full presentation of the terms of the proposed transaction by Dal-Tile's senior management, its legal counsel, financial advisor and accountants. Because Dal-Tile and Mohawk anticipated that the merger agreement would be ready for execution on November 19, 2001, the Dal-Tile board tentatively agreed that it would schedule a telephonic board meeting for November 19, 2001, to review and vote to approve the merger and the merger agreement.

On November 17, 2001, the Dal-Tile board held a special meeting at Dallas-Fort Worth International Airport in Texas at which all directors were present and it discussed in detail with its senior management, legal counsel and financial advisor the terms of the proposed merger agreement and related documents and with its accounting and tax advisors, the results of their procedures. Subsequently, representatives of Credit Suisse First Boston reviewed with the board its financial analysis of the proposed merger consideration. Dal-Tile's legal counsel advised the board of its fiduciary duties and obligations in considering the proposed transaction, updated the board with respect to the remaining issues to be resolved in connection with the merger agreement and described proposed resolutions that it recommended to the Dal-Tile board.

A special telephonic meeting of the board of directors of Mohawk was held at 3:00 p.m. Eastern Standard Time on November 19, 2001. All directors were present. The meeting began with an explanation by a representative of Alston & Bird LLP of the fiduciary duties of directors relating to the approval of a transaction such as the acquisition of Dal-Tile to be considered at the meeting. Mr. Lorberbaum and Mr. Swift then outlined the proposed acquisition, including the structure of the merger consideration, and the strategic opportunities it would present to Mohawk. They reviewed and explained the principal terms of the proposed transaction, its financial impact on Mohawk and

the terms of commitments for financing the transaction obtained from First Union Investors, Inc., Goldman Sachs Credit Partners, L.P. and SunTrust Bank. The terms of the proposed merger agreement were reviewed and discussed. At this meeting, Wachovia Securities delivered to the board its oral opinion, subsequently confirmed in writing, dated November 19, 2001, to the effect that the merger consideration to be paid and stock option and cash payments to be made to holders of Dal-Tile stock options by Mohawk was fair, from a financial point of view, to Mohawk. After further deliberation and discussion, the board unanimously approved the merger and related transactions and agreements and instructed the management of Mohawk and legal counsel to finalize and execute the merger agreement and related agreements on behalf of Mohawk. The board also unanimously voted to recommend that the Mohawk stockholders approve the issuance of Mohawk shares in the merger. In addition, the board unanimously approved the financing for the transaction and authorized Mohawk to enter into, borrow under and perform all obligations under the financing documents.

On November 19, 2001, beginning at 4:30 p.m. Central Standard Time, the Dal-Tile board held a telephonic meeting at which all directors were present and during which management and legal counsel updated the board regarding the resolution of the remaining issues with respect to the merger agreement. Also at this meeting, Credit Suisse First Boston rendered to the board an oral opinion which opinion was confirmed by delivery of a written opinion, dated November 19, 2001, to the effect that, as of the date of the opinion and based upon and subject to the matters described in the opinion, the merger consideration was fair, from a financial point of view, to the holders of Dal-Tile common stock. After further deliberation and discussion, the board unanimously

25

approved the merger agreement and related transactions and instructed Dal-Tile's senior management to finalize and execute the merger agreement and related agreements on behalf of Dal-Tile. Additionally, the board unanimously voted to recommend that the Dal-Tile common stockholders adopt the merger agreement with Mohawk.

Subsequent to the Mohawk and Dal-Tile telephonic board meetings, on the evening of November 19, 2001, Mohawk and Dal-Tile executed the merger agreement and the various related agreements. The transaction was announced prior to the commencement of trading on November 20, 2001.

On January 16, 2002, Mr. Sardas telephoned Mr. Lorberbaum to inform him that pursuant to the merger agreement Mr. Wellborn and John F. Fiedler would be Dal-Tile's designated nominees to the Mohawk board.

Recommendation of the Mohawk Board and Reasons for the Merger

Mohawk's board of directors voted unanimously to approve and adopt the merger agreement and determined that the merger agreement and the merger are advisable, fair to and in the best interest of Mohawk and its stockholders. ACCORDINGLY, THE MOHAWK BOARD OF DIRECTORS RECOMMENDS THAT MOHAWK STOCKHOLDERS VOTE TO APPROVE THE ISSUANCE OF MOHAWK SHARES IN THE MERGER.

In reaching its decision to recommend the issuance of shares in the merger, Mohawk's board concluded that combining Dal-Tile's ceramic tile business with Mohawk's existing carpet and rug business provides a unique opportunity to help Mohawk achieve its strategic goal of becoming one of the world's leading floorcovering manufacturers and distributors. The Mohawk board believes that because of this, the merger provides an opportunity for achieving enhanced financial performance and increasing stockholder value.

In concluding that the merger of Mohawk and Dal-Tile is in the best interest of Mohawk and its stockholders, the Mohawk board consulted with senior members of Mohawk management regarding the strategic and operational aspects of the merger and the satisfactory results of due diligence efforts undertaken by management. In addition, the Mohawk board consulted with Wachovia Securities about the fairness to Mohawk, from a financial point of view, of the merger consideration to be paid together with the stock option and cash payments to be made to holders of outstanding Dal-Tile options by Mohawk in the merger. The board of directors also consulted with Alston & Bird LLP, legal counsel to Mohawk, regarding the duties of the members of the board of directors, legal due diligence matters and the terms of the merger agreement and related agreements. In concluding that the merger and the issuance of shares is in the

best interest of Mohawk and fair to Mohawk and its stockholders, the Mohawk board considered, among other things, the following factors that supported its decision to approve the merger and recommend that Mohawk stockholders vote to approve the issuance of Mohawk shares in the merger:

- . the ability to combine Mohawk's current efforts in the hard-flooring business with Dal-Tile's larger, more established ceramic tile and natural stone business;
- . the opportunity to use Mohawk and Dal-Tile's existing customer relationships to increase sales of both carpets and hard floorcoverings;
- . the opportunity to further develop Mohawk's various brands and increase sales by distributing its products through Dal-Tile's distribution network;
- . the potential to reduce overhead and other costs by adding Dal-Tile's distribution network to Mohawk's logistical and distribution system;
- . the potential to reduce manufacturing costs and increase quality by identifying manufacturing best practices from Dal-Tile's operations and applying them to Mohawk's manufacturing operations and vice-versa;
- . the potential to reduce general administrative, overhead and other miscellaneous costs by spreading fixed costs over a larger business;
- . reports from management and counsel regarding the satisfactory results of their due diligence investigation of Dal-Tile;

26

- . the terms of the merger agreement and the structure of the merger, including the conditions of each party's obligations to complete the merger;
- . the merger agreement's prohibition against Dal-Tile soliciting another acquisition, and the agreement by Dal-Tile to pay Mohawk a termination fee of \$45 million under circumstances in which Dal-Tile enters into an acquisition agreement or closes an acquisition with another party within twelve months of the termination of the merger agreement or the Dal-Tile board of directors changes or withdraws its recommendation that the Dal-Tile stockholders vote in favor of the merger;
- . the ability of Mohawk and Dal-Tile to complete the merger, including their ability to obtain the necessary regulatory approvals and their obligations to attempt to obtain those approvals;
- . the terms of the binding commitment letter received by Mohawk to finance a portion of the cash merger consideration; and
- . Wachovia Securities' financial analyses and presentation to the board, and the opinion of Wachovia Securities to the board, dated November 19, 2001, as to the fairness to Mohawk, from a financial point of view, of the merger consideration to be paid, together with the stock option and cash payments to be made to holders of outstanding Dal-Tile options, by Mohawk in the merger.

The Mohawk board also considered the potential adverse consequences of other factors including:

- . the increased level of indebtedness that Mohawk would have to incur in order to finance the merger and repay Dal-Tile's existing indebtedness;
- . the risk that benefits sought in the merger would not be obtained;
- . the risk that the merger would not be completed;
- . the effect of the public announcement of the merger on Mohawk's customer relations, operating results and ability to retain employees, and the trading price of Mohawk common stock;
- . the substantial management time and effort that will be required to consummate the merger and integrate the operations of the two companies;

and

- . other risks described in this joint proxy statement-prospectus under "Risk Factors."

In the judgment of the Mohawk board of directors, the potential benefits of the merger substantially outweighed the risks inherent in the merger.

The foregoing discussion of factors considered by the Mohawk board is not exhaustive, but Mohawk believes it includes the material factors considered by the Mohawk board. The Mohawk board did not quantify or otherwise attempt to assign relative weights to the specific factors the Mohawk board considered in reaching its determination to recommend the issuance of Mohawk shares in the merger. Rather, the Mohawk board viewed its position and recommendation as being based on the total information presented to and considered by the Mohawk board.

Recommendation of the Dal-Tile Board and Reasons for the Merger

THE DAL-TILE BOARD OF DIRECTORS RECOMMENDS THAT DAL-TILE STOCKHOLDERS VOTE FOR THE ADOPTION OF THE MERGER AGREEMENT.

The Dal-Tile board believes that the terms of the merger agreement and the merger are advisable, fair to and in the best interests of Dal-Tile and its stockholders. Accordingly, the members of the Dal-Tile board have unanimously approved the merger agreement and the merger, and the Dal-Tile board recommends that Dal-Tile stockholders approve and adopt the merger agreement and approve the merger. In reaching its determination to

27

recommend the merger agreement, the board considered a number of factors, including the following material factors:

- . The Dal-Tile board considered the value of the consideration to be received by Dal-Tile stockholders in the merger. The board considered the historical market prices and trading information for the common stock of Dal-Tile and Mohawk, the price per share offered by Mohawk, the certainty of value provided by the cash portion of the merger consideration, and the opportunity for Dal-Tile stockholders to participate, as holders of Mohawk common stock, in a larger, more diversified floorcovering company, including participating in the value that may be generated through the combination of the two companies.
- . The Dal-Tile board considered that the per share merger consideration represented a significant premium over the market prices at which Dal-Tile common stock had previously traded, including the fact that the targeted merger consideration of \$22.00 represented a 31.3% premium over the closing price on November 19, 2001, the last full trading day before the announcement of the merger.
- . The Dal-Tile board considered information concerning Dal-Tile's financial performance, financial condition, business operations and prospects, including Dal-Tile's recent revenue and earnings growth and its decreasing level of indebtedness. The board considered the possibility that continuing to operate Dal-Tile as an independent public company might not in the foreseeable future lead to a trading price for Dal-Tile common stock having a higher present value than the merger consideration.
- . The Dal-Tile board considered the terms and conditions of the merger and related agreements, including:
 - the amount and form of consideration to be received by Dal-Tile stockholders;
 - the voting agreements;
 - the restrictions relating to solicitation of third party proposals and the board's ability to consider and accept an unsolicited superior acquisition proposal;
 - the termination provisions, including that Dal-Tile has no right to

terminate the merger agreement if the average trading price of Mohawk common stock decreases to a level at which there is no adjustment to the exchange ratio; and

- the size, nature and events that would trigger the payment of the \$45 million termination fee under the merger agreement, and the impact that the termination fee provision and the provisions limiting Dal-Tile from soliciting or encouraging alternative proposals could have on the likelihood that a third party would make a competing offer to acquire Dal-Tile.
- . The Dal-Tile board considered the financial condition, cash flows and results of operations of Mohawk, on both a historical and prospective basis, and the historical market prices and trading information with respect to Mohawk common stock.
- . The Dal-Tile board considered the terms of the binding commitment letter received by Mohawk to finance a portion of the cash merger consideration.
- . The Dal-Tile board considered the consents and approvals required to consummate the merger, including regulatory clearance under the HSR Act and foreign competition laws, and the prospects for receiving those consents and approvals.
- . The Dal-Tile board considered that Dal-Tile stockholders would benefit from the combined company's ability to take advantage of various synergies to increase revenues and cash flow of the combined company, including selling Dal-Tile products through the Mohawk distribution system, using Mohawk's transportation system to deliver Dal-Tile products, combining warehouses, systems and back room operations, and leveraging customer relationships across the carpet and ceramic tile industries.

28

- . The Dal-Tile board considered the financial presentation of Credit Suisse First Boston to the Dal-Tile board, including its opinion as to the fairness, from a financial point of view, of the merger consideration to be received by the holders of Dal-Tile common stock, as described below under the caption "The Merger--Opinion of Dal-Tile's Financial Advisor."

The Dal-Tile board also considered, among other factors:

- . the risk that benefits sought in the merger would not be obtained;
- . the risk that the merger would not be completed;
- . the nature and extent of the interests of Dal-Tile executive management and certain stockholders in the transaction that were different from or in addition to the interests of the stockholders in general;
- . the effect of the public announcement of the merger on Dal-Tile's customer relations, operating results and ability to retain employees, and the trading price of Dal-Tile common stock;
- . the substantial management time and effort that will be required to consummate the merger and integrate the operations of the two companies; and
- . other risks described in this joint proxy statement-prospectus under "Risk Factors."

In the judgment of the Dal-Tile board of directors, the potential benefits of the merger substantially outweighed the risks inherent in the merger.

In its deliberations with respect to the merger and the merger agreement, the Dal-Tile board consulted with Dal-Tile's management and the financial, legal and accounting advisors to Dal-Tile. The foregoing discussion of factors considered by the Dal-Tile board is not exhaustive, but Dal-Tile believes it includes the material factors considered by the Dal-Tile board. The Dal-Tile board did not quantify or otherwise attempt to assign relative weights to the specific factors the Dal-Tile board considered in reaching its determination to

recommend the merger. Rather, the Dal-Tile board viewed its position and recommendation as being based on the total information presented to and considered by the Dal-Tile board.

Opinion of Mohawk's Financial Advisor

Mohawk retained First Union Securities, Inc., trading under the name Wachovia Securities ("Wachovia Securities"), to act as its financial advisor in connection with the merger. On November 19, 2001, Mohawk's board of directors held a meeting, in which Wachovia Securities participated, to evaluate the proposed merger. At that meeting, Wachovia Securities rendered its oral opinion that, as of that date and based upon and subject to factors and assumptions set forth in its opinion, the merger consideration to be paid together with the stock option and cash payments to be made to holders of outstanding Dal-Tile options by Mohawk pursuant to the merger agreement was fair, from a financial point of view, to Mohawk. This opinion was subsequently confirmed in writing. In determining the value of the merger consideration for purposes of its analysis, Wachovia Securities assumed that each outstanding share of Dal-Tile common stock (other than certain excluded shares specified in the merger agreement) would be converted into the right to receive from Mohawk (i) a cash payment in the amount of \$11.00 (less any required withholding of taxes) and (ii) (A) .2213 of a share of Mohawk common stock if the average closing price is greater than \$54.67 per share; or (B) that fraction of a share of Mohawk common stock equal to the quotient obtained by dividing \$12.10 by the average closing price, if the average closing price is greater than \$50.12 and less than or equal to \$54.67; or (C) .2414 of a share of Mohawk common stock, if the average closing price is equal to or greater than \$41.00 per share and less than or equal to \$50.12 per share; or (D) that fraction of a share of Mohawk common stock equal to the quotient obtained by dividing \$9.90 by the average closing price, if the average closing price is less than \$41.00 and greater than or equal to \$36.45; or (E) .2716 of a share of Mohawk common stock if the average closing price is less than \$36.45 per share.

The full text of Wachovia Securities' opinion, which describes, among other things, the assumptions made, matters considered, and qualifications and limitations on the review undertaken by Wachovia Securities, is attached as Annex D to this joint proxy statement-prospectus and is incorporated in this joint proxy statement-prospectus by reference. Wachovia Securities' opinion is directed to the Mohawk board of directors and addresses only the fairness to Mohawk, from a financial point of view, of the merger consideration to be paid

29

together with the stock option and cash payments to be made to holders of outstanding Dal-Tile options by Mohawk pursuant to the merger agreement. The opinion does not address any other aspect of the merger or any related transaction, nor does it constitute a recommendation to any stockholder as to how to vote on the issuance of shares in the merger or any other matter related thereto. Mohawk stockholders are urged to, and should, read Wachovia Securities' opinion carefully and in its entirety.

In arriving at its opinion, Wachovia Securities, among other things:

- . reviewed the merger agreement, including the financial terms of the merger;
- . reviewed certain business, financial and other information regarding Mohawk and Dal-Tile that was publicly available;
- . reviewed certain business, financial and other information regarding Mohawk and its prospects that was furnished to Wachovia Securities by, and that Wachovia Securities discussed with, management of Mohawk;
- . reviewed certain business, financial and other information regarding Dal-Tile and its prospects that was furnished to Wachovia Securities by, and that Wachovia Securities discussed with, management of Dal-Tile;
- . reviewed the current and historical market prices of Mohawk common stock and Dal-Tile common stock;
- . compared the publicly available business, financial and other information regarding Mohawk and Dal-Tile with similar information regarding certain other publicly traded companies that Wachovia

Securities' deemed to be relevant;

- . compared the proposed financial terms of the merger with the financial terms of certain other business combinations and transactions that Wachovia Securities deemed to be relevant;
- . developed discounted cash flow models of Mohawk and Dal-Tile;
- . reviewed the potential pro forma impact of the merger on Mohawk's financials;
- . analyzed the premiums paid for certain other business combinations and transactions that Wachovia Securities deemed to be relevant; and
- . considered other information such as financial studies, analyses and investigations, as well as financial, economic and market criteria that Wachovia Securities deemed to be relevant.

In rendering its opinion, Wachovia Securities assumed and relied, without independent verification, upon the accuracy and completeness of all financial and other information and data publicly available or furnished to, or otherwise reviewed or discussed with, it. With respect to financial forecasts, Wachovia Securities relied on publicly available forecasts and estimates prepared by Wachovia Securities and other investment banking firms and discussed such forecasts and estimates, as well as the assumptions upon which they are based, with management of Mohawk or Dal-Tile, as the case may be. Wachovia Securities assumed that the estimates and judgments expressed by management of Mohawk or Dal-Tile in such discussions had been reasonably formulated and that they were the best available estimates and judgments of management of Mohawk or Dal-Tile at that time regarding such publicly available forecasts and estimates. Wachovia Securities assumes no responsibility for and expressed no view as to any such publicly available forecasts or estimates or the assumptions upon which they were based. In arriving at its opinion, Wachovia Securities did not incorporate any conclusions resulting from its limited inspection of certain Dal-Tile facilities and did not make and was not provided with any evaluations or appraisals of the assets or liabilities of Mohawk or Dal-Tile.

For purposes of rendering its opinion, Wachovia Securities assumed that the merger will be consummated on the terms described in the merger agreement, without waiver of any material terms or conditions, and that in the course of obtaining any necessary legal, regulatory or third party consents and/or approvals, no restrictions will be imposed that will have a material adverse effect on the merger or other actions contemplated by the merger agreement. Wachovia Securities' opinion was based upon economic, market, financial and other conditions and the information made available to Wachovia Securities as of the date of its opinion. Although developments subsequent to the date of Wachovia Securities' opinion may affect its opinion, Wachovia Securities does not have any obligation to update, revise or reaffirm its opinion.

30

Wachovia Securities' opinion does not address the merits of the underlying decision by Mohawk to enter into the merger agreement nor does it address the relative merits of the merger compared with other business strategies that may have been considered by Mohawk's management and/or board of directors. Wachovia Securities did not consider, nor did it express any opinion with respect to, the prices at which Mohawk common stock or Dal-Tile common stock will trade following the announcement of the merger or the price at which Mohawk common stock will trade following the consummation of the merger.

The consideration to be received by the Dal-Tile stockholders in the merger was determined by arms-length negotiations between Dal-Tile and Mohawk. Wachovia Securities did not participate in those negotiations.

Analyses of Wachovia Securities

In performing its analyses, Wachovia Securities made numerous assumptions with respect to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of Wachovia Securities, Mohawk and Dal-Tile. Any estimates contained in the analyses performed by Wachovia Securities are not necessarily indicative of actual values or future results, which may be significantly more or less favorable than suggested by these analyses. Additionally, estimates of the

value of businesses or securities do not purport to be appraisals or to reflect the prices at which those businesses or securities might actually be sold. Accordingly, these analyses and estimates are inherently subject to substantial uncertainty. The Wachovia Securities opinion was among several factors taken into consideration by Mohawk's board of directors in making its determination to enter into the merger agreement. In addition, Mohawk's board of directors did not rely on any single analysis in making its determination. Consequently, the analyses described below should not be viewed as determinative of the decision of Mohawk's board or management with respect to the merger or the merger consideration.

The summary that follows is not a complete description of the analyses underlying the Wachovia Securities opinion or the presentation made by Wachovia Securities to Mohawk's board of directors but summarizes the material analyses performed and presented in connection with its opinion. The preparation of a fairness opinion is a complex analytic process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. Therefore, a fairness opinion is not readily susceptible to partial analysis or summary description.

In arriving at its opinion, Wachovia Securities did not attribute any particular weight to any analysis or factor that it considered, but rather made qualitative judgements as to the significance and relevance of each analysis and factor. The financial analyses summarized below include information presented in tabular format. Accordingly, Wachovia Securities believes that its analyses and the summary of its analyses must be considered as a whole and that selecting portions of its analyses and factors or focusing on the information presented below in tabular format, without considering all analyses and factors or the full narrative description of the financial analysis, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of the process underlying its analyses and opinion. The tables alone do not constitute a complete description of the financial analyses.

Comparable Companies Trading Multiples Comparison. Wachovia Securities compared financial, operating and stock market data of Mohawk, Dal-Tile and the following five publicly traded companies in the home furnishings industry:

- The Dixie Group, Inc.
- Furniture Brands International, Inc.
- Interface, Inc.
- La-Z-Boy, Inc.
- Masco Corporation

For each of the comparable companies, Wachovia Securities calculated, among other things, the multiples, based on closing stock prices on November 16, 2001, of:

- Adjusted market value to revenue for the company's most recently reported preceding 12 months ("LTM");
- Adjusted market value to LTM earnings before interest, taxes, depreciation and amortization ("EBITDA");
- Adjusted market value to LTM earnings before interest and taxes ("EBIT"); and
- Equity market value to LTM net income.

The multiples for the median multiples for the selected comparable companies were as follows:

Valuation Metric	Median Multiple
-----	-----
Adjusted market value to revenue.	0.7x
Adjusted market value to EBITDA..	9.5x
Adjusted market value to EBIT....	11.7x
Equity market value to net income	24.6x

Based on the foregoing median multiples, Wachovia Securities determined a reference range for an implied value per Mohawk common share of \$31.78 to \$77.12 with a median of \$57.86, and an implied value per Dal-Tile common share of \$6.83 to \$33.89 with a median of \$23.15. To calculate the trading multiples utilized in the analysis of selected comparable publicly traded companies, Wachovia Securities used publicly available information concerning the historical financial performance of Mohawk, Dal-Tile and the comparable companies.

With regard to the comparable public company analysis summarized above, Wachovia Securities selected comparable public companies on the basis of various factors, including the size of the public company and the similarity of the lines of business. No public company used as a comparison, however, is identical to Mohawk or Dal-Tile. Accordingly, these analyses are not purely mathematical, but also involve complex considerations and judgments concerning the differences in financial and operating characteristics of the comparable companies and other factors. These considerations and judgments include, but are not limited to, analyses of relative revenue size, gross margins, EBITDA margins, EBIT margins, historical growth rates, leverage ratios, book values, product offerings, distribution channels and equity research coverage. These factors could affect the public trading value of the comparable companies to which Mohawk and Dal-Tile are being compared.

Comparable Transactions Analysis. Using publicly available information, Wachovia Securities considered selected transactions in the home furnishings industry that Wachovia Securities deemed to be relevant. Using publicly available information, Wachovia Securities considered selected transactions in the home furnishings industry. The criteria for selecting these transactions were based on length of time since the closing date, the product offerings of the target companies, size of the transaction, and the ability to obtain complete financial information. Specifically, Wachovia Securities reviewed the following transactions that it deemed to be comparable:

Acquiror -----	Target -----
Berkshire Hathaway, Inc.	Shaw Industries, Inc.
The Dixie Group, Inc.	Fabrica International, Inc.
La-Z-Boy Furniture, Inc.	LADD Furniture, Inc.
Illinois Tool Works, Inc.	Premark International, Inc.
Warburg Pincus & Co., LLC	Knoll, Inc.
Collins & Aikman Floorcoverings	Monterey Carpets
Mohawk Industries, Inc.	World Carpets, Inc.
Shaw Industries, Inc.	Queen Carpet Corporation
Armstrong World Industries, Inc.	Triangle Pacific Corporation

Using publicly available information concerning each of the target companies, Wachovia Securities calculated, based on historical financial information for the latest reported twelve months immediately preceding the announcement of each of the respective transactions, the following median multiples.

Valuation Metric -----	Median Multiple -----
Adjusted market value to revenue.	0.9x
Adjusted market value to EBITDA..	7.0x
Adjusted market value to EBIT....	9.7x
Equity market value to net income	13.3x

Based on the foregoing, Wachovia Securities determined a reference range for an implied value per Mohawk common share of \$41.14 to \$48.07 with a median of \$43.46, and an implied value per Dal-Tile common share of \$11.33 to \$18.67 with a median of \$16.94. No company utilized in the selected comparable

transaction analysis is identical to Mohawk or Dal-Tile, nor is any transaction identical to the contemplated merger. Therefore, a purely quantitative comparable transaction analysis would not be dispositive in the context of this merger and an appropriate use of such analysis involves qualitative judgments concerning the differences between the characteristics of these transactions and the merger of Mohawk and Dal-Tile that would affect the value of the target companies and of Mohawk and Dal-Tile. Such qualitative judgments are reflected in the Wachovia Securities opinion.

Discounted Cash Flow Analysis. Wachovia Securities performed a discounted cash flow analysis to estimate a range of present values per share of Mohawk common stock and Dal-Tile common stock, respectively, assuming each such company continued to operate as a stand-alone entity. Wachovia Securities determined the range of present values of each company by calculating the sum of (i) the present value of projected free cash flows of each company over the five year period 2002 through 2006, and (ii) the present value of the estimated terminal value of each company in year 2006. In calculating a terminal value for each company, Wachovia Securities applied multiples of that company's projected 2006 EBITDA ranging from 7.5x to 9.5x. This range of multiples represented the current public market values of Mohawk, Dal-Tile, and the selected comparable public companies. The projected free cash flows and EBITDA of Mohawk and Dal-Tile used by Wachovia Securities in its analysis was derived from publicly available forecasts and estimates prepared by Wachovia Securities and other investment banking firms and discussions of such forecasts and estimates, as well as the assumptions upon which they were based, with management of Mohawk or Dal-Tile, as the case may be. The free cash flows and terminal value for each company were discounted to present value using discount rates ranging from 9.88% to 11.88%. Wachovia Securities viewed this range of discount rates as appropriate for companies with the risk characteristics of Mohawk and Dal-Tile.

Based on the foregoing, Wachovia Securities determined a reference range for an implied value per Mohawk common share of \$44.74 to \$60.40, and an implied value per Dal-Tile common share of \$19.56 to \$27.02. The discounted cash flow analyses of Mohawk and Dal-Tile do not necessarily indicate actual values or actual future results and do not purport to reflect the prices at which any securities may trade at the present or at any time in the future. The range of discount rates applied to Mohawk and Dal-Tile referred to in the above paragraphs were based on several factors, including Wachovia Securities' knowledge of each of Mohawk and Dal-Tile and the industry in which they operate, the business risk of each company, and the overall interest rate environment as of November 19, 2001. Discounted cash flow analysis is a widely used valuation methodology, but the results of this methodology are highly dependent on the numerous assumptions that must be made, including earnings growth rates, terminal values, and discount rates.

Leveraged Buyout Analysis. Using the same financial projections employed in its discounted cash flow analyses described above, Wachovia Securities performed leveraged buyout analyses for Mohawk and Dal-Tile, respectively. In both such analyses, Wachovia Securities assumed that a financial sponsor investing in Mohawk or Dal-Tile would expect a 25% annual internal rate of return for five years on its invested equity and that a subordinated debt holder would expect a 10% annual internal rate of return for five years on its investment. Wachovia Securities also assumed that the leveraged buyout of Mohawk or Dal-Tile could be financed with senior debt (at a 7% interest rate) and subordinated debt of 2.5x and 1.5x the LTM EBITDA of each such company, respectively.

Based on the foregoing, Wachovia Securities determined an implied value per Mohawk common share of \$31.27 (a plus-or-minus 15% reference range of \$35.96 to \$26.58), and an implied value per Dal-Tile common share of \$19.00 (a plus-or-minus 15% reference range of \$21.85 to \$16.15). The leveraged buyout analyses of Mohawk and Dal-Tile do not necessarily indicate actual values or actual future results and do not purport to reflect the prices at which any securities may trade at the present or at any time in the future. The expected annual internal rates of return and leverage ratios referred to in the above paragraph were based on several factors, including Wachovia Securities' knowledge of each of Mohawk and Dal-Tile and the industry in which they operate, the business risk of each company, and the overall lending and private equity markets as of November 19, 2001. The results of this methodology are highly dependent on the numerous assumptions that must be made, including earnings growth rates, expected internal rates of return, and leverage ratios.

Premiums Paid Analysis. Wachovia Securities prepared its premiums paid

analysis by multiplying Dal-Tile's historical closing stock price by the median premium paid in all 109 transactions involving U.S.

targets announced between January 1, 2000 and November 16, 2001 with enterprise values between \$1 billion and \$5 billion. For Dal-Tile and each of the 109 U.S. targets, Wachovia Securities determined the premium paid by comparing the merger consideration offered to Dal-Tile and each of the 109 U.S. targets with the closing stock price of each such company one day, one week, and four weeks prior to the announcement date of each transaction, respectively. For purposes of its premiums paid analysis, Wachovia Securities assumed that the merger would be announced on November 19, 2001.

Premium to:	Median
-----	-----
One Day Prior to Announcement...	27.1%
One Week Prior to Announcement..	31.7%
Four Weeks Prior to Announcement	41.3%

Based on the foregoing, Wachovia Securities determined a reference range for an implied value per Dal-Tile common share of \$21.48 to \$22.70. No target company utilized in the premiums paid analysis is identical to Dal-Tile, nor is any transaction identical to the contemplated merger. Therefore, a purely quantitative premiums paid analysis would not be dispositive in the context of this merger and an appropriate use of such analysis involves qualitative judgments concerning the differences between the characteristics of these transactions and the merger of Mohawk and Dal-Tile that would affect the value of the target companies and of Mohawk and Dal-Tile. Such qualitative judgments are reflected in the Wachovia Securities opinion.

Pro Forma Financial Impact. Based on the exchange ratio proposed as part of the merger consideration, Wachovia Securities analyzed the pro forma financial impact of the merger on Mohawk's GAAP earnings per share. For purposes of this analysis, Wachovia Securities assumed the effectiveness of certain anticipated modifications to GAAP that are expected to take effect at the end of 2001. The anticipated modifications to GAAP assume that all new and existing goodwill will cease being amortized and instead be reviewed for impairment when an event or series of events occur indicating that goodwill might be impaired. Wachovia Securities also analyzed the pro forma financial impact of the merger on EBITDA per share, cash earnings per share, EBIT to interest expense coverage ratios, and net debt to total capitalization ratios.

This analysis was based on the projected financial performance of Mohawk and Dal-Tile for 2001 and 2002 and was derived from publicly available forecasts and estimates prepared by Wachovia Securities and other investment banking firms and discussions of such forecasts and estimates, as well as the assumptions upon which they were based, with management of Mohawk or Dal-Tile, as the case may be. Wachovia Securities also based its analysis on discussions with management of Mohawk and Dal-Tile regarding their assumptions relating to the estimated fair market value purchase accounting adjustments to the tangible and intangible assets of Dal-Tile and the goodwill they expected to result from the merger. While Wachovia Securities assumed the merger would not result in any synergies, Wachovia Securities also prepared an analysis of the pro forma financial impact of the merger on Mohawk's GAAP earnings per share assuming the full possible range of exchange ratios set forth in the proposed merger consideration and assuming estimated synergies ranging from \$0 to \$50 million per year. Based on the foregoing, Wachovia Securities determined that the merger would be accretive to Mohawk's pro forma projected 2001 and 2002 financial results under each of the contemplated scenarios.

Miscellaneous

Mohawk retained Wachovia Securities based upon its experience and expertise. Wachovia Securities is a nationally recognized investment banking and advisory firm. As part of its investment banking business, Wachovia Securities is regularly engaged in the valuation of businesses and securities in connection with mergers, acquisitions, tender offers, divestitures, leveraged buyouts, negotiated underwritings, secondary distributions of listed and unlisted

securities, and private placements.

Wachovia Securities is a trade name of First Union Securities, Inc., an investment banking subsidiary and affiliate of Wachovia Corporation. In the ordinary course of its business, Wachovia Securities or one of its affiliates may actively trade or hold the securities of Mohawk or Dal-Tile for its own account and/or the accounts of its customers and, accordingly, may at any time hold a long or short position in such securities. Wachovia Securities does not hold any of these shares as principal, which means that the voting and disposition power generally is held by the retail owner of the shares. In addition, Wachovia Securities and its affiliates (including

34

Wachovia Corporation and its affiliates) currently have certain relationships with Mohawk and Dal-Tile, including a \$75 million commitment as a lender under and Co-Documentation Agent for Dal-Tile's \$400 million syndicated credit facility. An affiliate of Wachovia Securities, together with two other financial institutions, has entered into a commitment letter with Mohawk with respect to financing the merger. These financial institutions have agreed, on the terms and subject to conditions in the commitment letter, to provide to Mohawk a 364-day term loan facility of up to \$700 million. See "--Financing."

Pursuant to a letter agreement between Mohawk and Wachovia Securities dated November 16, 2001, Mohawk agreed to pay, and subsequently did pay, Wachovia Securities customary fees for its financial advisory services in rendering its opinion. Mohawk also agreed, among other things, to reimburse Wachovia Securities for certain expenses incurred in connection with the services provided by Wachovia Securities, and to indemnify Wachovia Securities and its affiliates from and against certain liabilities and expenses, which may include certain liabilities under the federal securities laws, in connection with its engagement. During the past two years, Wachovia Securities and its affiliates have received total fees of \$3.5 million from Mohawk related to the following services, including rendering the fairness opinion on the merger: capital management, securitization programs, treasury services, trust services, M&A advisory services and bridge financing.

Opinion of Dal-Tile's Financial Advisor

Credit Suisse First Boston has acted as Dal-Tile's exclusive financial advisor in connection with the merger. Dal-Tile selected Credit Suisse First Boston based on Credit Suisse First Boston's experience, expertise and reputation, and its familiarity with Dal-Tile and its business. Credit Suisse First Boston is an internationally recognized investment banking firm and is regularly engaged in the valuation of businesses and securities in connection with mergers and acquisitions, leveraged buyouts, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and valuations for corporate and other purposes.

In connection with Credit Suisse First Boston's engagement, Dal-Tile requested that Credit Suisse First Boston evaluate the fairness, from a financial point of view, to the holders of Dal-Tile common stock of the merger consideration provided for in the merger. On November 19, 2001, at a meeting of the Dal-Tile board of directors held to evaluate the merger, Credit Suisse First Boston rendered to the Dal-Tile board of directors an oral opinion, which opinion was confirmed by delivery of a written opinion dated November 19, 2001, to the effect that, as of that date and based on and subject to the matters described in its opinion, the merger consideration was fair, from a financial point of view, to the holders of Dal-Tile common stock.

The full text of Credit Suisse First Boston's written opinion, dated November 19, 2001, to the Dal-Tile board of directors, which sets forth the procedures followed, assumptions made, matters considered and limitations on the review undertaken, is attached as Annex E and is incorporated into this joint proxy statement-prospectus by reference. Holders of Dal-Tile common stock are encouraged to read this opinion carefully and in its entirety. Credit Suisse First Boston's opinion is addressed to the Dal-Tile board of directors and relates only to the fairness, from a financial point of view, of the merger consideration, does not address any other aspect of the proposed merger or any related transaction and does not constitute a recommendation to any stockholder as to any matter relating to the merger. The summary of Credit Suisse First Boston's opinion in this joint proxy statement-prospectus is qualified in its entirety by reference to the full text of the opinion.

In arriving at its opinion, Credit Suisse First Boston reviewed the merger agreement and related documents, as well as publicly available business and financial information relating to Dal-Tile and Mohawk. Credit Suisse First Boston also reviewed other information relating to Dal-Tile and Mohawk provided to or discussed with Credit Suisse First Boston by Dal-Tile and Mohawk, including publicly available financial forecasts relating to Dal-Tile and Mohawk, and met with the managements of Dal-Tile and Mohawk to discuss the businesses and prospects of Dal-Tile and Mohawk. Credit Suisse First Boston considered financial and stock market data of

35

Dal-Tile and Mohawk, and compared those data with similar data for other publicly held companies in businesses similar to Dal-Tile and Mohawk, and considered, to the extent publicly available, the financial terms of other business combinations and other transactions announced or effected. Credit Suisse First Boston also considered other information, financial studies, analyses and investigations and financial, economic and market criteria that it deemed relevant.

In connection with its review, Credit Suisse First Boston did not assume any responsibility for independent verification of any of the information that it reviewed or considered and relied on that information being complete and accurate in all material respects. With respect to the publicly available financial forecasts relating to Dal-Tile and Mohawk, Credit Suisse First Boston reviewed and discussed the forecasts with the managements of Dal-Tile and Mohawk, including adjustments to the forecasts, and was advised, and assumed, that the forecasts, including the adjustments, represented reasonable estimates and judgments as to the future financial performance of Dal-Tile and Mohawk. In addition, Credit Suisse First Boston assumed, with Dal-Tile's consent, that in the course of obtaining the necessary regulatory and third party approvals and consents for the proposed merger, no modification, condition, restriction, limitation or delay would be imposed that would have a material adverse effect on Dal-Tile or Mohawk or the contemplated benefits of the proposed merger. Credit Suisse First Boston was not requested to, and did not, make an independent evaluation or appraisal of the assets or liabilities, contingent or otherwise, of Dal-Tile or Mohawk, and Credit Suisse First Boston was not furnished with any evaluations or appraisals.

Credit Suisse First Boston's opinion was necessarily based on information available to it, and financial, economic, market and other conditions as they existed and could be evaluated, on the date of Credit Suisse First Boston's opinion. Credit Suisse First Boston did not express any opinion as to what the value of Mohawk common stock actually would be when issued in the merger or the prices at which Mohawk common stock would trade at any time after the merger. Although Credit Suisse First Boston evaluated the merger consideration from a financial point of view, Credit Suisse First Boston was not requested to, and did not, recommend the specific consideration payable in the merger, which consideration was determined between Dal-Tile and Mohawk. In connection with its engagement, Credit Suisse First Boston was not requested to, and did not, solicit third party indications of interest in the possible acquisition of all or a part of Dal-Tile. Credit Suisse First Boston's opinion did not address the relative merits of the merger as compared to other business strategies that might have been available to Dal-Tile, and also did not address the underlying business decision of Dal-Tile to proceed with the merger. Except as described above, Dal-Tile imposed no other limitations on Credit Suisse First Boston with respect to the investigations made or procedures followed in rendering its opinion.

In preparing its opinion to the Dal-Tile board of directors, Credit Suisse First Boston performed a variety of financial and comparative analyses, including those described below. The summary of Credit Suisse First Boston's analyses described below is not a complete description of the analyses underlying its opinion. The preparation of a fairness opinion is a complex process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, a fairness opinion is not readily susceptible to partial analysis or summary description. In arriving at its opinion, Credit Suisse First Boston made qualitative judgments as to the significance and relevance of each analysis and factor that it considered. Accordingly, Credit Suisse First Boston believes that its analyses must be considered as a whole and that selecting portions of its analyses and factors

or focusing on information presented in tabular format, without considering all analyses and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying its analyses and opinion.

In its analyses, Credit Suisse First Boston considered industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of Dal-Tile and Mohawk. No company, transaction or business used in Credit Suisse First Boston's analyses as a comparison is identical to Dal-Tile, Mohawk or the proposed merger, and an evaluation of the results of those analyses is not entirely mathematical. Rather, the analyses involve complex considerations and judgments concerning financial

36

and operating characteristics and other factors that could affect the acquisition, public trading or other values of the companies, business segments or transactions analyzed. The estimates contained in Credit Suisse First Boston's analyses and the ranges of valuations resulting from any particular analysis are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than those suggested by the analyses. In addition, analyses relating to the value of businesses or securities do not purport to be appraisals or to reflect the prices at which businesses or securities actually may be sold. Accordingly, Credit Suisse First Boston's analyses and estimates are inherently subject to substantial uncertainty.

Credit Suisse First Boston's opinion and financial analyses were only one of many factors considered by the Dal-Tile board of directors in its evaluation of the proposed merger and should not be viewed as determinative of the views of the Dal-Tile board of directors or management with respect to the merger or the merger consideration.

The following is a summary of the material financial analyses underlying Credit Suisse First Boston's opinion dated November 19, 2001 delivered to the Dal-Tile board of directors in connection with the merger. The financial analyses summarized below include information presented in tabular format. In order to fully understand Credit Suisse First Boston's financial analyses, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Considering the data in the tables below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of Credit Suisse First Boston's financial analyses.

Introduction

Credit Suisse First Boston performed a "Discounted Cash Flow Analysis," "Comparable Companies Analysis" and "Comparable Acquisitions Analysis" for Dal-Tile and a "Discounted Cash Flow Analysis," and "Comparable Companies Analysis" for Mohawk as described below. Based on the valuation methodologies for Dal-Tile, Credit Suisse First Boston derived the following aggregate implied per share equity reference ranges for Dal-Tile common stock, as compared to the merger consideration, assuming \$11.00 in cash consideration and stock consideration resulting from the exchange ratio of 0.2372 based on the closing price of Mohawk common stock on November 16, 2001 of \$51.02:

Dal-Tile

Discounted Cash Flow Analysis. Credit Suisse First Boston estimated the present value of the stand-alone, unlevered, after-tax free cash flows that Dal-Tile could generate for the fiscal years 2002 to 2006. Credit Suisse First Boston performed this analysis based on three scenarios, Dal-Tile base case, Dal-Tile alternate case I and Dal-Tile alternate case II. Dal-Tile base case was based on publicly available research analysts' estimates, as

37

adjusted by the management of Dal-Tile. Dal-Tile alternate case I included adjustments by Credit Suisse First Boston derived from Dal-Tile base case to reflect, among other things, the potential for increased revenue and profitability for Dal-Tile. Dal-Tile alternate case II included adjustments by the management of Dal-Tile to Dal-Tile base case to reflect, among other things, the potential for decreased revenue and profitability for Dal-Tile.

Credit Suisse First Boston calculated a range of estimated terminal values for Dal-Tile by applying selected EBITDA multiples ranging from 7.5x to 8.5x to Dal-Tile's estimated calendar year 2006 earnings before interest, taxes, depreciation and amortization, commonly referred to as EBITDA. The estimated free cash flows and terminal values were then discounted to present value using selected discount rates ranging from 10.0% to 11.0%.

This analysis indicated an aggregate implied equity reference range for Dal-Tile of approximately \$1,239 million to \$1,489 million, based on Dal-Tile base case, approximately \$1,389 million to \$1,639 million, based on Dal-Tile alternate case I, and approximately \$1,039 million to \$1,289 million, based on Dal-Tile alternate case II. Using these aggregate equity reference ranges, Credit Suisse First Boston then derived implied per share equity reference ranges for Dal-Tile common stock under the Dal-Tile base case, Dal-Tile alternate case I and Dal-Tile alternate case II. This analysis indicated the following implied per share equity reference range:

Implied Per Share Equity Reference Range	Implied Per Share Equity Reference Range	Implied Per Share Equity Reference Range
Dal-Tile Base Case	Dal-Tile Alternate Case I	Dal-Tile Alternate Case II

Dal-Tile Common Stock	\$20.00 - \$24.00	\$22.25 - \$26.25	\$16.75 - \$20.75

Credit Suisse First Boston compared enterprise values in the selected transactions as multiples of latest 12 months revenue, EBITDA and EBIT. Credit Suisse First Boston also compared equity values in the selected transactions as multiples of latest 12 months net income and book value. Credit Suisse First Boston then applied multiples derived from the selected transactions of latest 12 months revenue ranging from 0.9x to 1.3x, EBITDA ranging from 8.0x to 10.0x, EBIT ranging from 10.5x to 12.5x and net income ranging from 16.0x to 20.0x to corresponding financial data of Dal-Tile. All multiples for the selected transactions were based on publicly available information at the time of announcement of the relevant transaction. Historical financial data for Dal-Tile were based on publicly available filings of Dal-Tile. This analysis indicated an aggregate implied equity reference range for Dal-Tile of approximately \$1,139 million to \$1,539 million. Using this aggregate equity

reference range, Credit Suisse First Boston then derived implied per share equity reference ranges for Dal-Tile common stock. This analysis indicated the following implied per share equity reference range:

Implied Per

Dal-Tile Common Stock \$18.25 - \$24.75

Discounted Cash Flow Analysis. Credit Suisse First Boston estimated the present value of the stand-alone, unlevered, after-tax free cash flows that Mohawk could generate for the fiscal years 2002 to 2006. Credit Suisse First Boston performed this analysis based on two scenarios, Mohawk base case and Mohawk alternate case. Mohawk base case was based on publicly available research analysts' estimates provided to or discussed with Mohawk's management. Mohawk alternate case included adjustments to Mohawk base case to reflect, among other things, the potential for decreased revenue and profitability for Mohawk.

Credit Suisse First Boston calculated a range of estimated terminal values for Mohawk by applying selected EBITDA multiples ranging from 7.0x to 8.0x to Mohawk's estimated calendar year 2006 EBITDA. The estimated free cash flows and terminal values were then discounted to present value using selected discount rates ranging from 10.0% to 11.0%.

This analysis indicated an aggregate implied equity reference range for Mohawk of approximately \$2,742 million to \$3,242 million, based on Mohawk base case, and approximately \$2,142 million to \$2,542 million, based on Mohawk alternate case. Using these aggregate equity reference ranges, Credit Suisse First Boston then derived implied per share equity reference ranges for Mohawk common stock under both Mohawk base case and the Mohawk alternate case. This analysis indicated the following implied per share equity reference range:

	Implied Per Share Equity Reference Range Mohawk Base Case -----	Implied Per Share Equity Reference Range Mohawk Alternate Case -----
Mohawk Common Stock.....	\$51.00 - \$60.25	\$39.75 - \$47.25

Comparable Companies Analysis. Credit Suisse First Boston compared financial, operating and stock market data of Mohawk to corresponding data for the 12 publicly traded companies, excluding Mohawk, described above under the caption "Dal-Tile--Comparable Companies Analysis," which operate in markets and have businesses and product offerings similar to those of Mohawk. Credit Suisse First Boston reviewed enterprise values as multiples of the latest 12 months and estimated calendar year 2001 revenue, EBITDA and EBIT. Credit Suisse First Boston also reviewed equity values as multiples of estimated calendar years 2001 and 2002 net income. Credit Suisse First Boston then applied a range of selected multiples derived from the selected companies' estimated calendar year 2001 revenue, EBITDA, EBIT and net income and estimated calendar year 2002 net income to corresponding financial data of Mohawk. All multiples were based on closing stock prices on November 16, 2001. Estimated financial data for Mohawk and the selected companies were based on publicly available research analysts' estimates. This analysis indicated an aggregate implied equity reference range for Mohawk of approximately \$2,342 million to \$2,842 million. Using this aggregate equity reference range, Credit Suisse First Boston then derived implied per share equity reference ranges for Mohawk common stock. This analysis indicated the following implied per share equity reference range:

	Implied Per Share Equity Reference Range -----
Mohawk Common Stock.....	\$44.00 - \$53.25

Other Factors. In the course of preparing its opinion, Credit Suisse First Boston also reviewed and considered other information and data, including:

- . the pro forma effect of the merger on Mohawk's estimated earnings per share, assuming no synergies or one-time charges relating to the merger or amortization of goodwill, for calendar years 2001 and 2002;
- . the credit ratings and selected credit statistics for Dal-Tile and Mohawk as compared to the corresponding data for selected investment grade and high yield comparable companies in the flooring products and other building products industries; and
- . historical price performance and trading characteristics of Mohawk common stock.

Miscellaneous. Dal-Tile has agreed to pay Credit Suisse First Boston for its financial advisory services, upon completion of the merger, an aggregate fee equal to 0.45% of the total consideration, including the assumption of outstanding debt, payable in connection with the merger. Dal-Tile also has agreed to reimburse Credit Suisse First Boston for its reasonable out-of-pocket expenses, including reasonable fees and expenses of legal counsel and any other advisor retained by Credit Suisse First Boston, and to indemnify Credit Suisse First Boston and related parties against liabilities, including liabilities under the federal securities laws, arising out of its engagement.

Credit Suisse First Boston acted as lead manager in connection with Dal-Tile's secondary equity offering in May 2001, for which it received underwriting fees of approximately \$4.3 million and also participated in, and is currently participating in, a bank credit facility to Dal-Tile, for which Credit Suisse First Boston has received aggregate fees of approximately \$545,000 since December 1999. Credit Suisse First Boston and its affiliates in the past have provided financial services to Mohawk unrelated to the proposed merger, for which services Credit Suisse First Boston and its affiliates have received compensation. In the ordinary course of business, Credit Suisse First Boston and its affiliates may actively trade the securities of Dal-Tile and Mohawk for their own accounts and for the accounts of customers and, accordingly, may at any time hold long or short positions in those securities.

Completion of the Merger

Subject to the conditions to the obligations of the parties to effect the

merger, the merger will be completed on the date and at the time specified in the certificate of merger to be filed with the Secretary of State of the State of Delaware. Unless Mohawk and Dal-Tile agree otherwise, they will use reasonable efforts to complete the merger on the first business day after the last to occur of:

- . the effective date of the last required consent of any regulatory authority having authority over the merger; and
- . the date or dates on which both the stockholders of Dal-Tile and Mohawk approve the merger agreement.

Mohawk and Dal-Tile anticipate that the merger will become effective on or about March 20, 2002. However, delays could occur. Mohawk and Dal-Tile cannot assure you that they will be able to obtain necessary stockholder and regulatory approvals for the merger or that they will be able to satisfy other conditions to completion of the merger. Either Dal-Tile or Mohawk may terminate the merger agreement if the merger is not completed by May 31, 2002, unless the merger has not been completed because of the breach of the merger agreement by the party seeking termination. This date will be extended to July 31, 2002, if the merger has not been consummated as a result of the failure of the parties to have received a material required consent of any regulatory authority, or if a court or governmental or other regulatory authority has enacted legislation or taken or threatened to take any other action which prohibits or would prohibit the consummation of the merger. See "--Conditions to Completion of the Merger" and "--Waiver, Amendment, and Termination."

41

Distribution of Mohawk Stock Certificates and Cash Payment

Promptly after the merger is completed, each Dal-Tile stockholder at the time of completion of the merger will be mailed a letter of transmittal and instructions for the exchange of the certificates representing shares of Dal-Tile common stock for certificates representing shares of Mohawk common stock and the cash payment.

You should not send in your certificates until you receive a letter of transmittal and instructions.

After you surrender to the exchange agent your certificates for Dal-Tile common stock with a properly completed letter of transmittal, the exchange agent will mail you a certificate or certificates representing the number of shares of Mohawk common stock to which you are entitled and a check for the cash payment and the cash amount to be paid in lieu of any fractional share, if any, without interest, together with all undelivered dividends or distributions in respect of the shares of Mohawk common stock, if any, without interest. Mohawk will not be obligated to deliver the merger consideration to you, as a former Dal-Tile stockholder, until you have surrendered your Dal-Tile common stock certificates.

Whenever a dividend or other distribution is declared by Mohawk on Mohawk common stock with a record date after the date on which the merger is completed, the declaration will include dividends or other distributions on all shares of Mohawk common stock that may be issued in the merger. However, Mohawk will not pay any dividend or other distribution that is payable after the completion of the merger to any former Dal-Tile stockholder who has not surrendered his or her Dal-Tile stock certificates until the holder surrenders the certificates. If any Dal-Tile stockholder's stock certificate has been lost, stolen, mislaid or destroyed, the exchange agent will issue the shares of Mohawk common stock, the cash payment and any cash in lieu of fractional shares upon the stockholder's submission of an affidavit claiming the certificate to be lost, stolen, mislaid or destroyed, the posting of a bond in such amount as Mohawk and the exchange agent may reasonably require as indemnity against any claim that may be made against Mohawk with respect to the certificate, and submission of any other documents necessary to effect the exchange of the shares represented by the certificate.

At the time the merger is completed, the stock transfer books of Dal-Tile will be closed to Dal-Tile stockholders and no transfer of shares of Dal-Tile common stock by any stockholder will thereafter be made or recognized. If certificates for shares of Dal-Tile common stock are presented for transfer after the merger is completed, they will be canceled and exchanged for shares

of Mohawk common stock, a check for the cash payment, the cash amount due in lieu of fractional shares, if any, and any undelivered dividends on the Mohawk common stock, if any.

Conditions to Completion of the Merger

Mohawk and Dal-Tile are required to complete the merger only after the satisfaction of various conditions. These conditions include:

- . the holders of a majority of the outstanding shares of Dal-Tile common stock must have approved the adoption of the merger agreement;
- . a majority of the votes cast by holders of Mohawk common stock at the Mohawk special meeting and entitled to vote must have approved the issuance of the shares of Mohawk common stock in the merger;
- . the waiting period under the HSR Act must have expired or been terminated and the parties must have received all other material required consents of any regulatory authority, and these consents must not be conditioned or restricted in a manner which Mohawk determines to be material to Mohawk or to the benefits of the merger;
- . there must not be any legislation enacted by a court or governmental or other regulatory authority or any other action taken or threatened to be taken by a court or governmental or other regulatory authority which prohibits the completion of the merger;

42

- . the registration statement, of which this joint proxy statement-prospectus is a part, must continue to be effective under the Securities Act, and all necessary approvals under state or federal securities laws must have been obtained;
- . the shares of Mohawk common stock to be issued in the merger and the shares of Mohawk common stock to be issued upon the exercise of Dal-Tile options being rolled over into Mohawk options in the merger must be approved for listing on the New York Stock Exchange, subject to official notice of issuance;
- . Mohawk and Dal-Tile must receive written opinions of their respective counsel as to the tax-free nature of the exchange of Dal-Tile common stock for shares of Mohawk common stock in the merger;
- . as of the date the merger is completed there must not be inaccuracies in the representations and warranties with respect to the capitalization of Dal-Tile and Mohawk contained in the merger agreement; there must not be material inaccuracies in other specified representations and warranties of Dal-Tile and Mohawk; and there must not be inaccuracies in the other representations and warranties of Dal-Tile and Mohawk contained in the merger agreement such that the aggregate effect of such inaccuracies (without regard to materiality or material adverse effect qualifiers) has, or is reasonably likely to have, a material adverse effect on such party;
- . Dal-Tile and Mohawk must have performed all agreements and complied with all covenants set forth in the merger agreement in all material respects;
- . there must not have been a material adverse effect, as defined in Section 11.1 of the merger agreement attached as Annex A hereto, on Mohawk or Dal-Tile that has occurred from the date of the merger agreement to the date the merger is completed and is continuing; and
- . other conditions must be satisfied, including the receipt of various certificates from the officers of Dal-Tile and Mohawk.

We cannot assure you as to when or if all of the conditions to the merger can or will be satisfied or waived by the party permitted to do so. If the merger is not effected on or before May 31, 2002, either Dal-Tile or Mohawk may terminate the merger agreement and abandon the merger, unless the merger has not been completed because of the breach of the merger agreement by the party seeking termination. This date will be extended to July 31, 2002, if the merger has not been consummated as a result of the failure of the parties to have

received a material required consent of any regulatory authority or if a court or governmental or other regulatory authority has enacted legislation or taken or threatened to take any other action which prohibits the consummation of the merger. See "--Waiver, Amendment, and Termination."

Regulatory Approval

Dal-Tile and Mohawk are not aware of any material governmental approvals or actions that are required to complete the merger, except as described below. Should any other approval or action be required, Mohawk and Dal-Tile have agreed that they will seek such approval or action.

Under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the related rules, the merger may not be completed until notifications have been given and certain information has been furnished to the Federal Trade Commission and the Antitrust Division of the Department of Justice and the applicable waiting period has expired or been terminated. Mohawk and Dal-Tile filed notification and report forms under the HSR Act with the FTC and the Antitrust Division on December 4, 2001. Mohawk and Dal-Tile received notice of the early termination of the statutory waiting period under the HSR Act on December 14, 2001. At any time before or after completion of the merger, the Antitrust Division or the FTC could take such action under the antitrust laws as it deems necessary or desirable in the public interest, including seeking to enjoin the completion of the merger or seeking divestiture of substantial assets of Mohawk or Dal-Tile. At any time before or after the

43

completion of the merger, and even after the expiration or termination of the waiting period under the HSR Act, any state could take such action under the antitrust laws as it deems necessary or desirable in the public interest. Such action could include seeking to enjoin the completion of the merger or seeking divestiture of substantial assets of Mohawk or Dal-Tile. Private parties may also seek to take legal action under the antitrust laws under certain circumstances.

Mohawk is also required to make a filing relating to the merger under the Mexican Federal Law of Economic Competition. Mohawk filed preliminary documentation with the Mexican Federal Competition Commission on December 17, 2001. There is no statutory waiting period, but the clearance procedure will take between 30 and 200 days. The merger may be completed at any time after filing, but the Mexican Federal Competition Commission could take action under these laws to order divestiture or otherwise enjoin the completion of the transaction prior to clearance.

Mohawk and Dal-Tile believe that the merger can be effected in compliance with the federal, state and foreign antitrust laws; however, there can be no assurance that a challenge to the completion of the merger on antitrust grounds will not be made or that, if such a challenge were made, Mohawk and Dal-Tile would prevail or would not be required to accept certain adverse conditions in order to complete the merger. Pursuant to the merger agreement, Mohawk is not required to divest any of its businesses, product lines or assets, or to take or agree to take any other action or agree to any limitation, that Mohawk reasonably determines to be material to it or to the benefits of the merger as a result of any governmental or regulatory approval.

Representations and Warranties

Mohawk and Dal-Tile have made customary representations and warranties relating to their businesses and the merger in the merger agreement, including representations and warranties relating to the following:

- . the proper organization of their companies and their subsidiaries and similar corporate matters;
- . the proper authorization, execution, delivery and performance of the merger agreement by the companies and the absence of conflicts with their organizational documents, other material agreements or laws due to executing the merger agreement;
- . their capital structure;
- . the accuracy of information in Securities and Exchange Commission

filings made by each company and the accuracy of the financial statements of each company and their compliance with generally accepted accounting principles;

- . the absence of undisclosed liabilities;
- . the absence of occurrences which have had material adverse effects, as defined in Section 11.1 of the merger agreement, on the companies;
- . the filing of required tax returns and payment of taxes by the companies;
- . the companies' intellectual property rights;
- . environmental matters affecting the companies;
- . compliance with laws by the companies;
- . Dal-Tile's relations with its employees;
- . Dal-Tile's employee benefit plans;
- . material contracts;
- . the absence of involvement in material litigation by the companies;
- . the accuracy of information provided by the companies for inclusion in this joint proxy statement-prospectus;

44

- . state takeover laws and board approval;
- . the identification of each company's financial advisor and the receipt of the financial advisor's opinion; and
- . recommendations of the boards of directors of the companies concerning the merger.

The merger agreement is attached as Annex A to this joint proxy statement-prospectus.

Conduct of Business Pending the Merger

Mohawk has agreed to use its reasonable efforts to take all actions necessary to consummate the merger as soon as reasonably practicable and not to take any action that would materially adversely affect any party's ability to obtain any consents required for the merger or materially adversely affect any party's ability to perform its covenants and agreements under the merger agreement. The merger agreement also obligates Mohawk to continue to conduct its business in a manner designed in its reasonable judgment to enhance the long-term value of Mohawk common stock and the business prospects of Mohawk before the merger is completed and imposes certain limitations on the operations of Mohawk and its subsidiaries. These items are contained in Article 7 of the merger agreement that is attached as Annex A to this joint proxy statement-prospectus.

Dal-Tile has agreed to use its reasonable efforts to take all actions necessary to consummate the merger as soon as reasonably practicable after the date of the merger agreement and not to take any action that would adversely affect any party's ability to obtain any consents required for the merger or adversely affect any party's ability to perform their covenants and agreements under the merger agreement. The merger agreement also obligates Dal-Tile to conduct its business only in the usual, regular, and ordinary course before the merger is completed and imposes certain limitations on the operations of Dal-Tile and its subsidiaries. These items are contained in Article 7 of the merger agreement that is attached as Annex A to this joint proxy statement-prospectus.

Waiver, Amendment, and Termination

To the extent permitted by law, Mohawk and Dal-Tile may agree in writing to amend the merger agreement, whether before or after the stockholders of Dal-Tile and Mohawk have approved it, provided that after any such stockholder

approval, the parties will make no amendment that pursuant to applicable law requires further approval by their respective stockholders without the further approval of their respective stockholders. In addition, before or at the time the merger is completed, either Dal-Tile or Mohawk, or both, may waive any default in the performance of any term of the merger agreement by the other party or may waive or extend the time for the compliance or fulfillment by the other party of any and all of its obligations under the merger agreement. In addition, either Mohawk or Dal-Tile may waive any of the conditions precedent to its obligations under the merger agreement, unless a violation of any law or governmental regulation would result. To be effective, a waiver must be in writing and signed by an authorized officer of Dal-Tile or Mohawk, as the case may be.

At any time before the completion of the merger, the boards of directors of Mohawk and Dal-Tile may agree by mutual written consent to terminate the merger agreement. In addition, either Mohawk or Dal-Tile may terminate the merger agreement by written notice of termination to the other party specifying the reason for termination in the following circumstances:

- . if the merger is not completed by May 31, 2002 (which date will be extended to July 31, 2002, if the merger has not been completed as a result of the failure of the parties to have received a material required consent of any regulatory authority, or if a court or governmental or other regulatory authority has enacted legislation or taken or threatened to take any other action which prohibits the completion of the merger), unless the merger has not been completed because of the breach of the merger agreement by the party seeking termination (we refer to this date as the "end date");

45

- . if a breach by the other party of any representation, warranty, covenant or agreement contained in the merger agreement would permit that party to refuse to complete the merger pursuant to the conditions discussed in "--Conditions to Completion of the Merger"; provided that if a breach in the representations, warranties, covenants or agreements is curable prior to the end date by the exercise of reasonable efforts and the breaching party exercises reasonable efforts to cure the breach, then the non-breaching party may not terminate the merger agreement prior to 30 days following the receipt by the breaching party of written notice of such breach; further provided that the terminating party is not then in material breach of any covenant or other agreement contained in the merger agreement and has not willfully breached any of such party's representations and warranties contained in the merger agreement;
- . if any consent of any regulatory authority required to complete the merger has been denied by final nonappealable action, or if any action taken by such authority is not appealed within the time limit for appeal, or any law or order permanently restraining, enjoining or otherwise prohibiting the consummation of the merger has become final and nonappealable;
- . if the stockholders of Dal-Tile fail to adopt and approve the merger agreement and the merger or the stockholders of Mohawk fail to approve the issuance of Mohawk common stock in the merger at their respective special meetings; provided that the failure to obtain stockholder approval of the terminating party has not been caused by the action or failure to act by that party where the action or failure to act constitutes a material breach by the party of the merger agreement; and
- . if there has been a material adverse effect on the other party as defined in Section 11.1 of the merger agreement attached as Annex A hereto.

In addition, Mohawk may also terminate the merger agreement by written notice of termination to Dal-Tile, if:

- . the board of directors of Dal-Tile fails to reaffirm publicly its approval of the merger and the transactions contemplated by the merger agreement, as soon as reasonably practicable, and in no event later than two business days after Mohawk's request for such reaffirmation, or if the Dal-Tile board of directors resolve not to reaffirm the merger;

- . the board of directors of Dal-Tile withholds, withdraws, amends or modifies, or proposes publicly to withdraw, qualify or modify, in a manner adverse to Mohawk, its recommendation to Dal-Tile's stockholders that they approve and adopt the merger agreement and approve the merger; or
- . the board of directors of Dal-Tile makes a change of recommendation adverse to the merger (as discussed in "--Solicitation Prohibitions" or, within ten business days after commencement of any tender or exchange offer for any shares of Dal-Tile common stock, the board of directors of Dal-Tile fails to recommend against acceptance of the tender or exchange offer by its stockholders or takes no position with respect to the acceptance of the tender or exchange offer by its stockholders.

We refer to a termination by Mohawk as a result of any of the immediately foregoing as a "Dal-Tile withdrawal termination."

In addition, Dal-Tile may also terminate the merger agreement by written notice of termination to Mohawk, provided that Dal-Tile is not then in material breach of any covenant or other agreement contained in the merger agreement and has not willfully breached any of its representations and warranties contained in the merger agreement, if the board of directors of Dal-Tile has made a change of recommendation adverse to the merger (as discussed in "--Solicitation Prohibitions") in order to approve and permit Dal-Tile to accept a superior offer (as discussed in "--Solicitation Prohibitions"); provided that

- . Mohawk does not make, within three business days after receipt of Dal-Tile's written notice of a superior offer, an offer that the board of directors of Dal-Tile concludes in good faith (following consultation with its financial advisor and outside legal counsel) is as favorable, from a financial point of view, to the Dal-Tile's stockholders as the superior offer; and

46

- . Dal-Tile shall have paid Mohawk \$45 million concurrently with delivery of notice of termination.

We refer to a termination by Dal-Tile as a result of the immediately foregoing as a "Dal-Tile superior offer termination."

If the merger is terminated, the merger agreement will become void and have no effect, except that certain provisions of the merger agreement, including those relating to the obligations to share certain expenses and maintain the confidentiality of certain information obtained, will survive. Termination of the merger agreement will not relieve any breaching party from liability for any willful breach of a representation, warranty, covenant or agreement contained in the merger agreement.

Board Recommendation

The boards of directors of Mohawk and Dal-Tile have unanimously approved the merger agreement and unanimously agreed to recommend and, subject to the conditions discussed below, not to withdraw, amend or modify in a manner adverse to the other party, the recommendation that their respective stockholders vote to adopt the merger agreement, in the case of the Dal-Tile stockholders, and vote to approve the issuance of Mohawk shares in the Merger, in the case of the Mohawk stockholders.

However, in response to the receipt of a "superior offer" the board of directors of Dal-Tile may withhold, withdraw, amend or modify, or propose or resolve to withdraw, amend or modify, its recommendation in favor of the merger, and, in the case of a superior offer that is a tender or exchange offer made directly to its stockholders, may recommend that its stockholders accept the tender or exchange offer (we refer to any of the foregoing actions, whether by a board of directors or a committee thereof, as a "change of recommendation"). However, the Dal-Tile board of directors may effect a change in recommendation only if all of the following conditions are met:

- . a superior offer has been made and has not been withdrawn;
- . Dal-Tile's special meeting has not occurred;

- . Dal-Tile must have
 - provided to Mohawk written notice stating expressly (a) that it has received a superior offer, (b) the material terms and conditions of the superior offer and the identity of the person or group making the superior offer and (c) that it intends to effect a change of recommendation and the manner in which it intends to do so;
 - provided to Mohawk a copy of all written materials delivered to the person or group making the superior offer in connection with such superior offer;
 - made available to Mohawk all materials and information made available to the person or group making the superior offer in connection with such superior offer; and
 - Dal-Tile must have complied in all material respects with the terms of the covenant requiring the calling and conducting of a special meeting of its stockholders and the recommendation of its board of directors and the covenant prohibiting the solicitation of acquisition proposals described below in "--Solicitation Prohibitions."

A "superior offer" is defined in the merger agreement to mean:

- . an unsolicited, bona fide written offer made by a third party to acquire, directly or indirectly, pursuant to a tender offer, exchange offer, merger, consolidation or other business combination, all or substantially all of the assets of Dal-Tile or substantially all of the total outstanding voting securities of Dal-Tile; and
- . an offer on terms that the board of directors of Dal-Tile has in good faith concluded (following the receipt of advice of its outside legal counsel and its financial adviser), taking into account, among other things, all legal, financial, regulatory and other aspects of the offer and the person making the offer, to be more favorable, from a financial point of view, to Dal-Tile's stockholders (in their capacities as stockholders) than the terms of the merger and is reasonably capable of being completed.

47

The obligation of Dal-Tile to call, give notice of, convene and hold its stockholders' meeting is not affected by the commencement, disclosure, announcement or submission to Dal-Tile of any acquisition proposal with respect to it, or by any change of recommendation. Dal-Tile has agreed not to submit or prepare to submit to the vote of its stockholders any acquisition proposal unless the board of directors of Dal-Tile has made a change of recommendation and consequently has terminated the merger agreement as discussed under "--Waiver, Amendment, and Termination."

Solicitation Prohibitions

The merger agreement restricts Dal-Tile's ability to solicit other acquisition proposals. Dal-Tile has agreed that it and its subsidiaries will immediately cease any and all existing activities, discussions or negotiations with any third parties conducted prior to the date of the merger agreement with respect to any "acquisition proposal," which is defined in the merger agreement to mean any offer or proposal relating to any transaction or series of related transactions involving:

- . any purchase from Dal-Tile, or acquisition by any person or group, of more than a 15% interest in the total outstanding voting securities of Dal-Tile or any of its subsidiaries;
- . any tender offer or exchange offer that if consummated would result in any person or group beneficially owning 15% or more of the total outstanding voting securities of Dal-Tile or any of its subsidiaries;
- . any merger, consolidation, business combination or similar transaction involving Dal-Tile or any of its subsidiaries;
- . any sale, lease (other than in the ordinary course of business),

exchange, transfer, license (other than in the ordinary course of business), acquisition or disposition of more than 15% of the assets of Dal-Tile and its subsidiaries, taken as a whole; or

- . any liquidation or dissolution of Dal-Tile or any of its subsidiaries.

The merger agreement also provides that neither Dal-Tile nor any of its affiliates or representatives will solicit any competing acquisition proposal. If Dal-Tile receives an acquisition proposal it must promptly notify Mohawk of the terms of such proposal. Dal-Tile may provide third parties with confidential information, have discussions and negotiations with, or otherwise facilitate an effort or attempt by a third party to make or implement an acquisition proposal not solicited in violation of the merger agreement if:

- . Dal-Tile's board of directors determines in good faith (following the receipt of advice from its legal and financial advisors) that the acquisition proposal could result in a superior offer that is likely to be consummated;
- . prior to providing any information, its board of directors notifies Mohawk of its intent to provide such information and Dal-Tile receives from such third party an executed confidentiality agreement with provisions at least as stringent as those contained in the confidentiality agreement between Mohawk and Dal-Tile;
- . contemporaneously with providing such information to the third party, Dal-Tile provides such information to Mohawk; and
- . Dal-Tile notifies Mohawk of its intent to engage in negotiations with the third party.

Effect of the Merger on Dal-Tile Options

Mohawk will ask each holder of options granted under Dal-Tile's stock option plan to consent to a partial cash-out of their options upon completion of the merger. If an option holder consents in a timely fashion, one-half of his or her options, whether or not currently exercisable, will be cancelled, and he or she will receive a

48

cash payment for each cancelled option equal to the difference between \$22.00 and the exercise price for the option. The remaining one-half of his or her options will immediately vest and become options to purchase Mohawk common stock. Mohawk will assume each such option in accordance with the terms of Dal-Tile's stock option plan and the stock option agreement that evidences the option and will deliver Mohawk common stock upon the exercise of each assumed option. After the merger is completed:

- . Mohawk and its compensation committee will be substituted for Dal-Tile and the committee of Dal-Tile's board of directors administering Dal-Tile's plan;
- . each option assumed by Mohawk may be exercised only for shares of Mohawk common stock;
- . the number of shares of Mohawk common stock subject to the assumed option will be equal to the number of shares of Dal-Tile common stock subject to the option immediately before the merger is completed multiplied by two times the exchange ratio; and
- . the per share exercise price of each assumed option will be adjusted by dividing it by two times the exchange ratio and rounding up to the nearest cent.

In determining which options will be cashed out and which options will be assumed by Mohawk, each particular grant of Dal-Tile options to an option holder having different exercise prices and terms will be split evenly (with any remaining odd option being cashed out).

If an option holder does not timely consent to the partial cash-out of their Dal-Tile options, all of his or her options, whether or not currently exercisable, will immediately vest and be assumed by Mohawk as options to

receive the merger consideration. Options of Dal-Tile option holders who do not consent will be adjusted as described above, except that the per share exercise price of each option will be adjusted by dividing it by the exchange ratio and rounding up to the nearest cent, and upon exercise of these options, the option holder will receive, for each option:

- . a cash payment equal to the number of shares of Dal-Tile common stock subject to the option immediately before the merger is completed multiplied by \$11.00; and
- . a number of shares of Mohawk common stock equal to the number of shares of Dal-Tile common stock subject to the option immediately before the merger is completed multiplied by the exchange ratio.

Mohawk will not issue any fractional shares of common stock upon exercise of an option. Rather, Mohawk will pay cash for any fractional share based upon the last sale price per share of Mohawk common stock on the trading day immediately preceding the date of exercise.

Mohawk has agreed to file a registration statement on Form S-8 within five business days of the completion of the merger to register the issuance of the shares of Mohawk common stock upon the exercise of the assumed Dal-Tile options.

For information with respect to stock options held by Dal-Tile's directors and executive officers, see "---Interests of Certain Persons in the Merger."

Material Federal Income Tax Consequences of the Merger

The following summary of the material U.S. federal income tax consequences of the merger applicable to a person that exchanges shares of Dal-Tile common stock for shares of Mohawk common stock and cash pursuant to the merger constitutes the opinion of Vinson & Elkins L.L.P., counsel to Dal-Tile. This discussion is based upon the Internal Revenue Code, Treasury Regulations, judicial authorities, published positions of the IRS and other applicable authorities, all as in effect on the date of this joint proxy statement-prospectus and all of which are subject to change or differing interpretations (possibly with retroactive effect). This discussion is limited to U.S. persons that hold their shares of Dal-Tile common stock as capital assets for U.S. federal income tax

49

purposes and does not address the tax treatment to stockholders who hold their shares through a partnership or other pass-through entity. This discussion does not address all aspects of United States federal income taxation that may be relevant to Dal-Tile stockholders in light of their particular circumstances or Dal-Tile stockholders subject to special treatment under United States federal income tax laws. Furthermore, this summary does not address any aspect of state, local or foreign taxation. No assurance can be given that the IRS would not assert, or that a court would not sustain, a position contrary to any of the tax aspects set forth below. Holders of shares of Dal-Tile common stock are encouraged to consult their own tax advisors as to the U.S. federal income tax consequences of the merger, as well as the effects of state, local and foreign tax laws.

The U.S. federal income tax consequences resulting from the merger will differ depending on whether a forward merger structure or a reverse merger structure is used. See "---General" above for a description of the forward merger and reverse merger structures.

- . If the forward merger structure is used, and assuming certain conditions described below are satisfied, then Dal-Tile will receive an opinion from its counsel, Vinson & Elkins L.L.P. and Mohawk will receive an opinion from its counsel, Alston & Bird LLP, substantially to the effect that the merger will qualify as a reorganization under Section 368(a) of the Internal Revenue Code.
- . If the reverse merger structure is used, the merger will not constitute a reorganization under Section 368(a) of the Internal Revenue Code. Instead, it will be treated as a sale of Dal-Tile common stock, fully taxable to the Dal-Tile stockholders.

We may not know until the closing of the merger whether the transaction will

be completed as a forward merger or a reverse merger. As a result, Dal-Tile stockholders will not know the tax consequences to them of the merger at the time they vote on it.

One of the requirements that must be satisfied in order for the forward merger to qualify as a reorganization under Section 368(a) is the continuity of interest requirement. This requirement will be satisfied if the Dal-Tile stockholders exchange a substantial portion of their proprietary interest in Dal-Tile for proprietary interests in Mohawk. The IRS takes the position for advance ruling purposes that the continuity of interest requirement is satisfied in a reorganization if the value of the acquiring corporation's stock received in the reorganization by the acquired corporation's stockholders equals or exceeds 50% of the total consideration paid for the stock of the acquired corporation in a tax-free reorganization. In the opinion of Vinson & Elkins L.L.P. and of Alston & Bird LLP, the continuity of interest requirement will be satisfied under applicable case law if, as of the effective time of the merger, the value of the Mohawk common stock received in connection with the merger by the Dal-Tile stockholders equals or exceeds 40% of the total consideration paid or deemed paid for the Dal-Tile common stock in the reorganization. An opinion of counsel represents counsel's best legal judgment and is not binding on the IRS, and there can be no assurance that following the merger the IRS will not challenge the qualification of the merger as a reorganization within the meaning of Section 368(a) of the Code.

Various factors affect whether the value of the Mohawk common stock received by Dal-Tile stockholders in the merger is equal to at least 40% of the combined value of the merger consideration as of the completion of the merger, including:

- . the amount, if any, to be paid to Dal-Tile stockholders who perfect their appraisal rights;
- . whether prior to and in connection with the merger Dal-Tile (or certain parties related to Dal-Tile) redeems or acquires Dal-Tile stock or makes distributions to the Dal-Tile stockholders; and
- . whether there will be any repurchases by Mohawk (or certain parties related to Mohawk) of the Mohawk common stock to be issued in the merger.

Accordingly, it is not possible to state with any certainty the minimum trading price of the Mohawk common stock at which the value of the Mohawk common stock to be received in the merger will be equal to at least 40% of the value of the combined merger consideration as of the completion of the merger. Assuming that the \$11.00

50

per share cash consideration is the only non-Mohawk common stock consideration received or to be received by the Dal-Tile stockholders in the merger, and assuming further that there are no stockholders exercising appraisal rights, no cash to be paid in lieu of fractional share interests, no distributions or redemptions made by Dal-Tile (or certain parties related to Dal-Tile) in connection with the merger, and no repurchases or acquisitions by Mohawk (or certain parties related to Mohawk) of the Mohawk common stock to be issued in the merger, the minimum trading price of the Mohawk common stock at which the value of the Mohawk common stock to be received in the merger will be equal to at least 40% of the value of the combined merger consideration is approximately \$27.00 per share. If such assumptions prove to be inaccurate, then such minimum trading price may be higher than \$27.00 per share.

The purpose of using the reverse merger structure is to avoid the substantial corporate level tax that would result if the merger were to be structured as a forward merger and were to fail to satisfy the requirements of a tax-free reorganization under Section 368(a) of the Code. There should not be a corporate level tax resulting from the failure of a reverse merger to qualify as a tax-free reorganization under Section 368(a) of the Code.

Tax Consequences of the Forward Merger Structure. If the merger is effected as a forward merger, then the forward merger will qualify as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code, and the U.S. federal income tax consequences will generally be as follows:

- . Exchange of Dal-Tile Common Stock for Mohawk Common Stock and Cash. A stockholder of Dal-Tile who exchanges his, her or its shares of Dal-Tile

common stock for shares of Mohawk common stock and cash in the forward merger will recognize gain (but not loss) in an amount equal to the lesser of (1) the amount of cash received pursuant to the forward merger, and (2) an amount equal to the excess, if any, of (a) the sum of the fair market value of the Mohawk common stock received in the forward merger and the amount of cash received pursuant to the forward merger over (b) the stockholder's adjusted tax basis in its shares of Dal-Tile common stock. The gain recognized will be capital gain unless the receipt of cash by the stockholder has the effect of a distribution of a dividend, in which case the gain will be treated as ordinary dividend income to the extent of the stockholder's ratable share of Dal-Tile's accumulated earnings and profits as calculated for U.S. federal income tax purposes. For purposes of determining whether the receipt of cash by the stockholder has the effect of a distribution of a dividend, a stockholder will be treated as if the stockholder first exchanged all of its shares of Dal-Tile common stock solely for shares of Mohawk common stock and then Mohawk immediately redeemed a portion of the common stock for cash that the stockholder actually received pursuant to the forward merger. The IRS has indicated in rulings that any reduction in the interest of a minority stockholder that exercises no control over corporate affairs would receive capital gains (as opposed to dividend) treatment. In determining whether the receipt of cash has the effect of a distribution of a dividend, certain constructive ownership rules must be taken into account. Any recognized capital gain will be long-term capital gain if your holding period with respect to your Dal-Tile common stock exceeds one year, and if you are a natural person, will be subject to a maximum tax rate of 20%.

- . Tax Basis for Mohawk Common Stock. As a Dal-Tile stockholder, you will have an aggregate tax basis in the shares of Mohawk common stock you receive pursuant to the forward merger equal to your aggregate adjusted tax basis in your shares of Dal-Tile common stock surrendered pursuant to the forward merger, (1) reduced by (a) the portion of your adjusted tax basis in your shares of Dal-Tile common stock surrendered in the merger that is allocable to a fractional share of Mohawk common stock for which cash is received and (b) the amount of cash received by you pursuant to the forward merger, and (2) increased by the amount of gain (including the portion of such gain that is treated as a dividend as described above) recognized by the stockholder (but not by gain recognized upon the receipt of cash in lieu of a fractional share of Mohawk common stock pursuant to the forward merger).
- . Holding Period for Mohawk Common Stock. The holding period for shares of Mohawk common stock received by a stockholder of Dal-Tile pursuant to the forward merger will include the holding period for the shares of Dal-Tile common stock surrendered.

51

- . Cash Received in Lieu of a Fractional Share of Mohawk Common Stock. If, as a Dal-Tile stockholder, you receive cash in lieu of a fractional share of Mohawk common stock in the forward merger, then you will generally recognize capital gain or loss equal to the difference between the amount of cash received in lieu of the fractional share and the portion of your adjusted tax basis in your shares of Dal-Tile common stock that is allocable to the fractional share. The capital gain or loss will be long-term capital gain or loss if your holding period for the portion of the shares deemed exchanged for the fractional share is more than one year.
- . Treatment of the Entities. No gain or loss will be recognized by Mohawk, Merger Sub or Dal-Tile as a result of the forward merger.
- . Reporting Requirements. Dal-Tile stockholders receiving Mohawk common stock in the merger should file a statement with their United States federal income tax returns setting forth their adjusted tax basis in the Dal-Tile common stock exchanged in the forward merger and the fair market value of the Mohawk common stock and the amount of cash received in the forward merger. In addition, Dal-Tile stockholders will be required to retain permanent records of these facts relating to the forward merger.

Under the merger agreement, each of Mohawk and Dal-Tile have agreed to use

their reasonable best efforts to cause the forward merger to qualify as a reorganization under the provisions of Section 368(a) of the Code, and Dal-Tile has agreed to obtain an opinion from its counsel, Vinson & Elkins L.L.P., and Mohawk has agreed to obtain an opinion from its counsel, Alston & Bird LLP, at the closing of the merger that, based upon, among other things, the facts described herein and customary representations and assumptions, the forward merger will be treated as a "reorganization" within the meaning of Section 368(a) of the Code. The obligation of each of Vinson & Elkins L.L.P. and Alston & Bird LLP to deliver closing tax opinions is conditioned upon:

- . the receipt by each of Vinson & Elkins L.L.P. and Alston & Bird LLP of certain representation letters from each of Mohawk and Dal-Tile relating to the facts surrounding the forward merger; and
- . the receipt by the Dal-Tile stockholders in the forward merger, in the aggregate, of Mohawk common stock with a value as of the effective time equal to at least 40% of the combined value of all merger consideration, taking into account the amount of cash paid or deemed paid to Dal-Tile stockholders in connection with the merger (including cash paid to Dal-Tile stockholders who perfect their dissenters rights, redemptions or acquisitions of Dal-Tile common stock by Dal-Tile or certain parties related to Dal-Tile in connection with the forward merger, extraordinary distributions made by Dal-Tile or parties related to Dal-Tile prior to and in connection with the forward merger, and certain repurchases or acquisitions of Mohawk common stock issued in the merger by Mohawk or certain parties related to Mohawk).

If Dal-Tile and Mohawk are not able to obtain the closing tax opinions, then the merger will not close as a forward merger, and Dal-Tile will have the option to change the merger in form from a forward merger to a reverse merger, which as summarized below, will be fully taxable transaction for all the stockholders of Dal-Tile, but not for Mohawk, Merger Sub or Dal-Tile.

Tax Consequences of the Reverse Merger Structure. In the event a reverse merger takes place, the tax consequences to stockholders of Dal-Tile common stock will differ materially from those summarized above. In general, as a stockholder of Dal-Tile, you will recognize capital gain or loss in an amount equal to (1) the sum of the fair market value of the Mohawk common stock you receive in the reverse merger, and the amount of the cash you receive in the reverse merger minus (2) your adjusted tax basis in your shares of Dal-Tile common stock surrendered in the reverse merger. The capital gain will be long term capital gain or loss if you have held your shares for more than one year (and in the case of stockholders who are natural persons, the long term capital gain will be subject to a maximum tax rate of 20% at the effective time of the merger).

Depending on the value of the Mohawk common stock as of the effective time of the merger, it is possible that Dal-Tile and Mohawk will not be able to obtain the closing tax opinions. Thus, no assurance can be given that the structure of the merger will be effected, and if effected will take the form of a forward merger as opposed to a reverse merger.

52

The foregoing discussion is intended only as a summary and does not purport to be a complete analysis or listing of all potential federal income tax consequences of the merger. Dal-Tile stockholders are urged to consult their tax advisors concerning the United States federal, state, local and foreign tax consequences of the merger to them.

Accounting Treatment

Mohawk will account for the merger under the purchase method of accounting for business combinations. See "Unaudited Pro Forma Condensed Combined Consolidated Financial Information."

Stock Exchange Listing

The shares of Mohawk common stock to be issued in the merger have been approved for listing on the New York Stock Exchange, subject to approval of their issuance by Mohawk stockholders.

Expenses and Fees

Except as discussed below, each of Mohawk and Dal-Tile will pay all expenses incurred by it or on its behalf in connection with the merger. Mohawk and Dal-Tile have agreed, however, to share equally the expenses incurred in relation to the printing and filing of the registration statement and this joint proxy statement-prospectus and the filing fee for the filing under the HSR Act.

In addition, Dal-Tile has agreed to pay Mohawk a termination fee of \$45 million, in the following circumstances:

- . either Mohawk or Dal-Tile terminates the merger agreement because Dal-Tile's stockholders fail to adopt the merger agreement and approve the merger and prior to the termination of the merger agreement there has been publicly announced an acquisition proposal (other than the merger) and within twelve months of such termination Dal-Tile shall either (a) complete a transaction involving an acquisition proposal relating to 50% of its or one of its subsidiaries' capital stock or assets or (b) enter into an agreement with respect to such transaction, whether or not the transaction is subsequently completed;
- . Dal-Tile terminates the merger agreement as a result of the failure to complete the merger by the end date and prior to the termination of the merger agreement there has been publicly announced an acquisition proposal (other than the merger) and within twelve months of the termination Dal-Tile shall either (a) complete a transaction involving an acquisition proposal relating to 50% of its or one of its subsidiaries' capital stock or assets or (b) enter into an agreement with respect to the transaction, whether or not the transaction is subsequently completed;
- . Mohawk terminates the merger agreement because Dal-Tile has failed to perform and comply in all material respects with any of its obligations, agreements or covenants required by the merger agreement and prior to the termination of the merger agreement there has been publicly announced an acquisition proposal (other than the merger) and within twelve months of the termination Dal-Tile shall either (a) complete a transaction involving an acquisition proposal relating to 50% of its or one of its subsidiaries' capital stock or assets or (b) enter into an agreement with respect to such transaction, whether or not the transaction is subsequently completed;
- . Mohawk terminates the merger agreement pursuant to a Dal-Tile withdrawal termination discussed above under "--Waiver, Amendment, and Termination;" or
- . Dal-Tile terminates the merger agreement pursuant to a Dal-Tile superior offer termination discussed above under "--Waiver, Amendment, and Termination."

53

If the termination fee is payable as a result of one of the first three reasons above, the termination fee must be paid at or prior to the earlier of the date of completion of the acquisition transaction or the date of execution of an agreement with respect to the acquisition transaction. If the termination fee is payable as a result of the fourth reason above, the termination fee must be paid no later than two business days from the date of termination of the merger agreement. If the termination fee is payable as a result of the final reason above, the termination fee must be paid concurrently with the delivery of the notice of termination of the merger agreement.

In the event the termination fee is paid to Mohawk pursuant to the terms of the merger agreement, Mohawk has agreed pursuant to the terms of the commitments for the proposed financing for the merger to pay the committed financial institutions 10% of any such termination fee.

The parties have agreed that the payment of the fees and expenses discussed above are not to be deemed liquidated damages for the willful breach by Dal-Tile of the terms of the merger agreement and do not otherwise limit the rights of Mohawk, except that, if Mohawk is entitled to receive a termination fee as a result of the third reason above, Mohawk must elect to either (i) receive the termination fee and, upon receipt of the termination fee, dismiss

with prejudice any pending litigation against Dal-Tile, or release Dal-Tile from any liability, relating to a breach by Dal-Tile of its covenants and agreements under the merger agreement or (ii) waive its right to receive the termination fee.

Interests of Certain Persons in the Merger

In considering the recommendation of the Dal-Tile board to vote for approval of the merger and the recommendation of the Mohawk board to vote in favor of the issuance of Mohawk common stock in the merger, you should be aware that members of Dal-Tile's executive management and its directors have interests in the merger that are different from, and in addition to, the interests of other Mohawk and Dal-Tile stockholders.

Change in Control Agreements--Chief Executive Officer and Chief Financial Officer. Dal-Tile has entered into change in control agreements with Mr. Sardas and Mr. Wellborn. Each of the agreements has a term that runs until December 31, 2005, and will automatically be extended by one year beginning on January 1, 2004 (and each following year) unless the employer provides six months' prior notice of non-renewal. Under the agreements, following a change in control of Dal-Tile, the executive's base salary and target bonus cannot be reduced and will continue through the term of the agreement, and benefits will continue in substantially the same form and amount. Both agreements provide for severance payments following a change in control if (i) they are terminated within two years after such change in control, or (ii) with respect to Mr. Sardas, he elects to terminate his employment between 90 and 365 days, after such change in control, and with respect to Mr. Wellborn, he elects to terminate his employment between 180 and 365 days, after such change in control. The payments to each executive are to be made in a lump sum amount equal to three times his annual salary plus bonus (calculated as the higher of his target bonus for the termination year or his average bonus over the prior two years). Additionally, each is entitled to a lump sum pro rata payment of his target bonus for the year of termination, continuation of medical and dental benefits for three years from termination, an excise tax gross-up if he is impacted by Section 280G of the Internal Revenue Code (unless the applicable amounts exceed the cap limit by less than \$50,000), tax preparation services provided and paid for by Dal-Tile for tax years affected by the change in control, and payment of legal fees and expenses associated with the termination or enforcement of the agreement. The merger will constitute a change in control under the agreements.

Change in Control Agreements--Vice Presidents. Dal-Tile has also entered into change in control agreements with its 13 vice presidents. The agreements generally have the same terms as the Sardas and Wellborn agreements, except that severance is calculated as 2 1/2 times salary and bonus (rather than 3 times salary and bonus), and benefit continuation lasts for 30 months following termination (rather than 36 months). In addition, severance following a change in control is only triggered upon termination by the employer without cause (as defined in the agreement) or by the executive for "good reason" (as described below). Unlike the Sardas and Wellborn agreements, severance is not paid upon death or disability, and the executives cannot collect

severance for voluntary termination unless it is for good reason. Under the vice president agreements, "good reason" includes the following:

- . Failure by the employer to maintain salary, target bonus opportunities, and benefits;
- . Any purported termination of employment that does not comply with the applicable notice provisions;
- . Failure to elect or maintain the employee in the same (or a substantially equivalent) office or position; or removal as a director if employee was a director prior to the change in control;
- . A significant adverse change in the nature or scope of the executive's authorities, responsibilities, or duties that is not remedied within 10 days of employee's written notice;
- . A relocation of the company's principal offices, or requiring employee to have his principal location of work changed, in excess of 50 miles,

or to travel away from his office significantly more (in terms of either consecutive days or aggregate days in any calendar year) than was required of him before the change in control, in either case without his prior written consent; or

- . The cessation of the company's status as a corporation the stock of which is publicly traded on a national securities exchange.

The merger will constitute a change in control under the agreements.

Stock Options. All unvested options to purchase Dal-Tile common stock granted under Dal-Tile's stock plans will become fully exercisable upon completion of the merger. At the time of the merger, each unexercised option will be cashed out in part and converted in part (either upon completion of the merger or upon exercise) into options to acquire shares of Mohawk common stock. See "The Merger--Effect of the Merger on Dal-Tile Options" for a more detailed discussion of the treatment of Dal-Tile's options under the merger agreement.

Directors' and Officers' Liability. Mohawk and Dal-Tile have agreed that the officers, directors and other affiliates of each of the companies shall not be liable for breaches of the merger agreement or the transactions contemplated by the merger agreement, except for (a) instances of actual, intentional misrepresentation of facts by Dal-Tile to its independent auditors or of any item reflected in Dal-Tile's reports to the Securities and Exchange Commission since January 1, 1998, to the extent any such misrepresentations have caused such filings to materially misstate Dal-Tile's financial position, and (b) actions taken by such affiliates of Dal-Tile that would violate the non-solicitation provisions of Section 8.3 of the merger agreement to the extent Mohawk elects to specifically enforce such provision.

Indemnification and Release. Mohawk and Dal-Tile have agreed that all rights to indemnification and limitations on liability under the Dal-Tile charter documents and indemnification agreements will survive the merger. Subject to limitations, directors' and officers' liability insurance coverage substantially equivalent to levels of coverage currently in effect under Dal-Tile's existing directors' and officers' liability insurance will be maintained for six years. Mohawk has agreed to release directors, officers and affiliates of Dal-Tile from any liability or obligation in connection with or under the merger agreement or voting agreements except to the extent that any person is an express signatory party and except for claims for specific intentional misrepresentations and violations of the non-solicitation provisions described above.

New Directors and Executive Officers of Mohawk Following the Merger. In accordance with the merger agreement, W. Christopher Wellborn and John F. Fiedler have each been selected by Dal-Tile to serve as directors of Mohawk after the completion of the merger. In addition, after completion of the merger, Mr. Wellborn will become an executive officer of Mohawk and serve as President of the Dal-Tile division.

Employee Benefits and Contracts

The merger agreement requires Mohawk to provide Dal-Tile employees with employee benefits under the Dal-Tile benefit plans (other than benefits under the stock option plan) which when taken as a whole are substantially similar to those provided by Dal-Tile prior to the effective time of the merger. However, the merger

agreement also allows Mohawk, at its option, to provide Dal-Tile employees with employee benefits under the Mohawk benefit plans (other than benefits under the stock option plan) which when taken as a whole are substantially similar to those currently provided by Mohawk to its similarly situated employees.

If Mohawk chooses to provide benefits under its own benefit plans, then, for purposes of participation, vesting and, except with respect to Mohawk retirement plans, benefit accrual, credit under such plans will be given for past service with Dal-Tile. Additionally, Mohawk has agreed to waive any waiting periods and restrictions on pre-existing conditions for Dal-Tile employees to be covered by Mohawk welfare benefit plans. Mohawk has also agreed to cause any deductible made by such Dal-Tile employees under Dal-Tile welfare benefit plans to be credited to such employees under the Mohawk welfare benefit

plans. All employment and severance, consulting or other compensation agreements disclosed to Mohawk will be expressly assumed by Mohawk.

Resales of Mohawk Common Stock

The shares of Mohawk common stock to be issued in the merger will be registered under the Securities Act of 1933 and will be freely transferable under the Securities Act, except for shares of Mohawk stock issued to any person who is deemed to be an "affiliate" of either Mohawk or Dal-Tile at the time of the special meetings. Persons who may be deemed to be affiliates include individuals or entities that control, are controlled by, or are under the common control of either Mohawk or Dal-Tile and may include our respective executive officers and directors, as well as our significant stockholders. Affiliates may not sell their shares of Mohawk common stock acquired in connection with the merger except pursuant to:

- . an effective registration statement under the Securities Act covering the resale of those shares;
- . an exemption under paragraph (d) of Rule 145 under the Securities Act; or
- . any other applicable exemption under the Securities Act.

Mohawk's registration statement on Form S-4, of which this joint proxy statement-prospectus forms a part, does not cover the resale of shares of Mohawk common stock to be received by affiliates of Dal-Tile in the merger.

Appraisal Rights

Delaware law entitles the holders of record of shares of Dal-Tile common stock who follow the procedures specified in Section 262 of the Delaware General Corporation Law to have their shares appraised by the Delaware Court of Chancery and to receive the "fair value" of those shares as of the completion of the merger as determined by the court in place of the merger consideration. In order to exercise these rights, a stockholder must demand and perfect the rights in accordance with Section 262. The following is a summary of the material provisions of Section 262 and is qualified in its entirety by reference to Section 262, a copy of which is attached as Annex F to this joint proxy statement-prospectus. Dal-Tile stockholders should carefully review Section 262 as well as the information discussed below.

If a stockholder of Dal-Tile elects to exercise the right to an appraisal under Section 262, that stockholder must do all of the following:

- . deliver to Dal-Tile at its main office in Dallas, Texas, a written demand for appraisal of shares of Dal-Tile common stock held, which demand must reasonably inform Dal-Tile of the identity of the stockholder and that the demanding stockholder is demanding appraisal, before the vote is taken on the merger agreement at the Dal-Tile special meeting; this written demand for appraisal must be in addition to and separate from any proxy or vote against the merger agreement; neither voting against, abstaining from voting nor failing to vote on the merger agreement will constitute a demand for appraisal within the meaning of Section 262;

56

- . not vote in favor of the merger agreement; a failure to vote or abstaining from voting will satisfy this requirement, but a vote in favor of the merger agreement, by proxy or in person, or the return of a signed proxy that does not specify an abstention or a vote against adoption of the merger agreement, will constitute a vote in favor of the merger agreement, a waiver of the stockholder's right of appraisal and will nullify any previously filed written demand for appraisal; and
- . continuously hold the shares of record until the completion of the merger.

All written demands for appraisal should be addressed to Dal-Tile International Inc., 7834 Hawn Freeway, Dallas, Texas 75217, Attention: Mark A. Solls, before the vote is taken on the merger agreement at the Dal-Tile special meeting. The demand must reasonably inform Dal-Tile of the identity of the stockholder and that the stockholder is demanding appraisal of his, her or its

shares of Dal-Tile common stock.

The written demand for appraisal must be executed by or for the record holder of shares of Dal-Tile common stock, fully and correctly, as the holder's name appears on the certificate(s) for their shares. If the shares of Dal-Tile common stock are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, execution of the demand must be made in that capacity, and if the shares are owned of record by more than one person, such as in a joint tenancy or tenancy in common, the demand must be executed by or for all joint owners. An authorized agent, including one of two or more joint owners, may execute the demand for appraisal for a holder of record; however, the agent must identify the record owner(s) and expressly disclose the fact that, in executing the demand, the agent is acting as agent for the record owner(s).

A beneficial owner of shares of Dal-Tile common stock held in "street name" who desires appraisal should take actions as may be necessary to ensure that a timely and proper demand for appraisal is made by the record holder of the shares. Shares of Dal-Tile common stock held through brokerage firms, banks and other financial institutions are frequently deposited with and held of record in the name of a nominee of a central security depository, such as Cede & Co. and others. Any beneficial owner desiring appraisal who holds shares of Dal-Tile common stock through a brokerage firm, bank or other financial institution is responsible for ensuring that the demand for appraisal is made by the record holder. The beneficial holder of the shares should instruct the firm, bank or institution that the demand for appraisal should be made by the record holder of the shares, which may be the nominee of a central security depository if the shares have been so deposited. As required by Section 262, a demand for appraisal must reasonably inform Dal-Tile of the identity of the holder(s) of record, which may be a nominee as described above, and of the holder's intention to seek appraisal of the shares of Dal-Tile common stock.

A record holder, such as a broker, fiduciary, depository or other nominee, who holds shares of Dal-Tile common stock as a nominee for others, may exercise appraisal rights with respect to the shares held for all or less than all beneficial owners of the shares as to which the person is the record owner. In that case, the written demand must set forth the number of shares of Dal-Tile common stock covered by the demand. Where the number of shares is not expressly stated, the demand will be presumed to cover all shares of Dal-Tile common stock outstanding in the name of the record owner.

Within ten days after the completion of the merger, the surviving corporation of the merger will give written notice of the date of the completion of the merger to each stockholder of Dal-Tile who has properly demanded appraisal and satisfied the requirements of Section 262, referred to in this document as a dissenting stockholder. Within 120 days after the completion of the merger, the surviving corporation or any dissenting stockholder may file a petition in the Delaware Court of Chancery demanding a determination of the fair value of the shares of Dal-Tile common stock that are held by all dissenting stockholders. The surviving corporation is under no obligation to and has no present intention to file such a petition. Accordingly, it is the obligation of former stockholders of Dal-Tile seeking appraisal rights to initiate all necessary actions to perfect appraisal rights within the time prescribed by Section 262.

If a petition for appraisal is timely filed, the court will determine which stockholders are entitled to appraisal rights and will determine the fair value of the shares of Dal-Tile common stock held by dissenting stockholders, exclusive of any element of value arising from the accomplishment or expectation of the merger, together with a fair rate of interest, if any, to be paid on the amount determined to be fair value. In determining fair value, the court shall take into account all relevant factors. The Delaware Supreme Court has stated, among other things, that "proof of value by any techniques or methods which are generally acceptable in the financial community and otherwise admissible in court" should be considered in an appraisal proceeding. In addition, Delaware courts have decided that the statutory appraisal remedy may or may not be, depending on the factual circumstances, the stockholder's exclusive remedy in connection with transactions such as the merger. The court may determine fair value to be more than, less than or equal to the consideration that the dissenting stockholder would otherwise be entitled to receive pursuant to the merger agreement. If a petition for appraisal is not timely filed, then the right to an appraisal shall cease. The costs of the

appraisal proceeding shall be determined by the court and taxed against the parties as the court determines to be equitable under the circumstances. Upon application of a stockholder, the court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including reasonable attorneys' fees and the fees and expenses of experts, to be charged pro rata against the value of all shares of Dal-Tile common stock entitled to appraisal.

From and after the completion of the merger, no dissenting stockholder shall have any rights of a Dal-Tile stockholder with respect to that holder's shares for any purpose, except to receive payment of fair value and to receive payment of dividends or other distributions on the holder's shares of Dal-Tile common stock, if any, payable to Dal-Tile stockholders of record as of a date prior to the completion of the merger. If a dissenting stockholder delivers to the surviving corporation a written withdrawal of the demand for an appraisal within 60 days after the completion of the merger or subsequently with the written approval of the surviving corporation, or, if no petition for appraisal is filed within 120 days after the completion of the merger, then the right of that dissenting stockholder to an appraisal will cease and the dissenting stockholder will be entitled to receive only the merger consideration. Once a petition for appraisal is filed with the Delaware court, the appraisal proceeding may not be dismissed as to any stockholder without the approval of the court.

If you wish to exercise your appraisal rights, you must not vote in favor of the merger agreement and must strictly comply with the procedures set forth in Section 262 of the Delaware General Corporation Law.

If you fail to take any required step in connection with the exercise of appraisal rights, it will result in the termination or waiver of these rights.

Voting Agreements

The following summary of the Dal-Tile voting agreements and the Mohawk voting agreement is qualified in its entirety by reference to the text of each voting agreement, each of which are incorporated by reference. The form of voting agreement executed by Dal-Tile stockholders is attached as Annex B and the voting agreement executed by Aladdin Partners, L.P. is attached as Annex C to this joint proxy statement-prospectus.

In connection with the execution and delivery of the merger agreement, all of the members of the Dal-Tile board of directors and several Dal-Tile executive officers entered into a voting agreement with Mohawk under which these stockholders agreed to vote all their shares of Dal-Tile common stock in favor of the adoption of the merger agreement. These stockholders also agreed to vote all their shares of Dal-Tile common stock against the approval of any transaction made in opposition to or in competition with the merger. As of February 6, 2002, the record date for the Dal-Tile special meeting, these stockholders owned shares of Dal-Tile common stock representing approximately 1.5% of the total voting power of the outstanding shares of Dal-Tile common stock.

The voting agreement executed by the Dal-Tile stockholders prohibits, subject to limited exceptions, any stockholder from transferring or making an arrangement to transfer any shares, except to a person who agrees to be bound by the terms of the voting agreement. Each voting agreement executed by the Dal-Tile stockholders also provides that any shares of Dal-Tile stock that are subsequently acquired will also be subject to the voting agreement.

Also in connection with the execution and delivery of the merger agreement, Aladdin Partners, L.P., a partnership controlled by Jeffrey S. Lorberbaum, president and chief executive officer of Mohawk, entered into a voting agreement with Dal-Tile under which Aladdin Partners agreed to vote all of its shares of Mohawk common stock in favor of the issuance of Mohawk shares in the merger. Aladdin Partners also agreed to vote all of its shares of Mohawk common stock against any other action that could impede or otherwise adversely affect the consummation of the merger. As of February 6, 2002, the record date for the Mohawk special meeting, Aladdin Partners owned shares of Mohawk common stock representing approximately 18.8% of the total voting power of the outstanding shares of Mohawk common stock.

Under the voting agreement, Aladdin Partners may transfer 1,900,000, or approximately 3.6% of the total voting power of the outstanding shares, of Mohawk common stock without restriction. Otherwise, the voting agreement prohibits Aladdin Partners from transferring or making an arrangement to transfer any shares, except to a person who agrees to be bound by the terms of the voting agreement.

All voting agreements terminate upon the earlier to occur of the completion of the merger or the termination of the merger agreement in accordance with its terms.

Financing

General. The total amount of cash and borrowings required to complete the merger, including payment of the cash merger consideration, payments in respect of the cash-out of one-half of the Dal-Tile options, refinancing of the existing indebtedness of Dal-Tile and transaction fees and expenses is estimated to be approximately \$969.2 million based on the pro forma combined balance sheet of Mohawk and Dal-Tile at September 29, 2001. Mohawk has entered into a commitment letter with First Union Investors, Inc. (and one of its affiliates), Goldman Sachs Credit Partners L.P. and SunTrust Bank with respect to financing the merger. These financial institutions have severally agreed, on the terms and subject to the conditions in the commitment letter, to provide a 364-day term loan facility of up to \$700 million. At the option of these financial institutions, but without limiting their several commitments to provide the entire facility, portions of the term loan facility may be provided by other financial institutions. In addition, Mohawk intends to borrow up to \$169.2 million under its existing revolving credit facility and to replace Dal-Tile's existing \$75 million receivables securitization facility with a new \$100 million receivables securitization facility through a multi-selling conduit for which SunTrust Bank is expected to serve as an agent. Mohawk may also finance a portion of the merger related costs through alternative sources, including additional borrowings under Mohawk's existing receivables securitization facility and borrowings under a short-term commercial paper facility. If the commitment letter is terminated or if the funding under the commitment letter is reasonably likely to be unavailable at closing, Mohawk will use its best efforts to obtain financing from other sources. Mohawk is obligated to complete the merger regardless of whether it obtains the financing contemplated by the commitment letter or alternative financing.

The commitment is conditioned on, among other things:

- . there being no adverse conditions in the financial, banking or capital markets (including the loan syndication and bond markets) that would impair or prevent the syndication of the term loan facility or the placement or issuance of securities which are to replace the term loan facility as determined by any of the financial institutions in their sole discretion;
- . Mohawk not entering into alternate financing arrangements;
- . the completion of definitive documentation relating to the term loan facility (and satisfaction of any conditions in those documents) and the merger;
- . there being no material omissions from or inaccuracies in information Mohawk provided to the financial institutions; and
- . compliance with all applicable laws and regulations.

The commitment expires on March 31, 2002 if the merger has not been completed by that time. The commitment will also terminate on the occurrence of any event or the awareness of any fact or condition not previously disclosed to any of these financial institutions that has, or could reasonably be expected to have, a material adverse effect on the business, properties, prospects, operations or condition (financial or otherwise) of Mohawk and its subsidiaries taken as a whole, or Dal-Tile and its subsidiaries taken as a whole.

Term Loan Facility. Mohawk's obligations under the term loan facility will not be secured by Mohawk's assets but, if the rating on Mohawk's senior, unsecured debt falls below investment grade, the lenders will have the right to

require Mohawk to provide security. The term loan facility will mature 364 days from the funding date. Mohawk may prepay amounts borrowed under the facility at any time, without premium or penalty (other than customary yield maintenance payments).

The interest rate applicable to the term loan facility will be, at Mohawk's option, the London interbank offered rate, or LIBOR, plus a margin or the alternate base rate, or ABR, plus a margin. The ABR is the higher of the First Union prime rate or the federal funds rate plus .5%.

The applicable margin will also vary depending on the rating on Mohawk's senior, unsecured debt. Also, in the case of either LIBOR loans or ABR loans, the applicable margin will increase by .25% as of the end of each 90-day period after the funding date that amounts under the applicable loan remain outstanding.

Further, the commitment requires Mohawk to pay the financial institutions 10% of any termination fee that Dal-Tile pays to Mohawk pursuant to the terms of the merger agreement. See "--Expenses and Fees."

The credit documents evidencing the term loan facility will contain, among other things, customary:

- . representations and warranties;
- . affirmative, negative, and financial covenants; and
- . events of default.

These terms have not yet been agreed upon. In addition, Mohawk will indemnify the lenders for costs, expenses and liabilities, including fees and expenses of counsel, relating to the term loan facility and the transactions contemplated by the credit documents.

Mohawk intends to refinance the term loan as soon as practicable after completion of the merger through the private placement of senior, unsecured notes or other available means. If Mohawk is unable to refinance the term loan within 12 business days after completion of the merger, Mohawk will be required to pay up to \$3.5 million to the financial institutions in additional fees.

Stockholder Lawsuit Challenging the Merger

On or about November 27, 2001, Frank Steinle, an individual stockholder of Dal-Tile, purporting to represent a class of holders of Dal-Tile common stock, filed a putative Class Action Complaint against Dal-Tile International Inc., Martin C. Murrer, John F. Fiedler, Norman E. Wells, Jr., Jacques R. Sardas, Charles J. Pilliod, Jr., Douglas D. Danforth and Vincent A. Mai in the 162nd/Judicial District Court, Dallas County, Texas, Cause No. 01-10231. The complaint alleges that the defendants breached their fiduciary duties by agreeing to the merger. The complaint seeks injunctive relief and costs and disbursements of the action, including attorneys' and experts' fees. On February 18, 2002, Dal-Tile and the other defendants reached an agreement in principle to settle this action. The agreement in principle is subject to, among other things, confirmatory discovery, definitive settlement documentation, including a full and unconditional release of the claims against the defendants, and court approval.

DESCRIPTION OF MOHAWK CAPITAL STOCK

Mohawk is authorized by its certificate of incorporation to issue up to 150,060,000 shares of capital stock, consisting of (a) 150,000,000 shares of common stock, \$.01 par value per share and (b) 60,000 shares of preferred stock, \$.01 par value per share (none of which have been issued). The holders of shares of Mohawk common stock are entitled to one vote per share on all matters submitted to a vote of the stockholders, including the election of directors, and the holders of such shares exclusively possess all voting power. The Mohawk certificate of incorporation provides for a classified board of directors and does not provide for cumulative voting

61

for the election of directors. The holders of shares of Mohawk common stock are entitled to such dividends as may be declared from time to time by the board of directors from funds legally available therefor, and are entitled to receive pro rata all assets of Mohawk available for distribution to those holders upon liquidation. No shares of Mohawk common stock have any preemptive, redemption or conversion rights, or the benefits of any sinking fund. The Mohawk certificate of incorporation authorizes the board of directors, without further stockholder approval, to issue preferred stock and to fix, with respect to any series of preferred stock, the dividend rights and terms, conversion rights, voting rights, redemption rights and terms, liquidation preferences, sinking funds and any other rights, preferences, privileges and restrictions applicable to each series of preferred stock issued. See "Effect of the Merger on Rights of Stockholders."

EFFECT OF THE MERGER ON RIGHTS OF STOCKHOLDERS

Mohawk and Dal-Tile are both organized under the laws of the State of Delaware. Any differences, therefore, in the rights of holders of Mohawk capital stock and Dal-Tile capital stock arise primarily from differences in their respective certificates of incorporation and bylaws. Upon completion of the merger, holders of Dal-Tile common stock will become holders of Mohawk common stock and their rights will be governed by Delaware law, the Mohawk certificate of incorporation and the Mohawk bylaws. The rights of Mohawk stockholders after completion of the merger will not differ from their rights as they previously existed.

This section of the joint proxy statement-prospectus describes the material differences between the rights of Mohawk stockholders and Dal-Tile stockholders. All Mohawk stockholders and Dal-Tile stockholders are urged to read carefully the relevant provisions of Delaware law, as well as the certificates of incorporation and bylaws of each of Mohawk and Dal-Tile. Copies of the certificates of incorporation and bylaws of Mohawk and Dal-Tile will be sent to Mohawk stockholders and Dal-Tile stockholders, as applicable, upon request. See "Where You Can Find More Information" on page 70.

Capitalization

Mohawk. The authorized capital stock of Mohawk consists of:

- . 150,000,000 shares of Mohawk common stock; and
- . 60,000 shares of Mohawk preferred stock.

Dal-Tile. The authorized capital stock of Dal-Tile consists of:

- . 200,000,000 shares of Dal-Tile common stock; and
- . 11,100,000 shares of Dal-Tile preferred stock.

Voting Rights

Mohawk. Each holder of Mohawk common stock has the right to cast one vote for each share of Mohawk common stock held of record on all matters submitted to a vote of stockholders of Mohawk, including the election of directors. Holders of Mohawk common stock do not have cumulative voting rights.

Dal-Tile. Each holder of Dal-Tile common stock has the right to cast one vote for each share of Dal-Tile common stock held of record on matters submitted to a vote of stockholders of Dal-Tile, including the election of directors. Holders of Dal-Tile common stock do not have cumulative voting rights.

Number and Election of Directors

Mohawk. The board of directors of Mohawk currently has seven members. The Mohawk certificate of incorporation provides that the number of directors of Mohawk will not be less than two or more than 11, with the exact number of directors to be fixed from time to time by the Mohawk board of directors by a resolution approved by a majority of the directors.

The Mohawk board of directors is divided into three classes, as nearly equal in size as possible, with one class being elected each year. Members of the Mohawk board of directors are elected to serve a term of three years, and until their successors are elected and qualified.

The Mohawk bylaws provide for directors to be elected by a plurality of the votes cast by Mohawk stockholders entitled to vote in the election of directors at a meeting at which a quorum is present.

Dal-Tile. The Dal-Tile bylaws provide that the Dal-Tile board of directors will consist of five directors. The number of directors may be changed only by amendment of the bylaws.

Neither the Dal-Tile certificate of incorporation nor the Dal-Tile bylaws

provides for a staggered board of directors.

The Dal-Tile bylaws provide for directors to be elected by a plurality of the votes cast by Dal-Tile stockholders entitled to vote in the election of directors at a meeting at which a quorum is present.

Removal of Directors and Vacancies on the Board of Directors

General. Delaware law provides that, except in the case of a classified board of directors or where cumulative voting applies, a director, or the entire board of directors, of a corporation may be removed, with or without cause, by the affirmative vote of a majority of the shares of the corporation entitled to vote at an election of directors.

Delaware law also provides that if, at the time of the filling of any vacancy or newly created directorship, the directors then in office constitute less than a majority of the authorized number of directors, the Delaware Court of Chancery may, upon application of any stockholder or stockholders holding at least 10% of the outstanding stock of the corporation having the right to vote for such directors, order an election to be held to fill the vacancy or replace the directors selected by the directors then in office.

Mohawk. Because Mohawk has a classified board and the certificate of incorporation and bylaws do not provide otherwise, Mohawk's directors may only be removed for cause and only by the affirmative vote of the holders of at least a majority of the shares then entitled to vote generally in the election of directors.

Vacancies on the board of directors of Mohawk, including vacancies resulting from an increase in the authorized number of directors or from the death, resignation or removal of a director, may be filled only by a majority vote of the directors then in office, although less than a quorum, or by the sole remaining director. Pursuant to Delaware law, directors elected to fill any vacancy shall serve for the remainder of the term of directors of their class and until their successors are elected and qualified.

Dal-Tile. Pursuant to the Dal-Tile bylaws, and Delaware law, Dal-Tile's stockholders may, at a special meeting, remove any member of the board of director with or without cause by the affirmative vote of a majority of the shares of Dal-Tile common stock entitled to vote at an election of directors. The stockholders also have the right to fill the vacancy created by such removal at such special meeting. If the stockholders do not fill the vacancy at the special meeting, the majority of the directors then in office, although less than a quorum, may fill the vacancy. Additionally the majority of the directors then in office, although less than a quorum, may fill any vacancies created by the death or resignation of any director or for any other reason or by an increase in the size of the board. Directors elected to fill vacancies shall serve until their successors are elected and qualified or until their earlier resignation or removal.

Amendments to the Certificate of Incorporation

General. Under Delaware law, an amendment to the certificate of incorporation of a corporation requires the approval of the corporation's board of directors and the approval of holders of a majority of the outstanding stock entitled to vote upon the proposed amendment, unless a higher vote is required by the corporation's certificate of incorporation.

Mohawk. Mohawk's certificate of incorporation requires that the affirmative vote of the holders of at least 80% of the votes entitled to be cast by the holders of all then outstanding shares of capital stock, voting together as a single class, in order to make, alter, amend, change, add to or repeal any provision of the certificate relating to the number of members of the board of directors, board classification, vacancies and removal of directors or to amend any other provision of the certificate of incorporation in a manner inconsistent with these provisions. Other amendments to the certificate of incorporation are governed by Delaware law and, therefore, require the approval of the holders of a majority of the outstanding stock entitled to vote upon the proposed amendment.

Dal-Tile. Dal-Tile's certificate of incorporation does not impose a higher

vote requirement than the requirement imposed by Delaware law to amend any provision of the certificate.

Amendments to the Bylaws

General. Under Delaware law, stockholders entitled to vote have the power to adopt, amend or repeal bylaws. In addition, a corporation may, in its certificate of incorporation, confer this power on the board of directors. The stockholders always have the power to adopt, amend or repeal the bylaws, even though the board may also be delegated the power.

Mohawk. Mohawk's certificate of incorporation authorizes the Mohawk board of directors to adopt, alter, amend or repeal any provision of Mohawk's bylaws except as otherwise provided in the bylaws. Mohawk's bylaws provide that they may be amended or repealed by the affirmative vote of a majority of directors then in office. Mohawk's bylaws further provide that any provision of Mohawk's bylaws may be amended or repealed by a vote of the holders of a majority of the shares of capital stock entitled to vote.

Dal-Tile. Dal-Tile's certificate of incorporation authorizes the Dal-Tile board of directors to make, alter, amend or repeal Dal-Tile's bylaws. Dal-Tile's bylaws provide that they may be altered, amended or repealed or new bylaws adopted if approved by a majority of all of the members of the board of directors or by the holders of a majority of the total outstanding shares of Dal-Tile voting stock entitled to vote at any meeting of stockholders.

Action by Written Consent

General. Delaware law provides that, unless otherwise stated in the certificate of incorporation, any action which may be taken at an annual meeting or special meeting of stockholders may be taken without a meeting, if a consent in writing is signed by the holders of the outstanding stock having the minimum number of votes necessary to authorize the action at a meeting of stockholders.

Mohawk. The Mohawk certificate of incorporation limits the ability of its stockholders to act by written consent by requiring any action by written consent to be unanimous.

Dal-Tile. The Dal-Tile bylaws authorize stockholder action without a meeting if a consent in writing is signed by the holders of outstanding stock having the minimum number of votes necessary to authorize or take the action at a meeting at which all shares entitled to vote are present and voted.

Ability to Call Special Stockholder Meetings

Mohawk. Special meetings of Mohawk stockholders may be called by Mohawk's board of directors or by the chairman of the board. Stockholders do not have the right to call a special meeting or to propose any business to be conducted at a special meeting.

Dal-Tile. Special meetings of Dal-Tile stockholders may be called by Dal-Tile's board of directors, the chairman of the board, or the president. Additionally, a special meeting will be called if requested in writing by the stockholders holding together at least 50% of the number of shares of stock entitled to vote at the meeting. Stockholders do not have the right to propose any business to be conducted at a special meeting.

Notice of Stockholder Action

Mohawk. Under the Mohawk bylaws, in order for a stockholder to nominate candidates for election to Mohawk's board of directors at any annual meeting of stockholders or any special stockholder meeting at which directors will be elected, timely written notice must be given to the Secretary of Mohawk before the annual or special meeting. Similarly, in order for a stockholder to propose business to be brought before any annual stockholder meeting, timely written notice must be given to the Secretary of Mohawk before the annual meeting.

Under Mohawk's bylaws, to be timely, notice of stockholder nominations or proposals to be made at an annual meeting must be made in accordance with rules of the SEC regarding stockholder proposals then in effect. The SEC's rules

provide that notice must be received at the offices of Mohawk no less than 120 days before the date of Mohawk's proxy statement for the preceding year's annual meeting. If Mohawk did not hold an annual meeting in the preceding year or if the date of the annual meeting is more than 30 days before or after the anniversary of the preceding year's annual meeting, notice will also be timely if delivered a reasonable time before Mohawk begins to print and mail its proxy materials for the annual meeting. In the case of a special meeting, notice of a stockholder nomination must be received no later than the earlier of the 30th/day following public announcement that a matter will be submitted to stockholders for a vote at a special meeting or the 15th day following the date on which notice of the special meeting is given.

A stockholder's notice to Mohawk must set forth the stockholder's name and business address, the stockholder's name and address as they appear in Mohawk's records and the number of shares of Mohawk common stock which are beneficially owned by the stockholder. If any other persons are acting together with the stockholder, this information must be provided with respect to those persons as well.

Notices relating to stockholder proposals must also include a brief description of the business the stockholder proposes to bring before the meeting, any material information relating to the proposal and any other information the Mohawk board of directors reasonably determines is necessary for the board and the stockholders to consider the proposal.

Notices relating to stockholder nominations to the board of directors must include the following information:

- . the name, date of birth, business address and residence address of the person to be nominated;
- . the business experience during the past five years of the nominee, including the nominee's principal occupation and employment during that period, the name and principal business of any organization in which such employment was carried on and other information about the nominee's responsibilities and level of professional competence to enable an assessment of the nominee's prior business experience;
- . whether the nominee is or has ever been at any time a director, officer or owner of five percent or more of any class of equity security in any corporation or other entity;
- . any directorships held by the nominee in any company with a class of securities registered under Section 12 of the Securities Exchange Act of 1934, as amended, or subject to the requirements of Section 15(d) of that act or any company registered as an investment company under the Investment Company Act of 1940;
- . whether, in the last five years, the nominee has been convicted in a criminal proceeding or has been subject to a judgment, order, finding or decree of any governmental entity concerning any violation of any law or any proceeding in bankruptcy, which may be material to an evaluation of the ability or integrity of the nominee; and
- . the consent of each nominee to serve as a director of Mohawk if so elected.

The presiding officer at any Mohawk stockholder meeting has the power to determine whether the nomination or proposal was made by the stockholder in accordance with the advance notice procedures set forth in Mohawk's

bylaws and Delaware law. If the presiding officer determines that the nomination or proposal is not in compliance, the presiding officer may declare that the defective proposal or nomination will be disregarded.

Dal-Tile. Under the Dal-Tile bylaws, in order for a stockholder to nominate persons for election to the board of directors at an annual meeting of stockholders or at a special meeting called for the purpose of electing directors or to propose any business to be conducted at an annual meeting, the stockholder must be a holder of record at the time of giving notice in accordance with the provisions of the Dal-Tile bylaws and at the time of the

record date for determination of stockholders entitled to vote at the meeting and must otherwise comply with the procedures set forth in the Dal-Tile bylaws.

For business to be properly brought before an annual meeting by a stockholder, including the nomination of candidates for election to Dal-Tile's board of directors, the stockholder must give written notice to the Secretary of Dal-Tile not less than 60 days nor more than 90 days prior to the anniversary date of the annual meeting. However, if less than 70 days notice or prior public disclosure of the date of the annual meeting is given or made to stockholders, notice by a stockholder, in order to be timely, must be received by Dal-Tile not later than the 10th day following the date on which the earlier of notice is first given or public disclosure of the meeting is first made. In order for a stockholder to make timely notice of a nomination for an election to the board of directors to be held at a special meeting, notice must be received by Dal-Tile not later than the 10th day following the earlier of the date on which notice of the meeting is first given or public disclosure of the meeting is first made.

Stockholder notices relating to business to be transacted at an annual meeting or relating to the nomination of candidates for election to the board of directors must include:

- . the stockholder's name and address as they appear on Dal-Tile's books;
- . the class or series and number of shares of Dal-Tile stock which are owned beneficially or of record by the stockholder;
- . a description of all arrangements or understandings between the stockholder and any other persons, including nominees for directors, relating to a nomination or business proposal by the stockholder, and any material interest the stockholder has in the business desired to be brought before the meeting; and
- . a representation that the stockholder intends to appear in person or by proxy at the meeting to nominate the persons or bring the business specified in the notice before the meeting.

In the case of a notice relating to a stockholder proposal, the notice must also set forth a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting.

In the case of a notice of nomination of candidates for election to Dal-Tile's board of directors, the notice must also set forth:

- . the name, age, business address and residence of the person to be nominated;
- . the principal occupation or employment of the nominee;
- . the class or series and number of shares of capital stock of Dal-Tile owned beneficially or of record by the nominee;
- . any other information about the nominee or the stockholder nominating the nominee required to be disclosed in a proxy statement or other filing for the solicitation of proxies related to the election of directors pursuant to Section 14 of the Securities Exchange Act of 1934; and
- . the consent of each nominee to serve as a director of Dal-Tile if so elected.

The chairman of any annual meeting of Dal-Tile's stockholders may refuse to permit any business to be brought before the meeting that fails to comply with the advance notice procedures set forth in Dal-Tile's bylaws.

If the chairman determines that the nomination or proposal is not in compliance with Dal-Tile's advance notice procedures, the chairman may declare that the defective proposal or nomination will be disregarded.

General. Under Delaware law, a corporation generally may indemnify directors and officers:

- . for actions taken in good faith and in a manner they reasonably believed to be in, or not opposed to, the best interests of the corporation; and
- . with respect to any criminal proceeding, if the directors and officers had no reasonable cause to believe that their conduct was unlawful.

In addition, Delaware law provides that a corporation may advance to a director or officer expenses incurred in defending any action upon receipt of an undertaking by the director or officer to repay the amount advanced if it is ultimately determined that he or she is not entitled to indemnification.

Mohawk. The Mohawk bylaws provide that any person who was or is a party or is threatened to be a party to, or is involved in any action, suit or proceeding, whether civil, criminal, administrative, arbitrative or investigative, because that person is or was a director or officer, or is or was serving at the request of Mohawk as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, will be indemnified and held harmless by Mohawk to the fullest extent permitted by Delaware law. The indemnification rights conferred by Mohawk are not exclusive of any other right which persons seeking indemnification may be entitled under any statute, Mohawk's certificate of incorporation or bylaws, any agreement, vote of stockholders or disinterested directors or otherwise. Mohawk is authorized to purchase and maintain insurance on behalf of its directors and officers.

In addition, Mohawk may pay expenses incurred by its directors and officers in defending a civil or criminal action, suit or proceeding because they are directors or officers in advance of the final disposition of the action, suit or proceeding. The payment of expenses will be made only if Mohawk receives an undertaking by or on behalf of a director or officer to repay all amounts advanced if it is ultimately determined that the director or officer is not entitled to be indemnified by Mohawk, as authorized by Mohawk's certificate of incorporation and bylaws.

Dal-Tile. The Dal-Tile bylaws provide for indemnification, to the fullest extent permitted by Delaware law, of any person who is or was a director or officer of Dal-Tile and who is or was involved in any manner, or who is threatened to be made involved in any manner, in any pending or completed action, suit, arbitration, alternate dispute resolution mechanism, investigation, administrative hearing or other proceeding by reason of the fact that he or she is or was a director, officer, employee or agent of Dal-Tile, or is or was serving at the request of Dal-Tile as a director, officer, employee or agent of another corporation, or of a partnership, joint venture, trust or other enterprise, although no indemnification is available to a director or officer with respect to a proceeding that was commenced by the director or officer unless the proceeding was authorized by the board of directors. The indemnification rights conferred by Dal-Tile are not exclusive of any other right which persons seeking indemnification may be entitled under any statute, Dal-Tile's certificate of incorporation or bylaws, any agreement, vote of stockholders or disinterested directors or otherwise.

Dal-Tile is authorized to purchase and maintain insurance on behalf of its directors, officers, employees and agents.

In addition, the Dal-Tile bylaws provide that all reasonable expenses incurred by or on behalf of a director or officer in connection with any investigation, claim, action, suit or proceeding will be advanced to the director or officer by Dal-Tile upon the request of the director or officer which request will include an undertaking by or on behalf of the director or officer to repay the amounts advanced if ultimately it is determined that the director or officer was not entitled to be indemnified against the expenses.

Dal-Tile has also entered into agreements to provide indemnification for its directors in addition to the indemnification provided for in its bylaws. These agreements, among other things, indemnify the directors, to the

attorney's fees), losses, claims, liabilities, judgments, fines and settlement amounts incurred by the person seeking indemnification in any action or proceeding, including any action by or in the right of Dal-Tile, on account of services as a director or officer of any of Dal-Tile's affiliates, or as a director or officer of any other company or enterprise that the person seeking indemnification provides services to at Dal-Tile's request.

State Anti-Takeover Statutes

General. Under the business combination statute of Delaware law, a corporation is prohibited, for a three year period following the time a stockholder becomes an interested stockholder, from engaging in any business combination with an interested stockholder who, together with its affiliates or associates, owns, or who is an affiliate or associate of the corporation and within a three-year period did own, 15% or more of the corporation's voting stock, unless:

- . prior to the time the stockholder became an interested stockholder, the board of directors of the corporation approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder;
- . the interested stockholder owned at least 85% of the voting stock of the corporation, excluding specified shares, upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder; or
- . at or subsequent to the time the stockholder became an interested stockholder, the business combination is approved by the board of directors of the corporation and authorized by the affirmative vote, at an annual or special meeting and not by written consent, of at least 66 2/3% of the outstanding voting shares of the corporation, excluding shares held by that interested stockholder.

A business combination generally includes:

- . mergers, consolidations and sales or other dispositions of 10% or more of the assets of a corporation to or with an interested stockholder;
- . specified transactions resulting in the issuance or transfer to an interested stockholder of any capital stock of the corporation or its subsidiaries; and
- . other transactions resulting in a disproportionate financial benefit to an interested stockholder.

The provisions of the Delaware business combination statute do not apply to a corporation if, subject to certain requirements, the certificate of incorporation or bylaws of the corporation contain a provision expressly electing not to be governed by the provisions of the statute or the corporation does not have voting stock listed on a national securities exchange, authorized for quotation on the NASDAQ Stock Market or held of record by more than 2,000 stockholders.

Mohawk. Because Mohawk has not adopted any provision in its certificate of incorporation to "opt-out" of the Delaware business combination statute, the statute is applicable to business combinations involving Mohawk. In addition, the following provisions contained in Mohawk's certificate of incorporation and bylaws may discourage or delay attempts to gain control of Mohawk. Mohawk's certificate of incorporation includes provisions (a) classifying the board of directors into three classes, (b) authorizing directors to fill vacancies on the board of directors occurring between annual stockholders meetings, (c) requiring the affirmative vote of at least 80% of the outstanding shares to alter, amend or otherwise modify any provision of the certificate relating to the number of members of the board of directors, board classification, vacancies and removal of directors or to amend any other provision of the certificate in a manner inconsistent with these provisions and (d) requiring that special meetings may be called only by the board of directors or the chairman of the board. Mohawk's bylaws include provisions governing the conduct of business at stockholder meetings and the nominations of persons for election as Mohawk directors.

Dal-Tile. Because Dal-Tile has not adopted any provision in its certificate of incorporation to "opt-out" of the Delaware business combination statute, the statute is applicable to business combinations involving Dal-Tile.

For those statements, Mohawk and Dal-Tile claim the protection of the safe harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995. Forward-looking statements relating to expectations about future results or events are based upon information available to Mohawk and Dal-Tile as of today's date, and neither Mohawk nor Dal-Tile assumes any obligation to update any of these statements. In the event Mohawk and Dal-Tile do not receive necessary government or stockholder approvals or fail to satisfy conditions to closing, the transaction will terminate. Additional risks and uncertainties related to the merger include, but are not limited to the following:

- . the successful integration of Dal-Tile into Mohawk's business;
- . each company's ability to compete in the highly competitive flooring industry;
- . changes in economic conditions generally in the carpet, rug and flooring markets served by Mohawk and the combined company;
- . increased competition from other carpet, rug, ceramic tile and flooring manufacturers;
- . increased raw material prices;
- . the timing and level of capital expenditures;
- . the successful integration of acquisitions including the challenges inherent in diverting Mohawk's management attention and resources from other strategic matters and from operational matters for an extended period of time;
- . the successful introduction of new products; and
- . the successful rationalization of existing operations.

UNAUDITED PRO FORMA CONDENSED COMBINED
CONSOLIDATED FINANCIAL INFORMATION

The following unaudited pro forma condensed combined consolidated balance sheet as of September 29, 2001 and the unaudited pro forma condensed combined consolidated statements of earnings for the nine months ended September 29, 2001 and the year ended December 31, 2000 give effect to the proposed merger, accounted for as a purchase transaction. The unaudited pro forma condensed combined consolidated financial information is based on the historical consolidated financial statements of Mohawk and Dal-Tile using the assumptions and adjustments set forth in the accompanying notes. The primary reasons for the merger, which were taken into consideration during the purchase price negotiations, include:

- . the ability to combine Mohawk's current efforts in the hard-flooring business with Dal-Tile's larger, more established ceramic tile and natural stone business;
- . the opportunity to use Mohawk and Dal-Tile's existing customer relationships to increase sales of both carpets and hard floorcoverings;
- . the opportunity to further develop Mohawk's various brands and increase sales by distributing its products through Dal-Tile's distribution network;
- . the potential to reduce overhead and other costs by adding Dal-Tile's distribution network to Mohawk's logistical and distribution system;
- . the potential to reduce manufacturing costs and increase quality by identifying manufacturing best practices from Dal-Tile's operations and applying them to Mohawk's manufacturing operations and vice-versa; and

- . the potential to reduce general, administrative, overhead and other miscellaneous costs by spreading fixed costs over a larger business.

Mohawk considered whether identifiable intangible assets, such as customer relationships, patents, covenants not to compete, software, production backlog, marketing agreements, unpatented technology and trade secrets, might exist and none were identified other than trademarks, during the purchase price negotiations. Accordingly, the valuation resulted in the recognition of goodwill.

The unaudited pro forma condensed combined consolidated balance sheet gives effect to the merger as if the merger had been consummated at September 29, 2001. The unaudited pro forma condensed combined consolidated statements of earnings give effect to the merger as if the merger had been consummated at January 1, 2000. While Mohawk believes that synergies and cost savings may result from the merger, the unaudited pro forma condensed combined consolidated financial information does not give effect to the anticipated synergies or cost savings in connection with the merger.

The unaudited pro forma condensed combined consolidated financial information should be read in conjunction with Mohawk's consolidated historical financial statements and those of Dal-Tile, including the respective notes to those statements. The pro forma information is not necessarily indicative of the combined financial position and results of operations in the future, or of the combined financial position and the results of operations, which would have resulted, had the merger been consummated during the periods or as of the dates for which the pro forma information is presented.

Notes to the Unaudited Pro Forma Condensed Combined Consolidated Financial Information

This section sets forth (i) an unaudited pro forma condensed combined consolidated balance sheet as of September 29, 2001, (ii) unaudited pro forma condensed combined consolidated statements of earnings for the nine months ended September 29, 2001 and for the year ended December 31, 2000, and (iii) the related notes thereto. The unaudited pro forma condensed combined consolidated financial information should be read in conjunction with the historical consolidated financial statements and the related notes thereto of Mohawk and of Dal-Tile included in the documents described under "Where You Can Find More Information."

The unaudited pro forma condensed combined consolidated balance sheet combines the unaudited historical consolidated balance sheets of Mohawk and Dal-Tile, as of September 29, 2001 and September 28, 2001, respectively, as if the merger had been completed on September 29, 2001. The unaudited pro forma condensed combined consolidated statements of earnings combine the historical consolidated statements of earnings of Mohawk and Dal-Tile for the nine months ended September 29, 2001 and September 28, 2001 and for the years ended December 31, 2000 and December 29, 2000, respectively as if the merger had been completed on January 1, 2000. The merger will be accounted for as a purchase for financial accounting purposes as required by SFAS No. 141, Business Combinations, in accordance with accounting principles generally accepted in

the United States. For purposes of preparing Mohawk's consolidated financial statements, Mohawk will establish a new basis for Dal-Tile's assets and liabilities based upon their fair values, the merger consideration and the cost of the merger. Mohawk believes that any excess cost over fair value of the net assets of Dal-Tile will be recorded as goodwill and other intangible assets. A final determination of the intangible asset values and required purchase accounting adjustments, including the allocation of the purchase price to the assets acquired and liabilities assumed based on their respective fair values, has not yet been made. Mohawk will determine the fair value of Dal-Tile's assets and liabilities and will make appropriate purchase accounting adjustments upon completion of such determination. However, for purposes of disclosing pro forma information in this joint proxy statement-prospectus, Mohawk has made a preliminary determination of the purchase price allocation based upon current estimates and assumptions, which is subject to revision upon completion the merger.

The key events that need to occur before Mohawk can finalize its purchase price allocation include consummation of the merger, final determination of the exchange ratio and measurement date and completion of the valuation of Dal-Tile being performed. Mohawk has not identified any preacquisition contingencies at this time and does not anticipate any material changes to the purchase price allocation included in the unaudited pro forma condensed combined consolidated financial information. However, factors such as the final exchange ratio and Mohawk stock price used to value the transaction, the final balance sheet of Dal-Tile prior to closing and the results of the final valuation of Dal-Tile all will have an impact on the final purchase price allocation. Mohawk expects to complete the allocation within one year from the closing date.

The unaudited pro forma condensed combined consolidated financial information is intended for informational purposes only and is not necessarily indicative of the future financial position or future results of operations of the combined company, or of the financial position or results of operations of the combined company that would have actually occurred had the merger been in effect as of the date or for the periods presented. For purposes of the unaudited pro forma condensed combined consolidated financial information, certain reclassifications have been made to Dal-Tile's historical amounts to conform to Mohawk classifications.

Note 1. Purchase Price

The merger agreement provides that, each share of Dal-Tile common stock outstanding at the completion of the merger (subject to certain limitations described below), will be converted into and become the right to receive a fraction of a share of Mohawk common stock (as described in Note 3(n)) and \$11.00 in cash. The Dal-Tile stock option holders have the alternatives of (1) exercising their options prior to the effective time and converting the Dal-Tile stock resulting from the exercise to the combination of cash and Mohawk stock, (2) electing to receive (a) cash (at \$22.00 per option less the exercise price of Dal-Tile stock) for one half of their options and (b) options to acquire Mohawk stock (equal to two times the exchange ratio multiplied by the number of options)

77

Notes to the Unaudited Pro Forma Condensed Combined Consolidated Financial Information, Continued

for one-half of their options at an exercise price equal to the Dal-Tile exercise price divided by two times the exchange ratio or (3) continuing to hold their Dal-Tile stock options which shall become exercisable for the amount of cash and the number of shares of Mohawk common stock such holder would have received had such holder exercised their options immediately prior to the completion of the merger. It has been assumed that all Dal-Tile stock option holders will elect alternative (2).

Note 3. Pro Forma Adjustments

The following are descriptions of the pro forma purchase accounting and other merger-related adjustments, labeled (a) through (n), which have been reflected in the accompanying pro forma condensed combined consolidated balance sheet and pro forma condensed combined consolidated statements of earnings:

- (a) Represents income tax receivable on options exercised.
- (b) This adjustment reflects the amounts necessary to state Dal-Tile

inventories on a first-in, first-out (FIFO) basis versus the historical last-in, first-out (LIFO) basis.

(c) Adjustment to reflect the estimated fair market value of property, plant and equipment.

(d) The adjustments of \$1,119.2 million and \$132.5 million represent the estimated increase to Dal-Tile's existing goodwill and other intangible assets, respectively, related to the merger. In accordance with SFAS No. 142, the goodwill recorded in the merger will not be amortized. Additionally, the trademarks intangible assets have indefinite lives.

The following table summarizes the goodwill and other intangible assets (amounts in thousands):

	Historical		Pro Forma Adjustments	Pro Forma Combined
	Mohawk	Dal-Tile		
Goodwill, net.....	\$109,969	134,674	1,119,182	1,363,825
Trademarks.....	\$ --	14,089	132,511	146,600
Other intangible assets.....	--	2,668	--	2,668
Total other intangible assets, net. \$	--	16,757	132,511	149,268

In June 2001, the Financial Accounting Standards Board issued SFAS No. 141, Business Combinations, and SFAS No. 142, Goodwill and Other Intangible Assets. SFAS No. 141 requires that the purchase method of accounting be used for all business combinations initiated after June 30, 2001. SFAS No. 142 will require that goodwill and intangible assets with indefinite useful lives no longer be amortized, but instead tested for impairment at least annually in accordance with the provisions of SFAS No. 142.

Mohawk is required to adopt the provisions of SFAS No. 141 immediately, and SFAS No. 142 effective January 1, 2002. Furthermore, any Mohawk goodwill that was acquired in a purchase business combination completed after June 30, 2001 will not be amortized. Goodwill acquired by Mohawk in business combinations completed before July 1, 2001 will discontinue being amortized after December 31, 2001.

Mohawk has evaluated its existing goodwill that was acquired in prior purchase business combinations for impairment and has concluded that no adjustment to the Mohawk historical consolidated financial statements is required.

As of the date of adoption, Mohawk expects to have unamortized goodwill in the amount of \$109.2 million. Amortization expense related to goodwill was \$3.2 million and \$2.4 million for the year ended December 31, 2000 and the nine months ended September 29, 2001, respectively.

No adjustments for Mohawk's goodwill amortization have been included in the pro forma financial information for Mohawk's acquisitions prior to July 1, 2001.

(e) Represents an increase in Mohawk borrowings of \$969.2 million to fund the cash portion of the purchase price (\$682.5 million cash consideration plus \$25.0 million direct merger costs) and to refinance Dal-Tile's existing indebtedness (\$19.2 million current portion of long-term debt plus \$242.5 million long-term debt). Initially, Mohawk will finance the purchase price with a combination of the bridge loan, its existing revolving credit facility and a receivables securitization. The bridge loan is expected to be replaced by permanent

financing. The revolving credit line, which provides total credit availability of \$450.0 million, is due January 28, 2004, and has been classified in long-term liabilities. See "The Merger--Financing."

(f) Adjustment to record deferred taxes for temporary differences between the fair value and the tax bases of certain acquired assets based upon the assumption the merger will be completed as a tax-free reorganization.

(g) Represents (i) the elimination of Dal-Tile's historical stockholders' equity, (ii) the issuance by Mohawk of 12.4 million common shares as the stock portion of the merger consideration, at a total market value of \$674.9 million based on the Mohawk stock price of \$54.37 with an exchange ratio of 0.2213 and (iii) an adjustment of \$140.7 million to record the fair value of Dal-Tile options that will be exchanged for Mohawk options. See Note 1 of the Unaudited Pro Forma Condensed Combined Consolidated Financial Information.

(h) In accordance with the Emerging Issues Task Force ("EITF") 00-10, "Accounting for Shipping and Handling Fees and Costs", Mohawk has reclassified freight expense from net sales to cost of sales.

(i) For purposes of the unaudited pro forma condensed combined consolidated financial information, Dal-Tile's shipping and handling revenue and costs have been reclassified to net sales and cost of sales, respectively, so Dal-Tile's historical amounts conform to Mohawk classifications.

(j) Represents the estimated adjustment in depreciation expense as a result of adjusting certain property, plant and equipment to fair value and changing Dal-Tile fixed asset useful lives to conform to Mohawk. The estimated adjustments were calculated based on the historical net book value of Dal-Tile's property, plant and equipment plus the estimated step-up to fair value for the property, plant and equipment. It was assumed in calculating the adjustment that the useful life of each asset would start over for purposes of depreciation. The useful life of Dal-Tile's buildings was changed from 30 to 35 years and furniture and fixtures was changed from an average of approximately 7 1/2 years to five years. The useful life of buildings was extended because Mohawk's practice is to utilize its buildings for at least their estimated useful lives, making the necessary repairs and performing the required maintenance to realize the longer useful life.

(k) Represents the reversal of goodwill and other intangible amortization included in Dal-Tile's historical financial statements. Amounts reversed in 2000 are \$4.7 million and \$.8 million and in 2001 \$3.6 million and \$.5 million for goodwill and tradenames, respectively.

(l) Includes an increase in interest expense as a result of the planned borrowing to fund the cash portion of the purchase price. The refinancing of the existing Dal-Tile debt and the cash portion of the purchase price will initially be made through Mohawk's existing variable-rate debt and the \$700 million bridge loan which also carries a variable interest rate. Mohawk's existing variable-rate debt and the bridge loan each incur annual interest at LIBOR plus 1.37% and LIBOR plus .37%, respectively. The average LIBOR rate was 4.32% and 6.53% for the periods ended September 29, 2001 and December 31, 2000, respectively. A change of 1/8% in the interest rate would change interest expense by approximately \$.9 million and \$1.3 million for the periods ended September 29, 2001 and December 31, 2000, respectively. Mohawk plans to obtain permanent long-term financing. If successful, interest rates are expected to increase over those rates reflected in these unaudited pro forma condensed combined consolidated statements of earnings.

(m) Represents the income tax effect of the pro forma adjustments at an estimated rate of 37.0%. Additionally, the historical income tax expense of Dal-Tile included a U.S. federal income tax benefit due to the reversal of a valuation allowance originally recorded in connection with Dal-Tile's net operating loss carry forward. This benefit reduced Dal-Tile's effective tax rate from an estimated 38.5% to 5.5% in 2000. However, had the merger been completed on January 1, 2000, the valuation allowance would have been reversed as of that date. Accordingly, the historical income tax expense for Dal-Tile has been increased to an estimated rate of 38.5%.

(n) Under the terms of the merger agreement, Dal-Tile stockholders will receive for each Dal-Tile share \$11.00 in cash and a fraction of a share of Mohawk common stock calculated as follows: (i) .2213 of a share of Mohawk

Notes to the Unaudited Pro Forma Condensed Combined Consolidated
Financial Information, Continued

if the average closing price of Mohawk common share is greater than \$54.67 per share; (ii) a fraction of a share of Mohawk common stock equal to the quotient obtained by dividing \$12.10 by the average closing price of Mohawk common stock, if the average closing price of a Mohawk common share is greater than \$50.12 per share, but less than or equal to \$54.67 per share; (iii) .2414 of a share of Mohawk if the average closing price of Mohawk common stock is equal to or greater than \$41.00 per share, but equal to or less than \$50.12 per share; (iv) a fraction of a share of Mohawk common stock equal to the quotient obtained by dividing \$9.90 by the average closing price, if the average closing price is greater than or equal to \$36.45 per share, but less than \$41.00 per share; or (v) .2716 of a share of Mohawk if the average closing price of Mohawk common stock is less than \$36.45 per share. The average closing price is defined in the merger agreement as the average of the daily closing prices for Mohawk common stock on the New York Stock Exchange during the 20 consecutive full trading days ending on the trading day three full trading days prior to the completion of the merger. This unaudited pro forma condensed combined consolidated financial information reflects an exchange rate of .2213. This exchange ratio is based on the Mohawk stock price at February 6, 2002, which exceeds the highest Mohawk stock price used in the exchange ratio calculation. The measurement date, which is used to determine the Mohawk stock price for valuation of the equity issued in the transaction, is February 6, 2002, for purposes of this unaudited pro forma financial information and is the latest date that Mohawk's stock price rose above \$54.67 (the highest Mohawk stock price used in the exchange ratio calculation) without subsequently dropping below \$54.67. The Mohawk stock and options issued were valued at \$54.37 which is the five-day average Mohawk stock price beginning two days before the measurement date and ending two days after the measurement date. The impact of a change in the Mohawk stock price at closing on the unaudited pro forma condensed combined consolidated statements of earnings and balance sheet is described below (amounts in thousands, except per share amounts):

Pro forma basic earnings per share was calculated by dividing pro forma net earnings by the pro forma weighted-average number of shares of Mohawk common stock outstanding during the period. Pro forma diluted earnings per share was calculated in a manner similar to that of basic earnings per share except that the pro forma weighted-average number of common shares outstanding is increased to include the number of incremental common shares (computed using the treasury stock method) that would have been outstanding if all potentially

dilutive common shares were issued during the period. In making these pro forma calculations, average outstanding shares include the additional Mohawk common shares assumed to be issued in connection with the merger, based on the 0.2213 exchange ratio. Additionally, the diluted earnings per share calculation include the Dal-Tile options converted into Mohawk options based on a 0.4426 exchange ratio, after consideration of the treasury stock method.

AGREEMENT AND PLAN OF MERGER

THIS AGREEMENT AND PLAN OF MERGER (this "Agreement") is made and entered into as of November 19, 2001 by and among MOHAWK INDUSTRIES, INC. ("Buyer"), a Delaware corporation; MAVERICK MERGER SUB, INC. ("Sub"), a Delaware corporation; and DAL-TILE INTERNATIONAL INC. ("Target"), a Delaware corporation.

Preamble

The respective Boards of Directors of Target, Sub and Buyer are of the opinion that the transactions described herein are advisable and in the best interests of the parties to this Agreement and their respective stockholders. This Agreement provides for the acquisition of Target by Buyer pursuant to the merger of Target with and into Sub. At the effective time of such merger, the outstanding shares of the capital stock of Target shall be converted into the right to receive a cash payment from Buyer or the Surviving Corporation and shares of the common stock of Buyer (except as provided herein). As a result, Sub shall continue to conduct the business and operations of Target as a wholly owned subsidiary of Buyer. The transactions described in this Agreement are subject to the approvals of the stockholders of Target, the stockholders of Buyer, expiration of the required waiting period under the HSR Act, and the satisfaction of certain other conditions described in this Agreement. It is the intention of the parties to this Agreement that the Merger for federal income tax purposes shall qualify as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code.

Concurrently with the execution and delivery of this Agreement, as a condition and inducement to Buyer's willingness to enter into this Agreement, certain of the holders of the outstanding shares of Target Common Stock have executed and delivered to Buyer an agreement in substantially the form of Exhibit 1 (the "Target Voting Agreements"), pursuant to which they have agreed, among other things, subject to the terms of such Target Voting Agreement, to vote the shares of Target Common Stock over which such Persons have voting power to approve and adopt this Agreement and approve the Merger.

Concurrently with the execution and delivery of this Agreement, as a condition and inducement to Target's willingness to enter into this Agreement, a stockholder of Buyer has executed and delivered to Target an agreement in substantially the form of Exhibit 2 (the "Buyer Voting Agreement"), pursuant to which such stockholder has agreed, among other things, subject to the terms of such Buyer Voting Agreement, to vote the shares of Buyer Common Stock over which such stockholder has voting power to approve the issuance of the shares of Buyer Common Stock pursuant to the Merger.

Certain capitalized terms used in this Agreement are defined in Section 11.1 of this Agreement.

NOW, THEREFORE, in consideration of the above and the mutual warranties, representations, covenants, and agreements set forth herein, the parties agree as follows:

ARTICLE 1 TRANSACTIONS AND TERMS OF MERGER

1.1 Merger.

Subject to the terms and conditions of this Agreement and subject to the provisions of Section 1.4 of this Agreement, at the Effective Time, Target shall be merged with and into Sub in accordance with the applicable provisions of the Delaware General Corporation Law ("DGCL") and with the effect provided therein (collectively with the Reverse Merger, the "Merger"). Sub shall be the Surviving Corporation resulting from the Merger and shall remain a wholly owned Subsidiary of Buyer and shall continue to be governed by the Laws of the State of Delaware. The Merger shall be consummated pursuant to the terms of this Agreement, which has been approved and adopted by the respective Boards of Directors of Target, Sub and Buyer and by Buyer, as the sole stockholder of Sub.

1.2 Time and Place of Closing.

The closing of the transactions contemplated hereby (the "Closing") will take place at 9:00 A.M. on the date that the Effective Time occurs (or the immediately preceding day if the Effective Time is earlier than 9:00 A.M.), or at such other time as the Parties, acting through their authorized officers, may mutually agree. The Closing shall be held at such location as may be mutually agreed upon by the Parties.

1.3 Effective Time.

The Merger and other transactions contemplated by this Agreement shall become effective on the date and at the time the Certificate of Merger reflecting the Merger shall become effective with the Secretary of State of the State of Delaware in accordance with Section 251 of the DGCL (the "Effective Time"). Subject to the terms and conditions hereof, unless otherwise mutually agreed upon in writing by the authorized officers of each Party, the Parties shall use their reasonable efforts to cause the Effective Time to occur on the first business day following the last to occur of (i) the effective date (including expiration of any applicable waiting period) of the last required Consent of any Regulatory Authority having authority over and approving or exempting the Merger, and (ii) the date or dates on which both the stockholders of Target and the stockholders of Buyer have approved this Agreement.

1.4 Restructure of Transaction.

Notwithstanding anything in this Agreement to the contrary, if, at the close of trading on the NYSE on the day prior to the scheduled Closing Date, the holders of the outstanding shares of Target Common Stock immediately prior to the Effective Time, would not receive in the Merger, in the aggregate, an amount of Buyer Common Stock with a value as of the Effective Time equal to at least forty percent (40%) of the total value of all shares of Target Common Stock outstanding immediately prior to the Effective Time taking into account the Cash Consideration paid or to be paid to Target stockholders, then Target may elect by written notice to Buyer prior to the Effective Time to have the Merger effected pursuant to a merger of Sub with and into Target, with Target being the Surviving Corporation (the "Reverse Merger"), the conditions contained in Section 9.1(f) will be deemed to have been waived by each Party, and any inaccuracy or failure to perform the representations and covenants contained in Sections 5.17, 6.14 and 8.10 will be deemed to have been waived by each Party. The Reverse Merger would not be intended to qualify as a reorganization within the meaning of Section 368(a) of the Code. The determination of the value of Buyer Common Stock in the first sentence of this Section 1.4 shall be based upon the Exchange Ratio and the closing sale price of a share of Buyer Common Stock on the NYSE on the trading day prior to the Effective Time. "Cash Consideration" shall be defined to mean cash or property other than Buyer Common Stock in the Merger (including (i) the aggregate Cash Payments to be paid to Target stockholders pursuant to Section 3.1(b), (ii) cash to be paid to Target stockholders who perfect their dissenters' rights (which for purposes of this Agreement will be assumed to be an amount equal to the product of (A) the number of shares of Target Common Stock for which the Target stockholders have perfected their dissenters' rights multiplied by (B) the pro rata value of the Merger Consideration relating to such number of shares

calculated as of the date of this Agreement), (iii) redemptions or acquisitions of Target Common Stock by Target or parties related to Target (within the meaning of Treas. Reg. Sec. 1.368-1(e)(3) without regard to Treas. Reg. Sec. 1.368-1(e)(3)(i)(A)) in connection with the Merger, (iv) extraordinary distributions made by Target or parties related to Target (within the meaning of Treas. Reg. Sec. 1.368-1(e)(3) without regard to Treas. Reg. Sec. 1.368-1(e)(3)(i)(A)) prior to and in connection with the Merger (other than those made pursuant to Target's historic dividend practice), and (v) repurchases or acquisitions of Buyer Common Stock issued in connection with the Merger by Buyer or certain parties related to Buyer (within the meaning of Treas. Reg. Sec. 1.368-1(e)(3)). The Parties agree to take all reasonable actions, including amending this Agreement and executing any certificates, agreements or instruments necessary in order to effect the intended purposes of this Section 1.4.

ARTICLE 2 TERMS OF MERGER

2.1 Charter.

The Certificate of Incorporation of Sub in effect immediately prior to the Effective Time shall be the Certificate of Incorporation of the Surviving Corporation until duly amended or repealed; provided that such Certificate of Incorporation shall be amended to reflect a change of the name of the Surviving Corporation.

2.2 Bylaws.

The Bylaws of Sub in effect immediately prior to the Effective Time shall be the Bylaws of the Surviving Corporation until duly amended or repealed.

2.3 Directors and Officers.

The directors of Sub in office immediately prior to the Effective Time, together with such additional persons as may thereafter be elected, shall serve as the directors of the Surviving Corporation from and after the Effective Time in accordance with the Bylaws of the Surviving Corporation. The officers of Sub in office immediately prior to the Effective Time, together with such additional persons as may thereafter be elected, shall serve as the officers of the Surviving Corporation from and after the Effective Time in accordance with the Bylaws of the Surviving Corporation.

ARTICLE 3 MANNER OF CONVERTING SHARES

3.1 Conversion of Shares.

Subject to the provisions of this Article 3, at the Effective Time, by virtue of the Merger and without any action on the part of Buyer, Target, Sub or the stockholders of any of the foregoing, the shares of the constituent corporations shall be converted as follows:

(a) Each share of Sub Common Stock issued and outstanding immediately prior to the Effective Time shall remain issued and outstanding from and after the Effective Time.

(b) Each share of Target Common Stock (excluding shares held by any Target Entity or any Buyer Entity, and excluding shares held by stockholders who perfect their statutory dissenters' rights as provided in Section 3.4) issued and outstanding immediately prior to the Effective Time shall cease to be outstanding and shall be converted into and exchanged for the right to receive from Buyer (i) a cash payment in the amount of \$11.00 (less any required withholding of Taxes, the "Cash Payment") and (ii) (A) .2414 of a share of Buyer Common Stock, if the Average Closing Price (as defined below) is equal to or greater than \$41.00 per share and less than or equal to \$50.12 per share, or (B) that fraction of a share of Buyer Common Stock equal to the quotient obtained by dividing \$9.90 by the Average Closing Price, if the Average Closing Price is less than

\$41.00 and greater than or equal to \$36.45, or (C) that fraction of a share of Buyer Common Stock equal to the quotient obtained by dividing \$12.10 by the Average Closing Price, if the Average Closing Price is greater than \$50.12 and

less than or equal to \$54.67, or (D) .2716 of a share of Buyer Common Stock if the Average Closing Price is less than \$36.45 per share, or (E) .2213 of a share of Buyer Common Stock if the Average Closing Price is greater than \$54.67 (such applicable fraction of Buyer Common Stock, the "Exchange Ratio"). The Buyer Common Stock to be issued pursuant to this Agreement, together with the Cash Payment and cash to be paid in lieu of fractional shares pursuant to Section 3.6 are referred to collectively as the "Merger Consideration." "Average Closing Price" shall be defined to mean the average of the daily closing prices for the shares of Buyer Common Stock for the twenty consecutive full trading days on which such shares are actually traded on the NYSE (as reported by The Wall Street Journal or, if not reported thereby, any other authoritative source selected by Buyer) ending at the close of the trading day three full trading days prior to the Closing Date.

3.2 Anti-Dilution Provisions.

(a) In the event that Buyer changes the number of shares of Buyer Common Stock issued and outstanding prior to the Effective Time as a result of a stock split, stock dividend, or similar recapitalization with respect to such stock and the record date therefor (in the case of a stock dividend) or the effective date thereof (in the case of a stock split or similar recapitalization for which a record date is not established) shall be prior to the Effective Time, the Exchange Ratios and the specified Average Closing Prices identified in Section 3.1(b) shall all be proportionately adjusted.

(b) In the event that, prior to the Effective Time, Buyer shall consummate a merger, consolidation, share exchange or other reorganization, or any other transaction with another Person pursuant to which the holders of Buyer Common Stock receive or become entitled to receive securities, cash or other assets or any combination thereof, each holder of Target Common Stock shall be entitled to receive at the Effective Time for each share of Target Common Stock, the Cash Payment plus that amount of securities, cash or other assets that such holder would have received or become entitled to receive had such holder been the record holder of the number of shares of Buyer Common Stock issuable to such holder of Target Common Stock pursuant to Section 3.1(b) had the Effective Time occurred immediately prior to the consummation of such transaction.

3.3 Shares Held by Target or Buyer.

Each of the shares of Target Common Stock held by any Target Entity or by any Buyer Entity shall be canceled and retired at the Effective Time and no consideration shall be issued in exchange therefor.

3.4 Dissenting Stockholders.

Any holder of shares of Target Common Stock who perfects such holder's dissenters' rights in accordance with and as contemplated by Section 262 of the DGCL shall be entitled to receive from the Surviving Corporation the value of such shares in cash as determined pursuant to such provision of Law; provided, that no such payment shall be made to any dissenting stockholder unless and until such dissenting stockholder has complied with the applicable provisions of the DGCL and surrendered to Target the Certificate or Certificates (as defined below) representing the shares for which payment is being made. In the event that after the Effective Time a dissenting stockholder of Target fails to perfect, or effectively withdraws or loses, such holder's right to appraisal of and payment for such holder's shares, Buyer or the Surviving Corporation shall issue and deliver the consideration to which such holder of shares of Target Common Stock is entitled under this Article 3 (without interest) upon surrender by such holder of the Certificate or Certificates representing the shares of Target Common Stock held by such holder.

3.5 Conversion of Stock Options.

(a) To the extent that a particular holder of Target Options consents in writing to the conversion of all and not less than all of his or her Target Options pursuant to this Section 3.5(a), and provided that such written

consent is delivered to Target within two business days prior to the date on which the Effective Time occurs, such holder's Target Options shall be converted, at the Effective Time, as follows:

(i) One-half of the Target Options held by each particular holder which are outstanding at the Effective Time, whether or not exercisable (each a "Cashout Option"), shall be canceled, and such holder shall be entitled to receive from Buyer for each such Cashout Option (subject to any applicable withholding tax) cash equal to the amount by which (i) the product of (x) the Cash Payment multiplied by (y) two exceeds (ii) the per share exercise price of such Cashout Option. From and after the Effective Time, each Cashout Option shall only represent the right to receive the cash payment provided in this Section 3.5(a); and

(ii) The remaining one-half of the Target Options held by each particular holder which are outstanding at the Effective Time, whether or not exercisable (each a "Rollover Option"), shall be converted into and become rights with respect to Buyer Common Stock, and Buyer shall assume each Rollover Option, in accordance with the terms of the Target Stock Plan and stock option agreement by which it is evidenced, except that from and after the Effective Time, (i) Buyer and its Compensation Committee shall be substituted for Target and the Committee of Target's Board of Directors (including, if applicable, the entire Board of Directors of Target) administering such Target Stock Plan, (ii) each Target Option assumed by Buyer may be exercised solely for shares of Buyer Common Stock as provided below, (iii) such Target Options shall be converted into Buyer Options to purchase that number of shares of Buyer Common Stock equal to the number of shares of Target Common Stock subject to such Target Options immediately prior to the Effective Time multiplied by two times the Exchange Ratio, and (iv) the per share exercise price for each such Buyer Option shall be an amount equal to the quotient of (x) the per share exercise price under the applicable Target Option divided by (y) two times the Exchange Ratio and rounded up to the nearest cent; and

(iii) In determining which Target Options of a particular holder are to be treated as Cashout Options and Rollover Options, the Cashout Options and Rollover Options shall be allocated equally to each particular grant of Target Options to such holder having different exercise prices and terms and, to the extent any such grant is not divisible evenly, the odd Target Option shall be treated as a Cashout Option.

(b) To the extent that a particular holder of Target Options does not consent in writing to the conversion of his or her Target Options pursuant to Section 3.5(a) hereof, or in the event that such written consent is not delivered to Target within two business days prior to the date on which the Effective Time occurs, such holder's Target Options which are outstanding at the Effective Time, whether or not exercisable (the "Conversion Options"), shall be converted into and become rights with respect to Buyer Common Stock and cash, and Buyer shall assume each Conversion Option, in accordance with the terms of the Target Stock Plan and stock option agreement by which it is evidenced, except that from and after the Effective Time, (i) Buyer and its Compensation Committee shall be substituted for Target and the Committee of Target's Board of Directors (including, if applicable, the entire Board of Directors of Target) administering such Target Stock Plan, (ii) each Target Option assumed by Buyer may be exercised solely for shares of Buyer Common Stock and cash as provided below, (iii) such Conversion Options shall be converted into Buyer Options to purchase the sum of (a) that number of shares of Buyer Common Stock equal to the number of shares of Target Common Stock subject to such Conversion Options immediately prior to the Effective Time multiplied by the Exchange Ratio, plus (b) the Cash Payment times the number of shares of Target Common Stock subject to such Conversion Options immediately prior to the Effective Time, and (iv) the per share exercise price under each such Conversion Option shall be adjusted by dividing the per share exercise price under the applicable Conversion Options by the Exchange Ratio and rounding up to the nearest cent.

(c) In the event that the exercise of any Rollover Option or Conversion Option would result in the issuance of a fractional share of Buyer Common Stock such fractional share shall be aggregated with all other fractional shares attributable to all other Rollover Options then being exercised by such holder and to the extent that such fractional shares thereafter remain, then such holder shall be entitled to receive a cash payment for any remaining

after the Effective Time, Buyer and the Surviving Corporation shall comply with the terms of the Target Stock Plans.

At or prior to the Effective Time, Buyer shall cause to be taken all corporate action necessary to reserve for issuance a sufficient number of shares of Buyer Common Stock for delivery upon exercise of Rollover Options in accordance with this Section 3.5. Promptly following the Effective Time and in no event later than five business days following the Closing Date, Buyer shall use its reasonable best efforts to cause the Buyer Common Stock subject to the Rollover Options to be registered under the Securities Act pursuant to a registration statement on Form S-8 (or any successor or other appropriate forms) and shall use its reasonable best efforts to cause the effectiveness of such registration statement (and current status of the prospectus or prospectuses contained therein) and to thereafter maintain such effectiveness for so long as any Rollover Options remain outstanding. Buyer and its Compensation Committee shall be substituted for Target and the Committee of Target's Board of Directors (including, if applicable, the entire Board of Directors of Target) administering such Target Stock Plan.

3.6 Fractional Shares.

No fraction of a share of Buyer Common Stock shall be issued by virtue of the Merger, but in lieu thereof each holder of shares of Target Common Stock who would otherwise be entitled to a fraction of a share of Buyer Common Stock (after aggregating all fractional shares of Buyer Common Stock that otherwise would be received by such holder) shall, upon surrender of such holder's Certificate or Certificates, receive from Buyer an amount of cash, without interest, equal to the product of (i) such fraction, multiplied by (ii) the Average Closing Price.

ARTICLE 4 EXCHANGE OF SHARES

4.1 Exchange Procedures.

(a) At the Effective Time, Buyer shall make available to Buyer's transfer agent or another exchange agent selected by Buyer (the "Exchange Agent") for exchange in accordance with this Section 4.1 the aggregate Merger Consideration. As soon as reasonably practicable after the Effective Time, Buyer and Target shall cause the Exchange Agent to mail to each holder of record of a certificate or certificates which represented shares of Target Common Stock immediately prior to the Effective Time (the "Certificates") appropriate transmittal materials and instructions (which shall specify that delivery shall be effected, and risk of loss and title to such Certificates shall pass, only upon proper delivery of such Certificates to the Exchange Agent). The Certificate or Certificates of Target Common Stock so delivered shall be duly endorsed as the Exchange Agent may require. In the event of a transfer of ownership of shares of Target Common Stock represented by Certificates that is not registered in the transfer records of Target, the Merger Consideration may be issued to a transferee if the Certificates representing such shares are delivered to the Exchange Agent, accompanied by all documents required to evidence such transfer and by evidence satisfactory to the Exchange Agent that any applicable stock transfer taxes have been paid. If any Certificate shall have been lost, stolen, mislaid or destroyed, upon receipt of (i) an affidavit of that fact from the holder claiming such Certificate to be lost, mislaid, stolen or destroyed, (ii) such bond, security or indemnity as Buyer and the Exchange Agent may reasonably require and (iii) any other documents necessary to evidence and effect the bona fide exchange thereof, the Exchange Agent shall issue to such holder the consideration into which the shares represented by such lost, stolen, mislaid or destroyed Certificate shall have been converted. The Exchange Agent may establish such other reasonable and customary rules and procedures in connection with its duties as it may deem appropriate.

(b) After the Effective Time, each holder of shares of Target Common Stock (other than shares to be canceled pursuant to Section 3.3 or as to which statutory dissenters' rights have been perfected as provided in Section 3.4.) issued and outstanding at the Effective Time shall surrender the Certificate or Certificates representing such shares to the Exchange Agent and shall promptly upon surrender thereof receive in exchange

therefor the Merger Consideration (without interest), together with all undelivered dividends or distributions in respect of such shares (without

interest) pursuant to Section 4.2. Buyer shall not be obligated to deliver the Merger Consideration to which any former holder of Target Common Stock is entitled as a result of the Merger until such holder surrenders such holder's Certificate or Certificates for exchange as provided in this Section 4.1.

(c) Each of Buyer, the Surviving Corporation and the Exchange Agent shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement to any holder of shares of Target Common Stock such amounts, if any, as it is required to deduct and withhold with respect to the making of such payment under the Internal Revenue Code or any provision of state, local or foreign Tax Law. To the extent that any amounts are so withheld by Buyer, the Surviving Corporation or the Exchange Agent, as the case may be, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the shares of Target Common Stock in respect of which such deduction and withholding was made by Buyer, the Surviving Corporation or the Exchange Agent, as the case may be.

(d) Any other provision of this Agreement notwithstanding, none of Buyer, the Surviving Corporation or the Exchange Agent shall be liable to a holder of Target Common Stock for any amounts paid or property delivered in good faith to a public official pursuant to any applicable abandoned property, escheat or similar Law.

4.2 Rights of Former Target Stockholders.

At the Effective Time, the stock transfer books of Target shall be closed as to holders of Target Common Stock immediately prior to the Effective Time and no transfer of Target Common Stock by any such holder shall thereafter be made or recognized. Until surrendered for exchange in accordance with the provisions of Section 4.1, each Certificate theretofore representing shares of Target Common Stock (other than shares to be canceled pursuant to Sections 3.3 or as to which statutory dissenters' rights have been perfected as provided in Section 3.4) shall from and after the Effective Time represent for all purposes only the right to receive the Merger Consideration in exchange therefor, subject, however, to the Surviving Corporation's obligation to pay any dividends or make any other distributions with a record date prior to the Effective Time which have been declared or made by Target in respect of such shares of Target Common Stock in accordance with the terms of this Agreement and which remain unpaid at the Effective Time. Whenever a dividend or other distribution is declared by Buyer on the Buyer Common Stock, the record date for which is at or after the Effective Time, the declaration shall include dividends or other distributions on all shares of Buyer Common Stock issuable pursuant to this Agreement, but after the Effective Time no dividend or other distribution payable to the holders of record of Buyer Common Stock as of any time subsequent to the Effective Time shall be delivered to the holder of any Certificate until such holder surrenders such Certificate for exchange as provided in Section 4.1.

(c) Except as disclosed in Section 5.10(c) of the Target Disclosure Memorandum, during the period of (i) any Target Entity's ownership or operation of any of their respective current properties, (ii) any Target Entity's participation in the management of any Participation Facility, or (iii) any Target Entity's holding of a security interest in any Operating Property, no Target Entity has released, discharged, spilled or disposed of Hazardous Material in, on, under, adjacent to, or affecting such properties where such release, discharge, spillage or disposal required remediation under Environmental Laws and was not remediated in compliance with Environmental Laws, except where any such releases, discharges, spillages or disposals would not, individually or in the aggregate, reasonably be expected to have a Target Material Adverse Effect. Prior to the period of (i) any Target Entity's ownership or operation of any of their respective current properties, (ii) any Target Entity's participation in the management of any Participation Facility, or (iii) any Target Entity's holding of a security interest in any Operating Property, to the Knowledge of Target, there were no releases, discharges, spillages, or disposals of Hazardous Material in, on, under, or affecting any such property, Participation Facility or Operating Property that required remediation under Environmental Laws and was not remediated in compliance with Environmental Laws, except where any such

(e) Each Target Entity has obtained all permits, licenses, approvals, consents, orders, and authorizations which are required under any Environmental Law in connection with the ownership, use, or lease of the Assets ("Environmental Permits"), except where any failure to obtain any such Environmental Permits would not, individually or in the aggregate, reasonably be expected to have a Target Material Adverse Effect. Each Target Entity is in compliance with each such Environmental Permit, and no Environmental Permit restricts such Target Entity from operating any equipment covered by such Environmental Permit as currently conducted, except where any failure to comply with any such Environmental Permits would not, individually or in the aggregate, reasonably be expected to have a Target Material Adverse Effect.

Any of the Target Benefit Plans which is an "employee pension benefit plan," as that term is defined in ERISA Section 3(2), is referred to herein as a "Target ERISA Plan." Each Target ERISA Plan which is also a "defined benefit plan" (as defined in Internal Revenue Code Section 414(j)) is referred to herein as a "Target Pension Plan."

(b) Target has made available to Buyer prior to the execution of this Agreement (i) all trust agreements or other funding arrangements for all Employee Benefit Plans, (ii) all determination letters, rulings, opinion letters, information letters or advisory opinions issued by the IRS, the United States Department of Labor ("DOL") or the Pension Benefit Guaranty Corporation during this calendar year or any of the preceding three calendar years, (iii) any filing or documentation (whether or not filed with the IRS) where corrective action was taken in connection with the IRS EPCRS program set forth in Revenue Procedure 2001-17 (or its predecessor or successor rulings), (iv) annual reports or returns, audited or unaudited financial statements, actuarial reports and valuations prepared for any Employee Benefit Plan for the current plan year and the three preceding plan years, and (v) the most recent summary plan descriptions and any material modifications thereto.

(c) Except as previously disclosed to Buyer, each Target Benefit Plan is in compliance in all material respects with the terms of such Target Benefit Plan and the applicable requirements of the Internal Revenue Code and ERISA. Each Target ERISA Plan which is intended to be qualified under Section 401(a) of the Internal Revenue Code has received a favorable determination letter from the IRS that is still in effect and applies to the Target ERISA Plan as amended and as administered or, within the time permitted under Internal Revenue Code Section 401(b), has timely applied for a favorable determination letter which when issued will apply retroactively to the Target ERISA Plan as amended and as administered. Target is not aware of any circumstances likely to result in revocation of any such favorable determination letter. Except as disclosed in Section 5.13(c) of the Target Disclosure Memorandum, Target has not received any communication (written or unwritten) from any government agency questioning or challenging the compliance of any Target Benefit Plan with applicable Laws. Except as disclosed in Section 5.13(c) of the Target Disclosure Memorandum, no Target Benefit Plan is currently being audited by a governmental agency for compliance with applicable Laws or has been audited with a determination by the governmental agency that the Employee Benefit Plan failed to comply with applicable Laws.

(d) There has been no oral or written representation or communication with respect to any aspect of the Employee Benefit Plans made to employees of any Target Entity or ERISA Affiliate which is not in accordance with the written or otherwise preexisting terms and provisions of such plans. No Target Entity, ERISA Affiliate, administrator or fiduciary of any Target Benefit Plan (or any agent of any of the foregoing) has engaged in any transaction, or acted or failed to act in any manner, which could subject the Target or Buyer to any direct or indirect material Liability (by indemnity or otherwise) for breach of any fiduciary, co-fiduciary or other duty under ERISA. There are no unresolved claims or disputes under the terms of, or in connection with, the Target Benefit Plans other than claims for benefits which are payable in the ordinary course of business and no action, proceeding, prosecution, inquiry, hearing or investigation has been commenced with respect to any Target Benefit Plan.

(e) All Target Benefit Plan documents and annual reports or returns,

audited or unaudited financial statements, actuarial valuations, summary annual reports, and summary plan descriptions issued with respect to the Target Benefit Plans complete and correct in all material respects, have been timely filed with the IRS, the DOL or distributed to participants of the Target Benefit Plans (as required by Law), and there have been no material changes in the information set forth therein.

(f) Except as previously disclosed to Buyer, no "party in interest" (as defined in ERISA Section 3(14)) or "disqualified person" (as defined in Internal Revenue Code Section 4975(e)(2)) of any Target Benefit Plan has engaged in any material nonexempt "prohibited transaction" (described in Internal Revenue Code Section 4975(c) or ERISA Section 406).

(g) For any Target Pension Plan, the fair market value of such Target Pension Plan's assets equals or exceeds the present value of all benefits (whether vested or not) accrued to date by all present or former participants in such Target Pension Plan. For this purpose the assumptions prescribed by the Pension Benefit Guaranty Corporation for valuing plan assets or liabilities upon plan termination shall be applied and the term "benefits" shall include the value of all benefits, rights and features protected under Internal Revenue Code Section 411(d)(6) or its successors and any ancillary benefits (including disability, shutdown, early retirement and welfare benefits) provided under any such Target Pension Plan and all "benefit liabilities" as defined in ERISA Section 4001(a)(16). Since the date of the most recent actuarial valuation, there has been (i) no material change in the financial position of any Target Pension Plan, (ii) no change in the actuarial assumptions with respect to any Target Pension Plan, and (iii) no increase in benefits under any Target Pension Plan as a result of Target Pension Plan amendments or changes in any applicable Law which is reasonably likely to have, individually or in the aggregate, a material adverse effect on the funding status of such Target Pension Plan. All contributions with respect to an Employee Benefit Plan of Target, or any of its ERISA Affiliates that is subject to Internal Revenue Code Section 412 or ERISA Section 302 have or will be timely made and, with respect to any such Employee Benefit Plan, there is no Lien nor is there expected to be a Lien under Internal Revenue Code Section 412(n) or ERISA Section 302(f) or Tax under Internal Revenue Code Section 4971. No Target Pension Plan has a "liquidity shortfall" as defined in Internal Revenue Code Section 412(m)(5). Neither Target nor any of its ERISA Affiliates is subject to or can reasonably be expected to become subject to a Lien under Internal Revenue Code Section 401(a)(29). All premiums required to be paid under ERISA Section 4006 have been timely paid by Target and by its ERISA Affiliates.

(h) No Liability under Title IV of ERISA has been or is expected to be incurred by Target or its ERISA Affiliates and no event has occurred that could reasonably result in material Liability under Title IV of ERISA being incurred by Target or its ERISA Affiliates with respect to any ongoing, frozen, or terminated single-employer plan of Target or the single-employer plan of any ERISA Affiliate. There has been no "reportable event," within the meaning of ERISA Section 4043 for which the 30-day reporting requirement has not been waived by any ongoing, frozen, or terminated single employer plan of Target or of an ERISA Affiliate.

(i) Except as disclosed in Section 5.13 of the Target Disclosure Memorandum, no Target Entity has any material Liability for retiree health and life benefits under any of the Target Benefit Plans and there are no restrictions on the rights of such Target Entity to amend or terminate any such retiree health or benefit Plan without incurring any material Liability thereunder except to the extent required under Part 6 of Title I of ERISA or Internal Revenue Code Section 4980B. No Tax under Internal Revenue Code Sections 4980B or 5000 has been incurred with respect to any Target Benefit Plan and no circumstance exists which is reasonably likely to give rise to such Taxes.

(j) Except as disclosed in Section 5.13 of the Target Disclosure Memorandum, neither the execution and delivery of this Agreement nor the consummation of the transactions contemplated hereby will (i) result in any payment (including severance, termination indemnity, unemployment compensation, golden parachute, or otherwise) becoming due to any director, any employee or any independent contractor of any Target Entity from any Target Entity under any Target Benefit Plan or otherwise, (ii) increase any benefits otherwise payable under any Target Benefit Plan or otherwise, or (iii) result in any acceleration of the time of payment or vesting of any such benefit.

(k) The actuarial present values of all accrued deferred compensation entitlements (including entitlements under any executive compensation, supplemental retirement, or employment agreement) of current and former employees and current and former independent contractors of any Target Entity and their respective beneficiaries, other than entitlements accrued pursuant to funded retirement plans subject to the provisions of Internal Revenue Code Section 412 or ERISA Section 302, have been fully reflected on the Target Financial Statements to the extent required by and in accordance with GAAP.

(l) All individuals who render services to any Target Entity and who are authorized to participate in a Target Benefit Plan pursuant to the terms of such Target Benefit Plan are in fact eligible to and authorized to participate in such Target Benefit Plan. All individuals participating in (or eligible to participate in) any Target Benefit Plan are common-law employees of a Target Entity, except where the terms of such plans allow participation by persons who are not common law employees and as provided in Section 5.13(l) of the Target Disclosure Memorandum.

(m) On or after September 26, 1980, neither the Target nor any of its ERISA Affiliates has had an "obligation to contribute" (as defined in ERISA Section 4212) to a "multiemployer plan" (as defined in ERISA Sections 4001(a) (3) and 3(37) (A)).

(n) Without limiting the foregoing provisions of Section 5.13, except as disclosed in Section 5.13 of the Target Disclosure Memorandum, with respect to each Employee Benefit Plan maintained outside the United States which is mandated by a government other than that of the United States or subject to foreign Law (collectively, the "Target Foreign Benefit Plans"), (i) the terms of each Target Foreign Benefit Plan and the manner in which it is and has been administered in operation are in material compliance with all applicable Laws of the jurisdiction in which such Target Foreign Benefit Plan is maintained, (ii) each Target Foreign Benefit Plan which is required to be registered with or submitted to a foreign Regulatory Authority for tax qualification or other approval has been so registered or submitted and each such plan has received such approval, and Target is not aware of any circumstances likely to result in revocation of any such registration or approval, (iii) all contributions to each Target Foreign Benefit Plan required to be made through the Effective Time or required to be made with respect to a period prior to the Effective Time have been or shall be made by a Target Entity or, if applicable, shall be accrued in accordance with applicable international accounting practices, and (iv) for any Target Foreign Benefit Plan which, under the Laws of the applicable foreign jurisdiction, is required to be funded, the fair market value of such Target Foreign Benefit Plan's assets equals or exceeds the present value of all benefits (whether vested or not) accrued to date by all present and former participants in such Target Foreign Benefit Plan or such Target Foreign Benefit Plan is fully insured, in each case based upon generally accepted local accounting and actuarial practice and procedure.

5.14 Material Contracts.

Except as disclosed in Section 5.14 of the Target Disclosure Memorandum, none of the Target Entities, nor any of their respective Assets, businesses, or operations, is a party to, or is bound or affected by, or receives benefits under, (i) any employment, severance, termination, consulting, or retirement Contract providing for aggregate payments to any Person in any calendar year in excess of \$200,000, (ii) any Contract relating to the borrowing of money by any Target Entity, including obligations under synthetic leases or other off-balance sheet arrangements, or the guarantee by any Target Entity of any such obligation (other than Contracts evidencing trade payables and Contracts relating to borrowings or guarantees made in the ordinary course of business), (iii) any Contract which prohibits or restricts any Target Entity from engaging in any business activities in any geographic area, line of business or otherwise in competition with any other Person, (iv) any Contract between or among Target Entities, (v) any Contract involving Intellectual Property (other than Contracts entered into in the ordinary course with customers and "shrink-wrap" software licenses), (vi) any Contract relating to the purchase or sale of any goods or services (other than Contracts entered into in the ordinary course of business and involving payments under any individual Contract not in excess of \$200,000 and Contracts that may be cancelled

or terminated by a Target Entity without penalty and with 60 days or less notice), and (vii) any other Contract or amendment thereto that would be required to be filed as an exhibit to a Form 10-K filed by Target with the SEC as of the date of this Agreement (each such Contract identified above, a "Material Contract," and together with all Contracts referred to in Sections 5.9, 5.10 and 5.13(a), the "Target Contracts"). Except as disclosed in Section 5.14 of the Target Disclosure Memorandum, with respect to each Target Contract: (A) the Contract is in full force and effect; (B) to the Knowledge of Target, no Target Entity is in Default thereunder; (C) no Target Entity has repudiated or waived any material provision of any such Contract; and (D) no other party to any such Contract is, to the Knowledge of Target, in Default in any respect or has repudiated or waived any material provision thereunder.

5.15 Legal Proceedings.

There is no Litigation instituted or pending, or, to the Knowledge of Target, threatened (or unasserted but considered probable of assertion and which if asserted would have at least a reasonable possibility of an unfavorable outcome) against any Target Entity, or against any director, officer or employee in their capacities as such or Employee Benefit Plan of any Target Entity, or against any Asset, interest, or right of any of them, that is reasonably likely, individually or in the aggregate, to have a Target Material Adverse Effect, nor are there any Orders outstanding against any Target Entity, that are reasonably likely, individually or in the aggregate, to have a Target Material Adverse Effect. Section 5.15(a) of the Target Disclosure Memorandum contains a summary of all Litigation as of the date of this Agreement to which any Target Entity is a party and which names a Target Entity as a defendant or cross-defendant or for which any Target Entity has potential material Liability. Section 5.15(b) of the Target Disclosure Memorandum contains a summary of all Orders to which any Target Entity is subject.

5.16 Information Supplied.

(a) None of the information supplied or to be supplied by any Target Entity or any Affiliate thereof for inclusion in the Registration Statement to be filed by Buyer with the SEC will, when the Registration Statement becomes effective, be false or misleading with respect to any material fact, or omit to state any material fact necessary to make the statements therein not misleading.

(b) None of the information supplied or to be supplied by any Target Entity or any Affiliate thereof for inclusion in the Joint Proxy Statement/Prospectus to be mailed to each Party's stockholders in connection with the Stockholders' Meetings, and any other documents to be filed by a Target Entity or any Affiliate thereof with the SEC or any other Regulatory Authority in connection with the transactions contemplated hereby, will, at the respective time such documents are filed, and with respect to the Joint Proxy Statement/Prospectus, when first mailed to the stockholders of Target and stockholders of Buyer, be false or misleading with respect to any material fact, or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, or, in the case of the Joint Proxy Statement/Prospectus or any amendment thereof or supplement thereto, at the time of the Stockholders' Meetings, be false or misleading with respect to any material fact, or omit to state any material fact necessary to correct any statement in any earlier communication with respect to the solicitation of any proxy for the Stockholders' Meetings.

(c) All documents that any Target Entity or any Affiliate thereof is responsible for filing with any Regulatory Authority in connection with the transactions contemplated hereby will comply as to form in all material respects with the provisions of applicable Law.

5.17 Tax and Regulatory Matters.

No Target Entity or any Affiliate thereof has taken or agreed to take any action or has any Knowledge of any fact or circumstance that is reasonably likely to (i) prevent the Merger from qualifying as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, or (ii) materially impede or delay receipt of any Consents of Regulatory Authorities referred to in Section 9.1(b) or result in the imposition of a condition or restriction of the type referred to in the last sentence of such Section.

5.18 State Takeover Laws.

Each Target Entity has taken all necessary action to exempt the transactions contemplated by this Agreement from, or if necessary to challenge the validity or applicability of, any applicable "moratorium," "fair price," "business combination," "control share," or other anti-takeover Laws, including Section 203 of the DGCL (collectively, "Takeover Laws").

5.19 Charter Provisions.

Each Target Entity has taken all action so that the entering into of this Agreement and the consummation of the Merger and the other transactions contemplated by this Agreement do not and will not result in the grant of any rights to any Person under the Certificate of Incorporation, Bylaws or other governing instruments of any Target Entity or restrict or impair the ability of Buyer or any of its Subsidiaries to vote, or otherwise to exercise the rights of a stockholder with respect to, shares of any Target Entity that may be directly or indirectly acquired or controlled by them.

(a) Buyer has timely filed and made available to Target all SEC Documents required to be filed by Buyer since January 1, 1998 (together with all such SEC Documents filed, whether or not required to be filed the "Buyer SEC Reports").

The Buyer SEC Reports (i) at the time filed, complied in all material respects with the applicable requirements of the Securities Laws and other applicable Laws and (ii) did not, at the time they were filed (or, if amended or superseded by a filing prior to the date of this Agreement, then on the date of such filing or, in the case of registration statements, at the effective date thereof) contain any untrue statement of a material fact or omit to state a material fact required to be stated in such Buyer SEC Reports or necessary in order to make the statements in such Buyer SEC Reports, in light of the circumstances under which they were made, not misleading. No Buyer Subsidiary files, or is required to file, any SEC Documents.

(b) Each of the Buyer Financial Statements (including, in each case, any related notes) contained in the Buyer SEC Reports, including any Buyer SEC Reports filed after the date of this Agreement until the Effective Time, complied as to form in all material respects with the applicable published rules and regulations of the SEC with respect thereto, was prepared in accordance with GAAP applied on a consistent basis throughout the periods involved (except as may be indicated in the notes to such financial statements or, in the case of unaudited interim statements, as permitted by Form 10-Q of the SEC), and fairly presented in all material respects the consolidated financial position of Buyer and its Subsidiaries as at the respective dates and the consolidated results of operations and cash flows for the periods indicated, except that the unaudited interim financial statements were or are subject to normal and recurring year-end adjustments which were not or are not expected to be material in amount or effect.

6.5 Compliance with Laws.

Each Buyer Entity has in effect all Permits necessary for it to own, lease or operate its material Assets and to carry on its business as now conducted, and there has occurred no Default under any such Permit. None of the Buyer Entities:

(b) is in Default under any Laws, Orders or Permits (other than Defaults under Environmental Laws or Environmental Permits, which Defaults are addressed in Section 6.11) applicable to its business or employees conducting its business, except for Defaults which would not reasonably be expected to have, individually or in the aggregate, a Buyer Material Adverse Effect; or

(c) since January 1, 1998, has received any notification or communication (other than notices or communications under Environmental Laws or regarding Environmental Permits, which are addressed in Section 6.11) from any agency or department of federal, state, or local government or any Regulatory Authority or the staff thereof (i) asserting that any Buyer Entity is not, or may not be, in compliance with any Laws or Orders, where such noncompliance would reasonably be expected to have, individually or in the aggregate, a Buyer Material Adverse Effect, (ii) threatening to revoke any Permits, the revocation of which would reasonably be expected to have, individually or in the aggregate, a Buyer Material Adverse Effect, or (iii) requiring any Buyer Entity to enter into or consent to the issuance of a cease and desist order, injunction, formal agreement, directive, commitment or memorandum of understanding, or to adopt any board resolution or similar undertaking, which restricts materially the conduct of its business, or in any manner relates to its employment decisions, its employment or safety policies or practices, its management, or the payment of dividends.

A-21

Copies of all material reports, correspondence, notices and other documents relating to any material inspection, audit, monitoring or other form of review or enforcement action instituted or commenced by a Regulatory Authority since January 1, 1998 with respect to any Buyer Entity have been made available to Target.

6.6 Legal Proceedings.

There is no Litigation instituted or pending, or, to the Knowledge of Buyer, threatened (or unasserted but considered probable of assertion and which if asserted would have at least a reasonable possibility of an unfavorable

outcome) against any Buyer Entity, or against any director, officer or employee in their capacity as such or Employee Benefit Plan of any Buyer Entity, or against any Asset, interest, or right of any of them, that would reasonably be expected to have, individually or in the aggregate, a Buyer Material Adverse Effect, nor are there any Orders outstanding against any Buyer Entity, that is reasonably likely to have, individually or in the aggregate, a Buyer Material Adverse Effect. Section 6.6 of the Buyer Disclosure Memorandum contains a summary of all Litigation as of the date of this Agreement to which any Buyer Entity is a party and which names a Buyer Entity as a defendant or cross-defendant for which any Buyer Entity has potential material Liability. Section 6.6. the Buyer Disclosure Memorandum contains a summary of all Orders to which any Buyer Entity is subject.

6.7 Absence of Certain Changes or Events.

Since September 30, 2001, (i) there have been no events, changes or occurrences which have had, or would reasonably be expected to have, individually or in the aggregate, a Buyer Material Adverse Effect, and (ii) neither Buyer nor any Buyer Subsidiary has taken any action, or failed to take any action, prior to the date of this Agreement, which action or failure, if taken after the date of this Agreement, would represent or result in a material breach or violation of any of the covenants and agreements of Buyer provided in Article 7.

6.8 Absence of Undisclosed Liabilities.

Neither Buyer nor any of the Buyer Subsidiaries has any material Liabilities of a type required by GAAP to be reflected on a consolidated balance sheet, other than (i) Liabilities incurred in the ordinary course of business since September 30, 2001, (ii) Liabilities reflected in any of the Buyer SEC Reports, and (iii) Liabilities which would not in the aggregate reasonably be expected to have a Buyer Material Adverse Effect.

All Taxes due and owing by Buyer, any Buyer Entity or any member of Buyer Group have been paid, or adequately reserved for, except to the extent any failure to pay or reserve would not, individually or in the aggregate, reasonably be expected to have a Buyer Material Adverse Effect. There is no audit examination, deficiency, refund litigation, proposed adjustment or matter in controversy with respect to any Taxes due and owing by Buyer, any Buyer Subsidiary or any member of Buyer Group which would, individually or in the aggregate, have a Buyer Material Adverse Effect. All assessments for Taxes due and owing by Buyer, any Buyer Entity or any member of Buyer Group with respect to completed and settled examinations or concluded litigation have been paid. Buyer has provided or made available to Target information relating to (i) the taxable years of Buyer for which the statutes of limitations with respect to federal income Taxes have not expired, and (ii) with respect to federal income Taxes, those years for which examinations have been completed, those years for which examinations are presently being conducted, and those years for which examinations have not yet been initiated. Buyer and each Buyer Entity has complied in all material respects with all rules and regulations relating to the withholding of Taxes, except to the extent any such failure to comply would not, individually or in the aggregate, reasonably be expected to have a Buyer Material Adverse Effect.

A-22

Except as described in any of the Buyer SEC Documents, all Employee Benefit Plans maintained or contributed to by Buyer or Buyer Subsidiaries are in material compliance with their terms and all applicable provisions of ERISA, the Internal Revenue Code and any other applicable legislation, and Buyer and

Buyer Subsidiaries do not have any liabilities or obligations with respect to any such Employee Benefit Plans, whether or not accrued, contingent or otherwise, except (a) as described in any of the Buyer SEC Documents and (b) for instances of noncompliance or liabilities or obligations that would not in the aggregate reasonably be expected to have a Buyer Material Adverse Effect.

6.11 Environmental Matters

Except as described in any of the Buyer SEC Documents, (i) Buyer and each of its Subsidiaries is in material compliance with all applicable Environmental Laws, except for non-compliance which would not in the aggregate reasonably be expected to have a Buyer Material Adverse Effect, which compliance includes, but is not limited to, the possession by Buyer and its Subsidiaries of material Environmental Permits and other governmental authorizations required under applicable Environmental Laws, and material compliance with the terms and conditions thereof; (ii) neither Buyer nor any Buyer Subsidiary has received written notice of, or, to the Knowledge of Buyer, is the subject of, any environmental Litigation which would in the aggregate reasonably be expected to have a Buyer Material Adverse Effect; and (iii) to the Knowledge of Buyer, there are no circumstances that are reasonably likely to prevent or interfere with such material compliance in the future.

6.12 Information Supplied.

(a) None of the information supplied or to be supplied by any Buyer Entity or any Affiliate thereof for inclusion in the Registration Statement to be filed by Buyer with the SEC, will, when the Registration Statement becomes effective, be false or misleading with respect to any material fact, or omit to state any material fact necessary to make the statements therein not misleading.

(b) None of the information supplied or to be supplied by any Buyer Entity or any Affiliate thereof for inclusion in the Joint Proxy Statement/Prospectus to be mailed to each Party's stockholders in connection with the Stockholders' Meetings, and any other documents to be filed by any Buyer Entity or any Affiliate thereof with the SEC or any other Regulatory Authority in connection with the transactions contemplated hereby, will, at the respective time such documents are filed, and with respect to the Joint Proxy Statement/Prospectus, when first mailed to the stockholders of Target and stockholders of Buyer, be false or misleading with respect to any material fact, or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, or, in the case of the Joint Proxy Statement/Prospectus or any amendment thereof or supplement thereto, at the time of the Stockholders' Meetings, be false or misleading with respect to any material fact, or omit to state any material fact necessary to correct any statement in any earlier communication with respect to the solicitation of any proxy for the Stockholders' Meetings.

(c) All documents that any Buyer Entity or any Affiliate thereof is responsible for filing with any Regulatory Authority in connection with the transactions contemplated hereby will comply as to form in all material respects with the provisions of applicable Law.

6.13 Authority of Sub.

Sub is a corporation duly organized, validly existing and in good standing under the Laws of the State of Delaware as a wholly owned Subsidiary of Buyer. The authorized capital stock of Sub shall consist of 1,000 shares of Sub Common Stock, all of which are validly issued and outstanding, fully paid and nonassessable and are owned by Buyer free and clear of any Lien. Sub has the corporate power and authority necessary to execute, deliver and perform its obligations under this Agreement and to consummate the transactions contemplated hereby. The execution, delivery and performance of this Agreement and the consummation of the transactions contemplated herein, including the Merger, have been duly and validly authorized by all necessary corporate

Buyer, as the sole stockholder of Sub, has voted prior to the Effective Time the shares of Sub Common Stock in favor of adoption and approval of this Agreement, as and to the extent required by applicable Law.

6.14 Tax and Regulatory Matters.

Buyer has not taken or agreed to take any action and does not have any Knowledge of any fact or circumstance that is reasonably likely to (i) prevent the Merger from qualifying as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, or (ii) materially impede or delay receipt of any Consents of Regulatory Authorities referred to in Section 9.1(b) or result in the imposition of a condition or restriction of the type referred to in the last sentence of such Section.

6.15 Opinion of Financial Advisor.

The Board of Directors of Buyer has received the opinion of First Union Securities, Inc., trading under the name Wachovia Securities ("Wachovia Securities"), dated the date of this Agreement, to the effect that the merger consideration to be paid by Buyer pursuant to this Agreement (which consists of the Merger Consideration and the consideration to be paid by Buyer to holders of Target Options pursuant to Section 3.5 of this Agreement) is fair, from a financial point of view, to Buyer. A true, correct and complete copy of the written opinion delivered by Wachovia Securities shall be delivered to Target for informational purposes only following the signing of this Agreement.

6.16 Board Recommendation.

The Board of Directors of Buyer, at a meeting duly called and held, has by unanimous vote of the directors present resolved to recommend that the holders of the shares of Buyer Common Stock approve the issuance of the Buyer Common Stock in the Merger.

7.3 Covenants of Buyer.

From the date of this Agreement until the earlier of the Effective Time or the termination of this Agreement, unless the prior written consent of Target shall have been obtained, and except as otherwise expressly contemplated herein, Buyer covenants and agrees that it shall (a) continue to conduct its business and the business of its Subsidiaries in a manner designed in its reasonable judgment, to enhance the long-term value of the Buyer Common Stock and the business prospects of the Buyer Entities and to the extent consistent therewith use all reasonable efforts to preserve intact the Buyer Entities' core businesses and goodwill with their respective employees and the communities they serve, (b) make no material change in any Tax or accounting methods or systems of internal accounting controls nor make or revoke any Tax election, except as may be appropriate to conform to changes in Tax Laws or regulatory accounting requirements or GAAP, (c) not enter into any agreement with respect to, or consummate, any acquisition by Buyer of any Person or assets the consummation of which would require the filing of a current report on Form 8-K pursuant to Item 2 thereof with the SEC, (d) take no action or actions that would reasonably be expected to cause a Buyer Material Adverse Effect, and (e) take no action which would (i) materially adversely affect the ability of any Party to obtain any Consents required for the transactions contemplated hereby without imposition of a condition or restriction of the type referred to in the last sentence of Section 9.1(b), or (ii) materially adversely affect the ability of any Party to perform its covenants and agreements under this Agreement; provided, that, subject to clauses (c) and (d) above, the foregoing shall not prevent any Buyer Entity from acquiring any Assets or other businesses or from discontinuing or disposing of any of its Assets or business if such action is, in the reasonable judgment of Buyer, desirable in the conduct of the business of Buyer and its Subsidiaries, provided that such actions shall not materially delay the Effective Time or materially hinder consummation of the Merger. Buyer further covenants and agrees that it will not, without the prior written consent of Target, which consent shall not be unreasonably withheld, amend the Buyer Certificate of Incorporation or Buyer Bylaws, in each case, in any manner adverse to the holders of Target Common Stock as compared to rights of holders of Buyer Common Stock generally as of the date of this Agreement.

7.4 Adverse Changes in Condition.

Each Party agrees to give written notice promptly to the other Party upon becoming aware of the occurrence or impending occurrence of any event or circumstance relating to it or any of its Subsidiaries which (i) would reasonably be expected to have, individually or in the aggregate, a Target Material Adverse Effect or a Buyer Material Adverse Effect, as applicable, or (ii) would cause or constitute a material breach of any of its representations, warranties, or covenants contained herein, and to use its reasonable efforts to prevent or promptly to remedy the same.

7.5 Reports.

Each Party and its Subsidiaries shall file all reports required to be filed by it with Regulatory Authorities between the date of this Agreement and the Effective Time and shall deliver to the other Party copies of all such reports promptly after the same are filed. If financial statements are contained in any

such reports filed with the SEC, such financial statements will fairly present the consolidated financial position of the entity filing such statements as of the dates indicated and the consolidated results of operations, changes in stockholders' equity, and cash flows for the periods then ended in accordance with GAAP (subject in the case of interim financial statements to normal recurring year-end adjustments that are not material). As of their respective dates, such reports filed with the SEC will comply in all material respects with the Securities Laws and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. Any financial statements contained in any other reports to another Regulatory Authority shall be prepared in accordance with Laws applicable to such reports.

ARTICLE 8 ADDITIONAL AGREEMENTS

8.1 Joint Proxy Statement/Prospectus; Registration Statement.

As promptly as practicable after the execution of this Agreement, Buyer and Target shall prepare and file with the SEC the Joint Proxy Statement/Prospectus, and Buyer shall prepare and file with the SEC the Registration Statement in which the Joint Proxy Statement/Prospectus is to be included as a prospectus. Buyer and Target shall provide each other with any information which may be required in order to effectuate the preparation and filing of the Joint Proxy Statement/Prospectus and the Registration Statement pursuant to this Section 8.1. Each of Buyer and Target shall respond to any comments from the SEC, shall use all reasonable efforts to cause the Registration Statement to be declared effective under the Securities Act as promptly as practicable after such filing and to keep the Registration Statement effective as long as is necessary to consummate the Merger and the transactions contemplated hereby. Each of Buyer and Target shall notify the other promptly upon the receipt of any comments from the SEC or its staff in connection with the filing of, or amendments or supplements to, the Registration Statement and/or the Joint Proxy Statement/Prospectus. Whenever any event occurs which is required to be set forth in an amendment or supplement to the Joint Proxy Statement/Prospectus or the Registration Statement, Buyer or Target, as the case may be, shall promptly inform the other of such occurrence and cooperate in filing with the SEC or its staff, and/or mailing to stockholders of Buyer and/or Target, such amendment or supplement. Each of Buyer and Target shall cooperate and provide the other (and its counsel) with a reasonable opportunity to review and comment on any amendment or supplement to the Registration Statement and Joint Proxy Statement/Prospectus prior to filing such with the SEC, and shall provide each other with a copy of all such filings made with the SEC. Each of Buyer and Target shall cause the Joint Proxy Statement/Prospectus to be mailed to its respective stockholders at the earliest practicable time after the Registration Statement is declared effective by the SEC.

8.2 Meetings of Stockholders; Board Recommendation.

(a) Promptly after the Registration Statement is declared effective under the Securities Act, each of Buyer and Target shall take all action necessary in accordance with the DGCL and its respective Certificate of Incorporation and Bylaws to call, hold and convene a meeting of its respective stockholders to consider, in the case of Buyer, the issuance of shares of Buyer Common Stock pursuant to the Merger and such other matters as it deems appropriate, and, in the case of Target, adoption and approval of this Agreement and approval of the Merger (each, a "Stockholders' Meeting") to be held as promptly as practicable (without limitation, within 20 business days, if practicable) after the mailing of the Joint Proxy Statement/Prospectus to their respective stockholders. Each of Buyer and Target shall use all reasonable efforts to hold their respective Stockholders' Meetings on the same date. Subject to Section 8.3(d), each of Buyer and Target shall use all reasonable efforts to solicit from its respective stockholders proxies in favor of, in the case of Buyer, the issuance of shares of Buyer Common Stock pursuant to the Merger, and, in the case of Target, the adoption and approval of this Agreement and the approval of the Merger, and shall take all other action necessary or advisable to secure the vote or consent of their respective stockholders required by the rules of the NYSE or the DGCL to obtain such approvals.

subject to Section 10.1(b), Buyer or Target, as the case may be, may adjourn or postpone its Stockholders' Meeting to the extent necessary to ensure that any necessary supplement or amendment to the Joint Proxy Statement/Prospectus is provided to its respective stockholders in advance of a vote on the issuance of Buyer Common Stock or the Merger and this Agreement, as applicable, or, if as of the time for which the Stockholders' Meeting is originally scheduled (as set forth in the Joint Proxy Statement/Prospectus) there are insufficient shares of capital stock of Buyer or Target, as the case may be, represented (either in person or by proxy) to constitute a quorum necessary to conduct the business of such Stockholders' Meeting. Each of Buyer and Target shall ensure that its respective Stockholders' Meeting is called, noticed, convened, held and conducted, and that all proxies solicited by it in connection with the Stockholders' Meeting are solicited in compliance with the DGCL, its Certificate of Incorporation and Bylaws, the rules of the NYSE and all other applicable Laws.

(b) Except to the extent expressly permitted by Section 8.3(d): (i) the Board of Directors of each of Buyer and Target shall recommend that the respective stockholders of Buyer and Target vote in favor of, in the case of Buyer, the issuance of shares of Buyer Common Stock pursuant to the Merger, and, in the case of Target, adoption and approval of this Agreement and approval of the Merger, at their respective Stockholders' Meetings, (ii) the Joint Proxy Statement/Prospectus shall include a statement to the effect that the Board of Directors of Buyer has recommended that Buyer's stockholders vote in favor of the issuance of shares of Buyer Common Stock pursuant to the Merger at Buyer's Stockholders' Meeting and the Board of Directors of Target has recommended that Target's stockholders vote in favor of adoption and approval of this Agreement and approval of the Merger at Target's Stockholders' Meeting, and (iii) neither the Board of Directors of Buyer or Target nor any committee thereof shall withdraw, amend or modify, or propose or resolve to withdraw, amend or modify in a manner adverse to the other party, the recommendation of its respective Board of Directors that the respective stockholders of Buyer and Target vote in favor of, in the case of Buyer, the issuance of shares of Buyer Common Stock pursuant to the Merger, and, in the case of Target, adoption and approval of this Agreement and the Merger.

8.3 Acquisition Proposals.

(a) Target agrees that neither it nor any of its Subsidiaries nor any of the officers and directors of it or its Subsidiaries shall, and that it shall use all reasonable efforts to cause its and its Subsidiaries' employees, agents and Representatives not to (and shall not authorize any of them to) directly or indirectly: (i) solicit, initiate, encourage, knowingly facilitate or knowingly induce any inquiry with respect to, or the making, submission or announcement of, any Acquisition Proposal (as defined in Section 8.3(g)) with respect to itself, (ii) participate in any discussions or negotiations regarding, or furnish to any Person any nonpublic information with respect to, or take any other action to facilitate any inquiries or the making of any proposal that constitutes or may reasonably be expected to lead to, any Acquisition Proposal with respect to itself, (iii) engage in discussions with any Person with respect to any Acquisition Proposal with respect to itself, except as to the existence of these provisions, (iv) approve, endorse or recommend any Acquisition Proposal with respect to itself (except to the extent specifically permitted pursuant to Section 8.3(d) and Section 10.1(g)), or (v) enter into any letter of intent or similar document or any contract agreement or commitment contemplating or otherwise relating to any Acquisition Proposal or transaction contemplated thereby with respect to itself (except as permitted pursuant to Sections 8.3(d) and 10.1(g)). Target and its Subsidiaries shall immediately cease any and all existing activities, discussions or negotiations with any third parties conducted heretofore with respect to any Acquisition Proposal with respect to itself.

(b) (i) As promptly as practicable after receipt of any Acquisition Proposal or any request for nonpublic information or inquiry which it reasonably believes could lead to an Acquisition Proposal, Target shall provide Buyer with oral and written notice of the material terms and conditions of such Acquisition Proposal, request or inquiry, and the identity of the Person or Group making any such Acquisition Proposal, request or inquiry and a copy of all written materials provided in connection with such Acquisition Proposal, request or inquiry. Upon receipt of the Acquisition Proposal, request or inquiry, Target shall provide Buyer as promptly as practicable oral and written notice setting forth all such information as is reasonably necessary to keep Buyer informed in all

material respects of the status and details (including material amendments or proposed material amendments) of any such Acquisition Proposal, request or inquiry and shall promptly provide to Buyer a copy of all written materials subsequently provided in connection with such Acquisition Proposal, request or inquiry.

(ii) Target shall provide Buyer with forty-eight (48) hours prior notice (or such lesser prior notice as is provided to the members of its Board of Directors) of any meeting of its Board of Directors at which its Board of Directors is reasonably expected to consider any Acquisition Proposal.

(c) Notwithstanding anything to the contrary contained in Section 8.3(a), in the event that Target receives an unsolicited, bona fide written Acquisition Proposal with respect to itself from a third party that its Board of Directors has in good faith concluded (following the receipt of the advice of its outside legal counsel and its financial advisor), is, or is reasonably likely to result in, a Superior Offer (as defined in Section 8.3(g)), it may then take the following actions: (i) furnish nonpublic information to the third party making such Acquisition Proposal, provided that (A) (1) concurrently with furnishing any such nonpublic information to such party, it gives Buyer written notice of its intention to furnish nonpublic information and (2) it receives from the third party an executed confidentiality agreement containing customary limitations on the use and disclosure of all nonpublic written and oral information furnished to such third party on its behalf, the terms of which are at least as restrictive as the terms contained in the Confidentiality Agreement and (B) contemporaneously with furnishing any such nonpublic information to such third party, it furnishes such nonpublic information to Buyer (to the extent such nonpublic information has not been previously so furnished); and (ii) engage in negotiations with the third party with respect to the Acquisition Proposal, provided that concurrently with entering into negotiations with such third party, it gives Buyer written notice of its intention to enter into negotiations with such third party.

(d) In response to the receipt of a Superior Offer, the Board of Directors of Target may withhold, withdraw, amend or modify, or propose or resolve to withdraw, amend or modify its recommendation in favor of the Merger, and, in the case of a Superior Offer that is a tender or exchange offer made directly to its stockholders, may recommend that its stockholders accept the tender or exchange offer (any of the foregoing actions, whether by a Board of Directors or a committee thereof, a "Change of Recommendation"), if all of the following conditions in clauses (i) through (iv) are met: (i) a Superior Offer with respect to it has been made and has not been withdrawn; (ii) its Stockholders' Meeting has not occurred; (iii) it shall have (A) provided to Buyer written notice which shall state expressly (1) that it has received a Superior Offer, (2) the material terms and conditions of the Superior Offer and the identity of the Person or Group making the Superior Offer, and (3) that it intends to effect a Change of Recommendation and the manner in which it intends to do so, (B) provided to Buyer a copy of all written materials delivered to the Person or Group making the Superior Offer in connection with such Superior Offer, and (C) made available to Buyer all materials and information made available to the Person or Group making the Superior Offer in connection with such Superior Offer; and (iv) it shall not have breached in any material respect any of the provisions set forth in Section 8.2 or this Section 8.3.

(e) Notwithstanding anything to the contrary contained in this Agreement, the obligation of Target to call, give notice of, convene and hold its Stockholders' Meeting shall not be limited or otherwise affected by the commencement, disclosure, announcement or submission to it of any Acquisition Proposal with respect to it, or by any Change of Recommendation. Target shall not submit to the vote of its respective stockholders any Acquisition Proposal, or propose to do so, subject to Sections 8.3(d) and 10.1(g).

(f) Nothing contained in this Agreement shall prohibit either party or its respective Board of Directors from taking and disclosing to its stockholders a position contemplated by Rules 14d-9 and 14e-2(a) promulgated under the Exchange Act; provided that the content of any such disclosure thereunder shall be governed by the terms of this Agreement. Without limiting the foregoing proviso, Target shall not effect a Change of Recommendation unless specifically permitted pursuant to the terms of Section 8.3(d).

(g) For purposes of this Agreement, the following terms shall have the following meanings: (i) "Acquisition Proposal," with respect to Target, shall

mean any offer or proposal, relating to any transaction or series of related transactions involving: (A) any purchase from Target or acquisition by any Person or "Group" (as defined under Section 13(d) of the Exchange Act and the rules and regulations thereunder) of more than a

A-29

fifteen percent (15%) interest in the total outstanding voting securities of any Target Entity or any tender offer or exchange offer that if consummated would result in any Person or Group beneficially owning fifteen percent (15%) or more of the total outstanding voting securities of any Target Entity or any merger, consolidation, business combination or similar transaction involving a Target Entity, (B) any sale, lease (other than in the ordinary course of business), exchange, transfer, license (other than in the ordinary course of business), acquisition or disposition of more than fifteen percent (15%) of the Assets of the Target Entities, taken as a whole, or (C) any liquidation or dissolution of a Target Entity; and (ii) "Superior Offer," with respect to Target, shall mean an unsolicited, bona fide written offer made by a third party to acquire, directly or indirectly, pursuant to a tender offer, exchange offer, merger, consolidation or other business combination, all or substantially all of the Assets of Target or substantially all of the total outstanding voting securities of Target on terms that the Board of Directors of Target has in good faith concluded (following the receipt of advice of its outside legal counsel and its financial adviser), taking into account, among other things, all legal, financial, regulatory and other aspects of the offer and the Person making the offer, to be more favorable, from a financial point of view, to Target's stockholders (in their capacities as stockholders) than the terms of the Merger and is reasonably capable of being consummated.

8.4 Exchange Listing.

Buyer shall use its reasonable efforts to list, prior to the Effective Time, on the NYSE, subject to official notice of issuance, the shares of Buyer Common Stock to be issued to the holders of Target Common Stock pursuant to the Merger and upon the exercise of the Target Options, and Buyer shall give all notices and make all filings with the NYSE required in connection with the transactions contemplated herein.

8.5 Antitrust Notification; Consents of Regulatory Authorities.

(a) To the extent required by the HSR Act, each of the Parties shall, within a reasonable period of time, file with the United States Federal Trade Commission ("FTC") and the United States Department of Justice ("DOJ") the notification and report form required for the transactions contemplated hereby, shall promptly file any supplemental or additional information which may reasonably be requested in connection therewith pursuant to the HSR Act, and shall comply in all material respects with the requirements of the HSR Act. Each Party shall use its reasonable efforts to resolve objections, if any, which may be asserted with respect to the Merger under the HSR Act, the Sherman Act, as amended, the Clayton Act, as amended, the Federal Trade Commission Act, as amended, and any other federal, state or foreign Law or, regulation or decree designed to prohibit, restrict or regulate actions for the purpose or effect of monopolization or restraint of trade (collectively "Antitrust Laws"). In the event any Litigation is threatened or instituted challenging the Merger as violative of Antitrust Laws, each Party shall use its reasonable efforts to avoid the filing of, or resist or resolve such Litigation. Each Party shall use its reasonable efforts to take such action as may be required by: (i) the DOJ and/or the FTC in order to resolve such objections as either of them may have to the Merger under the Antitrust Laws, or (ii) any federal or state court of the United States, or similar court of competent jurisdiction in any foreign jurisdiction, in any suit brought by any Regulatory Authority or any other Person challenging the Merger as violative of the Antitrust Laws, in order to avoid the entry of any Order (whether temporary, preliminary or permanent) which has the effect of preventing the consummation of the Merger and to have vacated, lifted, reversed or overturned any such Order. Reasonable efforts shall not include the willingness of Buyer to accept an Order agreeing to the divestiture, or the holding separate, of any Assets of any Buyer Entity or any Target Entity which Buyer reasonably determines to be material to Buyer or to the benefits of the transaction for which it has bargained for hereunder. Buyer shall be entitled to direct any proceedings or negotiations with any Regulatory Authority relating to any of the foregoing, provided that it shall afford Target a reasonable opportunity to participate therein. Notwithstanding anything to the contrary in this Section, no Buyer Entity shall be required to

divest any of its businesses, product lines or Assets, or to take or agree to take any other action or agree to any limitation, that Buyer reasonably determines to be material to Buyer or to the benefits of the transaction for which it has bargained for hereunder.

A-30

(b) The Parties hereto shall cooperate with each other and use their reasonable efforts to promptly prepare and file all necessary documentation, to effect all applications, notices, petitions and filings (which shall include the filings pursuant to subsection (a) above), and to obtain as promptly as practicable all Consents of all Regulatory Authorities and other Persons which are necessary or advisable to consummate the transactions contemplated by this Agreement (including the Merger). The Parties agree that they shall consult with each other with respect to the obtaining of all Consents of all Regulatory Authorities and other Persons necessary or advisable to consummate the transactions contemplated by this Agreement and each Party shall keep the other apprised of the status of matters relating to consummation of the transactions contemplated herein. Each Party also shall promptly advise the other upon receiving any communication from any Regulatory Authority whose Consent is required for consummation of the transactions contemplated by this Agreement which causes such Party to believe that there is a reasonable likelihood that any requisite Consent shall not be obtained or that the receipt of any such Consent will be materially delayed.

8.6 Filings with State Offices.

Upon the terms and subject to the conditions of this Agreement, Sub shall execute and file the Certificate of Merger with the Secretary of State of the State of Delaware in connection with the Closing.

8.7 Agreement as to Efforts to Consummate.

Subject to the terms and conditions of this Agreement, each Party agrees to use, and to cause its Subsidiaries to use, its reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper, or advisable under applicable Laws to consummate and make effective, as soon as reasonably practicable after the date of this Agreement, the transactions contemplated by this Agreement, including using its reasonable efforts to lift or rescind any Order adversely affecting its ability to consummate the transactions contemplated herein and to cause to be satisfied the conditions referred to in Article 9; provided, that nothing herein shall preclude either Party from exercising its rights under this Agreement.

8.8 Investigation and Confidentiality.

(a) Prior to the Effective Time, each Party shall keep the other Party advised of all material developments relevant to its business and to the consummation of the Merger and shall permit the other Party and its advisors and agents to make or cause to be made such investigation of the business and properties of it and its Subsidiaries and of their respective financial and legal conditions as the other Party reasonably requests, provided that such investigation shall be reasonably related to the transactions contemplated hereby and shall not interfere unnecessarily with normal operations. No investigation by a Party shall affect the ability of such Party to rely on the representations and warranties of the other Party.

(b) In addition to the Parties' respective obligations under the Confidentiality Agreement, which is hereby reaffirmed and adopted, and incorporated by reference herein each Party shall, and shall cause its advisors and agents to, maintain the confidentiality of all confidential information furnished to it by the other Party concerning its and its Subsidiaries' businesses, operations, and financial positions and shall not use such information for any purpose except in furtherance of the transactions contemplated by this Agreement. If this Agreement is terminated prior to the Effective Time, each Party shall promptly return or certify the destruction of all documents and copies thereof, and all work papers containing confidential information received from the other Party.

(c) Each of Buyer and Sub, on the one hand, and Target, on the other, agrees that, except for the representations and warranties made by the other party that are expressly set forth in Article 5 and Article 6 of this Agreement, as applicable, neither the other party nor any of its

representatives or Affiliates has made and shall not be deemed to have made to such party or to any of its representatives or Affiliates any representation or

A-31

warranty of any kind. Without limiting the generality of the foregoing, each party agrees that neither the other party nor any of its Affiliates makes or has made any representation or warranty to such party or to any of its representatives or Affiliates with respect to:

- (i) any projections, forecasts, estimates, plans or budgets of future revenues, expenses or expenditures, future results of operations (or any component thereof), future cash flows (or any component thereof) or future financial condition (or any component thereof) of the other party or any of its Subsidiaries or the future business, operations or affairs of the other party or any of its Subsidiaries heretofore or hereafter delivered to or made available to such party or its counsel, accountants, advisors, lenders, representatives or Affiliates; and
- (ii) any other information, statement or documents heretofore or hereafter delivered to or made available to such party or its counsel, accountants, advisors, lenders, representatives or Affiliates with respect to the other party or any of its Subsidiaries or the business, operations or affairs of the other party or any of its Subsidiaries, except to the extent and as expressly covered by a representation and warranty made by the other party and contained in Article 5 or Article 6 of this Agreement, as applicable.

8.9 Press Releases.

Prior to the Effective Time, Target and Buyer shall consult with each other as to the form and substance of any press release or other public disclosure materially related to this Agreement or any other transaction contemplated hereby; provided, that nothing in this Section 8.9 shall be deemed to prohibit any Party from making any disclosure which its counsel deems necessary or advisable in order to satisfy such Party's disclosure obligations imposed by Law.

8.10 Tax Treatment.

(a) This Agreement is a "plan of reorganization" within the meaning of Section 1.368-2(g) of the Treasury regulations promulgated under the Internal Revenue Code. From and after the date of this Agreement and until the Effective Time, except as provided in Section 1.4, each Party hereto shall use its reasonable best efforts to cause the Merger to qualify as a reorganization under the provisions of Section 368(a) of the Code. Following the Effective Time, neither Sub, Buyer nor any of their Affiliates shall knowingly take any action that could cause the Merger to fail to qualify as a reorganization under Section 368(a) of the Code.

(b) Target does not know of any reason why Target will not be able to deliver to each of Alston & Bird LLP and Vinson & Elkins LLP, at the time the Registration Statement or any amendment thereto is filed with the SEC and on or about the Closing Date, certificates in the form of Exhibit 4 hereto and substantially in compliance with IRS published advance ruling guidelines, with customary exceptions and modifications thereto, to enable such firms to deliver the opinions contemplated by Section 9.1(f).

(c) Buyer does not know of any reason why Buyer will not be able to deliver to each of Alston & Bird LLP and Vinson & Elkins LLP, at the time the Registration Statement or any amendment thereto is filed with the SEC and on or about the Closing Date, certificates in the form of Exhibit 4 hereto and substantially in compliance with IRS published advance ruling guidelines, with customary exceptions and modifications thereto, to enable such firms to deliver the opinions contemplated by Section 9.1(f).

8.11 Agreement of Affiliates.

Target has disclosed in Section 8.11 of the Target Disclosure Memorandum all Persons whom it reasonably believes is an "affiliate" of Target for purposes of Rule 145 under the 1933 Act. Target shall use its reasonable efforts to cause each such Person to deliver to Buyer prior to the Effective Time, a written agreement, in substantially the form of Exhibit 3, providing that such Person

shall not sell, pledge, transfer, or otherwise dispose of the shares of Buyer Common Stock to be received by such Person upon consummation of the Merger except in compliance with applicable provisions of the 1933 Act and the rules and regulations thereunder. Buyer shall be entitled to place restrictive legends upon certificates for shares of Buyer Common Stock issued to affiliates of Target pursuant to this Agreement to enforce the provisions of this Section 8.11. Buyer shall not be required to maintain the effectiveness of the Registration Statement under the 1933 Act for the purposes of resale of Buyer Common Stock by such affiliates.

A-32

8.12 Employee Benefits and Contracts.

(a) Following the Effective Time, Buyer shall cause the Surviving Corporation and its Subsidiaries to continue to provide individuals who were officers and employees of the Target Entities immediately prior to the Effective Time (the "Continuing Employees") with benefits under the Target Benefit Plans (except that Buyer shall have no obligation to provide benefits under stock option or other plans involving the potential issuance of Buyer Common Stock or Target Common Stock other than as provided in Section 3.5 of this Agreement) or similar arrangements, on terms and conditions which when taken as a whole are substantially similar to those which are provided to such officers and employees by the Target Entities immediately prior to the Effective Time (with such changes as Buyer may reasonably determine are required by law). Notwithstanding the foregoing, Buyer may, at any time following the Effective Time and in its sole discretion, discontinue providing benefits under any Target Benefit Plan to Continuing Employees, provided that such Continuing Employees shall thereafter receive benefits under Buyer's Employee Benefit Plans (except that Buyer shall have no obligation to provide benefits under stock option or other plans involving the potential issuance of Buyer Common Stock other than as provided in Section 3.5 of this Agreement), on terms and conditions which taken as a whole are substantially similar to those provided by the Buyer Entities to their similarly situated officers and employees. In the event the Continuing Employees participate in Buyer's Employee Benefit Plans at any time after the Effective Time then, (i) for purposes of participation, vesting and (except in the case of Buyer retirement plans) benefit accruals under Buyer's Employee Benefit Plans, including the Termination Benefits Plan of Buyer, the service of the Continuing Employees with the Target Entities prior to the Effective Time shall be treated as service with a Buyer Entity participating in such Employee Benefit Plans; and (ii) except as otherwise provided in the next succeeding sentence, with respect to health, life, welfare and other group benefits, Buyer's Employee Benefit Plans shall waive any eligibility periods, evidence of insurability and pre-existing conditions limitations and shall honor any deductible, co-payment, co-insurance or out-of-pocket expenses paid or incurred for the current plan year by such Continuing Employees, including, with respect to their covered dependents, under the Target Benefit Plans during the period preceding the date of participation in Buyer's Employee Benefit Plans, as though such amount had been paid in accordance with the terms and conditions of the Buyer's Employee Benefit Plans. Notwithstanding the foregoing, Buyer's undertaking set forth in clause (ii) of the immediately preceding sentence shall only be applicable to Buyer's Employee Benefit Plans which are fully insured to the extent permitted under the terms of the applicable insurance policy or to the extent approved by the applicable insurance carrier. Buyer also shall cause the Surviving Corporation and its Subsidiaries to honor in accordance with their terms all employment, severance, consulting and other compensation Contracts disclosed in Section 8.12 of the Target Disclosure Memorandum to Buyer between any Target Entity and any current or former director, officer, or employee thereof, and all provisions for vested benefits or other vested amounts earned or accrued through the Effective Time under the Target Benefit Plans.

(b) Effective prior to the Effective Time, Target shall terminate all of Target's severance and termination benefit plans, including without limitation, the Target Severance Benefit Plan, as amended and restated effective October 1, 2000, and Buyer shall cause the Surviving Corporation and its Subsidiaries to adopt the Termination Benefits Plan of Buyer and for a period of at least one year following the Closing shall make such Buyer plan available (and not reduce the benefits available thereunder) to the Continuing Employees. Notwithstanding the preceding sentence, Buyer shall cause the Surviving Corporation and its Subsidiaries to honor the terms of the Change of Control Agreements disclosed in Section 8.12 of the Target Disclosure Memorandum.

(c) Buyer shall cause the Surviving Corporation and its Subsidiaries to permit all Continuing Employees to retain and take any paid vacation days accrued but not taken or lost under the Target's and the Target Entities' vacation policies prior to the Effective Time, provided that such vacation days are taken or paid in lieu of being taken within one year after the Effective Time.

(d) As soon as practicable following the date of this Agreement, Target's Board of Directors or, if appropriate, any committee thereof administering the ESPP, shall adopt such resolutions or take such actions as are required to (i) terminate such ESPP prior to the Effective Time, (ii) provide that the offering period scheduled

A-33

to end on December 31, 2001 (the "Final Offering Period") shall end on the earlier of (a) December 31, 2001, or (b) the termination of the ESPP, and (iii) provide that no new offering periods shall be commenced following the termination of the Final Offering Period.

8.13 Indemnification.

(a) For a period of six years after the Effective Time, Buyer shall, and shall cause the Surviving Corporation to, indemnify, defend and hold harmless the present and former directors, officers, employees and agents of the Target Entities (each, an "Indemnified Party") against all Liabilities arising out of actions or omissions arising out of the Indemnified Party's service or services as directors, officers, employees or agents of Target or, at Target's request, of another corporation, partnership, joint venture, trust or other enterprise occurring at or prior to the Effective Time (including the transactions contemplated by this Agreement) to the fullest extent permitted under Delaware Law and by the Target Certificate of Incorporation and Target Bylaws and their existing Indemnification Agreements as in effect on the date hereof, including provisions relating to advances of expenses incurred in the defense of any Litigation and whether or not any Buyer Entity is insured against any such matter. Without limiting the foregoing, in any case in which approval by the Surviving Corporation is required to effectuate any indemnification, the Surviving Corporation shall direct, at the election of the Indemnified Party, that the determination of any such approval shall be made by independent counsel mutually agreed upon between Buyer and the Indemnified Party.

(b) Buyer shall, or shall cause the Surviving Corporation to, use its reasonable efforts (and Target shall cooperate prior to the Effective Time in these efforts) to maintain in effect for a period of six years after the Effective Time Target's existing directors' and officers' liability insurance policy (provided that Buyer or the Surviving Corporation may substitute therefor (i) policies of at least the same coverage and amounts containing terms and conditions which are substantially no less advantageous or (ii) with the written consent of Target given prior to the Effective Time, any other policy) with respect to claims arising from facts or events which occurred prior to the Effective Time and covering persons who are currently covered by such insurance; provided, that neither Buyer nor the Surviving Corporation shall be obligated to make aggregate annual premium payments for such six-year period in respect of such policy (or coverage replacing such policy) which exceed, for the portion related to Target's directors and officers, 150% of the annual premium payments on Target's current policy in effect as of the date of this Agreement (the "Maximum Amount"). If the amount of the premiums necessary to maintain or procure such insurance coverage exceeds the Maximum Amount, Buyer or the Surviving Corporation shall use its reasonable efforts to maintain the most advantageous policies of directors' and officers' liability insurance obtainable for a premium equal to the Maximum Amount.

(c) Any Indemnified Party wishing to claim indemnification under paragraph (a) of this Section 8.13, upon learning of any such Liability or Litigation, shall promptly notify Buyer and the Surviving Corporation thereof. In the event of any such Litigation (whether arising before or after the Effective Time), (i) Buyer or the Surviving Corporation shall have the right to assume the defense thereof and neither Buyer nor the Surviving Corporation shall be liable to such Indemnified Parties for any legal expenses of other counsel or any other expenses subsequently incurred by such Indemnified Parties in connection with the defense thereof, except that if Buyer or the Surviving Corporation elects not to assume such defense or counsel for the Indemnified Parties

advises that there are substantive issues which raise conflicts of interest between Buyer or the Surviving Corporation and the Indemnified Parties, the Indemnified Parties may retain counsel satisfactory to them, and Buyer or the Surviving Corporation shall pay all reasonable fees and expenses of such counsel for the Indemnified Parties promptly as statements therefor are received; provided, that Buyer and the Surviving Corporation shall be obligated pursuant to this paragraph (c) to pay for only one firm of counsel for all Indemnified Parties in any jurisdiction, (ii) the Indemnified Parties shall cooperate in the defense of any such litigation, and (iii) neither Buyer nor the Surviving Corporation shall be liable for any settlement effected without its prior written consent; and provided further that neither Buyer nor the Surviving Corporation shall have any obligation hereunder to any Indemnified Party when and if a court of competent jurisdiction shall determine, and such determination shall have become final, that the indemnification of such Indemnified Party in the manner contemplated hereby is prohibited by applicable Law.

A-34

(d) If Buyer or the Surviving Corporation or any successors or assigns shall consolidate with or merge into any other Person and shall not be the continuing or surviving Person of such consolidation or merger or shall transfer all or substantially all of its assets to any Person, then and in each case, proper provision shall be made so that the successors and assigns of Buyer or the Surviving Corporation shall assume the obligations set forth in this Section 8.13

(e) The provisions of this Section 8.13(e) are intended to be for the benefit of, and shall be enforceable by, each Indemnified Party and their respective heirs and representatives.

8.14 Board of Directors of Buyer.

The Board of Directors of Buyer shall take all actions necessary such that effective as of immediately following the Effective Time, two designee(s) of Target reasonably acceptable to Buyer, one of whom shall be "independent" under the rules of the NYSE, shall become a member of the Board of Directors of Buyer.

8.15 Section 16(b) Board Approval.

(a) Prior to Closing, the Board of Directors of Buyer shall, by resolution duly adopted by such Board of Directors or a duly authorized committee of "non-employee directors" thereof, approve and adopt, for purposes of exemption from "short-swing" liability under Section 16(b) of the Exchange Act, the acquisition of Buyer Common Stock at the Effective Time by officers and directors of Target (including officers or directors of Target who become, prior to, at, or following the Effective Time of the Merger, officers or directors of Buyer) as a result of the conversion of shares of Target Common Stock in the Merger and the assumption of the Target Options by Buyer at the Effective Time. Such resolution shall set forth the name of the applicable "insiders" for purposes of Section 16 of the Exchange Act, the number of securities to be acquired by each individual, that the approval is being granted to exempt the transaction under Rule 16b-3 under the Exchange Act, and, for the Target Options to be assumed by Buyer at the Effective Time, the material terms of the options and warrants to purchase Buyer Common Stock acquired by such insiders as a result of the assumption by Buyer of such Target Options.

(b) Prior to Closing, the Board of Directors of Target shall, by resolution duly adopted by such Board of Directors or a duly authorized committee of "non-employee directors" thereof, approve and adopt, for purposes of exemption from "short-swing" liability under Section 16(b) of the Exchange Act, the conversion at the Effective Time of the shares of Target Common Stock held by officers and directors of Target into shares of Buyer Common Stock and cash as a result of the conversion of shares in the Merger, and the assumption and cashout by Buyer at the Effective Time of the Target Options of the officers and directors of Target. Such resolution shall set forth the name of the applicable "insiders" for purposes of Section 16 of the Exchange Act and, for each "insider," the number of shares of Target Common Stock to be converted into shares of Buyer Common Stock and cash at the Effective Time, the number and material terms of the Options to be assumed and cashed out by Buyer at the Effective Time, and that the approval is being granted to exempt the transaction under Rule 16b-3 under the Exchange Act.

ARTICLE 9 CONDITIONS PRECEDENT TO OBLIGATIONS TO CONSUMMATE

9.1 Conditions to Obligations of Each Party.

The respective obligations of each Party to perform this Agreement and consummate the Merger and the other transactions contemplated hereby are subject to the satisfaction of the following conditions, unless waived by both Parties pursuant to Section 11.6:

(a) Stockholder Approval. The stockholders of Target shall have adopted and approved this Agreement, and the consummation of the transactions contemplated hereby, including the Merger, as and to the extent required by Law, by the provisions of any governing instruments, or by the rules of the NYSE. The stockholders

A-35

of Buyer shall have approved the issuance of shares of Buyer Common Stock pursuant to the Merger, as and to the extent required by Law, by the provisions of any governing instruments, or by the rules of the NYSE.

(b) Regulatory Approvals. All Consents of, filings and registrations with, and notifications to, all Regulatory Authorities required for consummation of the Merger shall have been obtained or made and shall be in full force and effect and all waiting periods required by Law shall have expired, except for Consents, the failure of which to obtain would not, as reasonably determined by Buyer, be material to Buyer or to the benefits of the transaction for which it has bargained for hereunder. No Consent obtained from any Regulatory Authority which is necessary to consummate the transactions contemplated hereby shall be conditioned or restricted in a manner (including requirements relating to the disposition of Assets) which Buyer reasonably determines to be material to Buyer or to the benefits of the transaction for which it has bargained for hereunder.

(c) Legal Proceedings. No court or governmental or Regulatory Authority of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any Law or Order (whether temporary, preliminary or permanent) or taken any other action which prohibits, restricts or makes illegal consummation of the transactions contemplated by this Agreement and no such Law, Order or action shall be pending or overtly threatened.

(d) Registration Statement. The Registration Statement shall be effective under the 1933 Act, no stop orders suspending the effectiveness of the Registration Statement shall have been issued, no action, suit, proceeding or investigation by the SEC to suspend the effectiveness thereof shall have been initiated and be continuing, and all necessary approvals under state securities Laws or the 1933 Act or 1934 Act relating to the issuance or trading of the shares of Buyer Common Stock issuable pursuant to the Merger shall have been received.

(e) Exchange Listing. The shares of Buyer Common Stock issuable pursuant to the Merger and upon the exercise of the Target Options shall have been approved for listing on the NYSE, subject to official notice of issuance.

(f) Tax Matters. Target shall have received a written opinion of Vinson & Elkins LLP, in form and substance reasonably satisfactory to Target, and Buyer shall have a written opinion of Alston & Bird LLP, in form and substance reasonably satisfactory to Buyer (the "Tax Opinions"), to the effect that (i) the Merger will constitute a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, (ii) the exchange in the Merger by the stockholders of Target Common Stock for Buyer Common Stock will not give rise to gain or loss to the stockholders of Target with respect to such exchange (except to the extent of any cash received), and (iii) none of Target, Sub or Buyer will recognize gain or loss solely as a consequence of the Merger. The issuance of such Tax Opinions shall be conditioned upon (A) receipt by each of Alston & Bird LLP and Vinson & Elkins LLP of representation letters from each of Buyer and Target substantially in the form of Exhibit 4 hereto and reasonably satisfactory in form and substance to each of Alston & Bird LLP and Vinson & Elkins LLP, and each such letter shall be dated on or before the date of such Tax Opinion and shall not have been withdrawn or modified in any material respect as of the Effective Time, and (B) the receipt by Target stockholders in the Merger in the aggregate, an amount of Buyer Common Stock

with a value as of the Effective Time equal to at least forty percent (40%) of the total value of all shares of Target Common Stock outstanding immediately prior to the Effective Time taking into account the amount of Cash Consideration paid or to be paid to Target stockholders.

9.2 Conditions to Obligations of Buyer.

The obligations of Buyer to perform this Agreement and consummate the Merger and the other transactions contemplated hereby are subject to the satisfaction of the following conditions, unless waived by Buyer pursuant to Section 11.6(a):

(a) Representations and Warranties. For purposes of this Section 9.2(a), the accuracy of the representations and warranties of Target set forth in this Agreement shall be assessed as of the date of this

A-36

Agreement and as of the Effective Time with the same effect as though all such representations and warranties had been made on and as of the Effective Time (provided that representations and warranties which are confined to a specified date shall speak only as of such date). The representations and warranties set forth in Section 5.3. shall be true and correct (except for inaccuracies that are de minimus in amount). The representations and warranties set forth in Sections 5.17, 5.18, 5.19, 5.20 and 5.21 shall be true and correct in all material respects. There shall not exist inaccuracies in the representations and warranties of Target set forth in this Agreement (including the representations and warranties set forth in Sections 5.3, 5.17, 5.18, 5.19, 5.20 and 5.21) such that the aggregate effect of such inaccuracies (without regard to any materiality or Material Adverse Effect qualifier(s) contained in any and each such representation and warranty) has, or is reasonably likely to have, a Target Material Adverse Effect.

(b) Performance of Agreements and Covenants. Each and all of the agreements and covenants of Target to be performed and complied with pursuant to this Agreement and the other agreements contemplated hereby prior to the Effective Time shall have been duly performed and complied with in all material respects.

(c) Certificates. Target shall have delivered to Buyer (i) a certificate, dated as of the Effective Time and signed on its behalf by Target's chief executive officer and its chief financial officer, to the effect that the conditions set forth in Section 9.1 as relates to Target and in Sections 9.2(a), 9.2(b) and 9.2(d) have been satisfied, and (ii) certified copies of resolutions duly adopted by Target's Board of Directors and stockholders evidencing the taking of all corporate action necessary to authorize the execution, delivery and performance of this Agreement, and the consummation of the transactions contemplated hereby, all in such reasonable detail as Buyer and its counsel shall request.

(d) Material Adverse Effect. No Target Material Adverse Effect shall have occurred since the date hereof and be continuing.

9.3 Conditions to Obligations of Target.

The obligations of Target to perform this Agreement and consummate the Merger and the other transactions contemplated hereby are subject to the satisfaction of the following conditions, unless waived by Target pursuant to Section 11.6(b):

(a) Representations and Warranties. For purposes of this Section 9.3(a), the accuracy of the representations and warranties of Buyer set forth in this Agreement shall be assessed as of the date of this Agreement and as of the Effective Time with the same effect as though all such representations and warranties had been made on and as of the Effective Time (provided that representations and warranties which are confined to a specified date shall speak only as of such date). The representations and warranties of Buyer set forth in Section 6.3 shall be true and correct (except for inaccuracies that are de minimus in amount). The representations and warranties set forth in Sections 6.14, 6.15 and 6.16 shall be true and correct in all material respects. There shall not exist inaccuracies in the representations and warranties of Buyer set forth in this Agreement (including the representations and warranties set forth in Section 6.3, 6.14, 6.15 and 6.16) such that the aggregate effect of such inaccuracies (without regard to any materiality or

Material Adverse Effect qualifier(s) contained in any and each such representation and warranty) has, or is reasonably likely to have, a Buyer Material Adverse Effect.

(b) Performance of Agreements and Covenants. Each and all of the agreements and covenants of Buyer to be performed and complied with pursuant to this Agreement and the other agreements contemplated hereby prior to the Effective Time shall have been duly performed and complied with in all material respects.

A-37

(c) Certificates. Buyer shall have delivered to the Target (i) a certificate, dated as of the Effective Time and signed on its behalf by Buyer's chief executive officer and its chief financial officer, to the effect that the conditions set forth in Section 9.1 as relates to Buyer and in Sections 9.3(a), 9.3(b) and 9.3(d) have been satisfied, and (ii) certified copies of resolutions duly adopted by Buyer's Board of Directors and stockholders and Sub's Board of Directors and sole stockholder evidencing the taking of all corporate action necessary to authorize the execution, delivery and performance of this Agreement, and the consummation of the transactions contemplated hereby, all in such reasonable detail as Target and its counsel shall request.

(d) Material Adverse Effect. No Buyer Material Adverse Effect shall have occurred since the date hereof and be continuing.

ARTICLE 10 TERMINATION

10.1 Termination.

Notwithstanding any other provision of this Agreement, and notwithstanding the approval of this Agreement by the stockholders of Target and the stockholders of Buyer or both, this Agreement may be terminated and the Merger abandoned at any time prior to the Effective Time:

(a) By mutual written consent duly authorized by the Boards of Directors of Buyer and Target; or

(b) By either Buyer or Target in the event that the Merger shall not have been consummated by May 31, 2002 (which date shall be extended to July 31, 2002, if the Merger shall not have been consummated as a result of the failure to satisfy the conditions set forth in Section 9.1(b) or (c), as appropriate, the "End Date"), if the failure to consummate the transactions contemplated hereby on or before such date is not caused by any breach of this Agreement by the Party electing to terminate pursuant to this Section 10.1(b); or

(c) By either Buyer or Target (provided that the terminating Party is not then in material breach of any covenant or other agreement contained in this Agreement and has not willfully breached any of such Party's representations and warranties contained in this Agreement) in the event of a breach by the other Party of any representation, warranty, covenant or agreement contained in this Agreement which breach would permit such Party to refuse to consummate the transactions contemplated by this Agreement pursuant to the standards set forth in Section 9.2(a) or (b) or 9.3(a) or (b), as applicable; provided that if such breach in the representations, warranties, covenants or agreements is curable prior to the End Date through the exercise of reasonable efforts and the breaching Party exercises reasonable efforts to cure such breach, then the non-breaching Party may not terminate this Agreement under this Section 10.1(c) prior to 30 days following the receipt of written notice of such breach; or

11.14 Severability.

Any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as is enforceable.

11.15 No Affiliate Liability.

Each of the following is herein referred to as a "Party Affiliate": (a) any Affiliate of a Party or (b) any director, officer, trustee, employee, representative or agent of (i) any Party or (ii) any Affiliate of a Party. Unless otherwise expressly liable pursuant to a written agreement, no Party Affiliate, acting in his or its capacity as an agent of a Party, shall have any liability or obligation for breaches of this Agreement or the transactions contemplated hereby, and each Party hereby waives and releases all claims of any such liability and obligation, except as set forth below. ("Sub"), a Delaware corporation and a wholly owned subsidiary of Buyer, and DAL-TILE INTERNATIONAL INC., a Delaware corporation, ("Target").

Preamble

Each of Buyer, Sub and Target have entered into the Merger Agreement and each of Buyer, Sub and Target desire to amend the Merger Agreement to correct certain matters, as set forth herein. The Board of Directors of each of the Parties has approved this Amendment.

NOW, THEREFORE, in consideration of the above and the agreements set forth herein, the parties agree as follows:

1. The text of Section 1.1 of the Merger Agreement is hereby deleted and replaced in its entirety with the following:

"Subject to the terms and conditions of this Agreement and subject to the provisions of Section 1.4 of this Agreement, at the Effective Time, Target shall be merged with and into Sub in accordance with the applicable provisions of the Delaware General Corporation Law ("DGCL") and with the effect provided therein (collectively with the Reverse Merger, the "Merger"). Sub shall be the Surviving Corporation resulting from the Merger and shall remain a wholly owned Subsidiary of Buyer and shall continue to be governed by the Laws of the State of Delaware. Notwithstanding the foregoing, in the event that Target elects to effect the Reverse Merger (as defined in Section 1.4) in accordance with Section 1.4 hereof, at the Effective Time, Sub shall be merged with and into Target in accordance with the applicable provisions of the DGCL and with the effect provided therein. In such case, Target shall be the Surviving Corporation resulting from the Merger and shall become a wholly owned Subsidiary of Buyer and shall continue to be governed by the Laws of the State of Delaware. The Merger shall be consummated pursuant to the terms of this Agreement, which has been approved and adopted by the respective Boards of Directors of Target, Sub and Buyer and by Buyer, as the sole stockholder of Sub."

2. The text of Section 2.1 of the Merger Agreement is hereby deleted and replaced in its entirety with the following:

"At the Effective Time, the Certificate of Incorporation of Sub in effect immediately prior to the Effective Time shall be the Certificate of Incorporation of the Surviving Corporation until duly amended or repealed; provided that such Certificate of Incorporation shall be amended to reflect a change of the name of the Surviving Corporation to "Dal-Tile International Inc." Notwithstanding the foregoing, in the event that Target elects to effect the Reverse Merger in accordance with Section 1.4 hereof, at the Effective Time, the Certificate of Incorporation of Target in effect immediately

prior to the Effective Time shall be the Certificate of Incorporation of the Surviving Corporation until duly amended or repealed."

3. The text of Section 3.1(a) of the Merger Agreement is hereby deleted and replaced in its entirety with the following:

"Each share of Sub Common Stock issued and outstanding immediately prior to the Effective Time shall remain issued and outstanding from and after the Effective Time; provided, however, that in the event Target elects to effect the Reverse Merger, each share of Sub Common Stock issued and outstanding immediately prior to the Effective Time shall be converted into and become one fully paid and nonassessable share of common stock of the Surviving Corporation."

A-52

4. The text of Section 8.6 of the Merger Agreement is hereby deleted and replaced in its entirety with the following:

"Upon the terms and subject to the conditions of this Agreement, Sub, or in the event Target elects to effect the Reverse Merger, Target, shall execute and file the Certificate of Merger with the Secretary of State of the State of Delaware in connection with the Closing."

5. The text of the defined term "Certificate of Merger" contained in Section 11.1(a) of the Merger Agreement is hereby deleted and replaced in its entirety with the following:

"Certificate of Merger" means the Certificate of Merger to be executed by Sub, or in the event Target elects to effect the Reverse Merger, Target, and filed with the Secretary of State of the State of Delaware relating to the Merger as contemplated by Section 1.1."

6. The text of the defined term "Surviving Corporation" contained in Section 11.1(a) of the Merger Agreement is hereby deleted and replaced in its entirety with the following:

"Surviving Corporation" means Sub as the surviving corporation resulting from the Merger; provided, however, that in the event Target elects to effect the Reverse Merger, "Surviving Corporation" shall mean Target as the surviving corporation resulting from the Merger."

7. The Amendment may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Capitalized terms used, but not defined in this Amendment shall have the meaning assigned to them in the Merger Agreement.

8. Regardless of any conflict of law or choice of law principles that might otherwise apply, the parties agree that this Amendment shall be governed by and construed in all respects in accordance with the laws of the State of Delaware.

ANNEX D

[LETTERHEAD OF WACHOVIA SECURITIES]

November 19, 2001

Board of Directors
Mohawk Industries, Inc.
160 S. Industrial Blvd.
Calhoun, GA 30701

Gentlemen:

You have asked First Union Securities, Inc., trading under the name Wachovia Securities ("Wachovia Securities"), to advise you with respect to the fairness, from a financial point of view, to Mohawk Industries, Inc. ("Buyer"), of the merger consideration to be paid by Buyer pursuant to the Agreement and Plan of Merger, dated as of November 19, 2001 (the "Agreement"), among Buyer, Maverick Merger Sub, Inc., a wholly-owned subsidiary of Buyer ("Sub"), and Dal-Tile International Inc. ("Target"). Capitalized terms in this letter shall have the meaning ascribed to them in the Agreement unless the context clearly requires otherwise.

The Agreement provides for the acquisition of Target by Buyer pursuant to the Merger of Target and Sub. At the Effective Time of the Merger, each outstanding share of Target Common Stock (other than certain excluded shares specified in the Agreement) shall be converted into the right to receive from Buyer (i) a cash payment in the amount of \$11.00 (less any required withholding of taxes) and (ii) (A) .2414 of a share of Buyer Common Stock, if the Average Closing Price is equal to or greater than \$41.00 per share and less than or equal to \$50.12 per share, or (B) that fraction of a share of Buyer Common Stock equal to the quotient obtained by dividing \$9.90 by the Average Closing Price, if the

Average Closing Price is less than \$41.00 and greater than or equal to \$36.45, or (C) that fraction of a share of Buyer Common Stock equal to the quotient obtained by dividing \$12.10 by the Average Closing Price, if the Average Closing Price is greater than \$50.12 and less than or equal to \$54.67, or (D) .2716 of a share of Buyer Common Stock if the Average Closing Price is less than \$36.45 per share, or (E) .2213 of a share of Buyer Common Stock if the Average Closing Price is greater than \$54.67 per share.

In arriving at our opinion, we have, among other things:

Reviewed the Agreement, including the financial terms of the Merger.

Reviewed certain business, financial and other information regarding Buyer and Target that was publicly available.

Reviewed certain business, financial and other information regarding Buyer and its prospects that was furnished to us by and that we have discussed with management of Buyer.

Reviewed certain business, financial and other information regarding Target and its prospects that was furnished to us by and that we have discussed with management of Target.

Reviewed the current and historical market prices of Buyer Common Stock and Target Common Stock.

Compared the publicly available business, financial and other information regarding Buyer and Target with similar information regarding certain other publicly traded companies that we deemed to be relevant.

Compared the proposed financial terms of the Merger with the financial terms of certain other business combinations and transactions that we deemed to be relevant.

Developed discounted cash flow models of Buyer and Target.

Reviewed the potential pro forma impact of the Merger on Buyer's financials.

Analyzed the premiums paid for certain other business combinations and transactions that we deemed to be relevant.

Considered other information such as financial studies, analyses and investigations, as well as financial and economic and market criteria that we deemed to be relevant.

In connection with our review, we have relied upon the accuracy and completeness of the foregoing financial and other information, and we have not assumed any responsibility for any independent verification of such information. With respect to financial forecasts, we have relied on publicly available forecasts and estimates prepared by Wachovia Securities and other investment banking firms and discussed such forecasts and estimates, as well as the assumptions upon which they are based, with management of Buyer or Target, as the case may be. We have assumed that the estimates and judgments expressed by management of Buyer or Target in such discussions have been reasonably formulated and that they are the best currently available estimates and judgments of management of Buyer or Target regarding such publicly available forecasts and estimates. We assume no responsibility for and express no view as to any such publicly available forecasts or estimates or the assumptions upon which they are based. In arriving at our opinion, we have not incorporated any conclusions as a result of our limited physical inspection of certain of the facilities of Target and have not made or been provided with any evaluations or appraisals of the assets or liabilities of Buyer or Target.

In rendering our opinion, we have assumed that the Merger will be consummated on the terms described in the Agreement, without waiver of any material terms

or conditions, and that in the course of obtaining any necessary legal, regulatory or third party consents and/or approvals, no restrictions will be imposed that will have a material adverse effect on the Merger or other actions contemplated by the Agreement. Our opinion is necessarily based on economic, market, financial and other conditions and the information made available to us as of the date hereof. Although subsequent developments may affect this opinion, we do not have any obligation to update, revise or reaffirm this opinion. Our opinion does not address the relative merits of the Merger compared with other business strategies that may have been considered by Buyer's management and/or Board of Directors.

Wachovia Securities is a trade name of First Union Securities, Inc., an investment banking subsidiary and affiliate of Wachovia Corporation. We have been engaged to render financial advisory services to the Board of Directors of Buyer in connection with the Merger and will receive a fee for such services, which include the delivery of this opinion. In the ordinary course of our business, we and our affiliates may actively trade or hold the securities of Buyer or Target for our own account or for the account of our customers and, accordingly, may at any time hold a long or short position in such securities. In addition, Wachovia Securities and its affiliates

(including Wachovia Corporation and its affiliates) currently have certain other relationships with Buyer and Target, including a \$75 million commitment as a lender under and Co-Documentation Agent for Target's \$400 million syndicated credit facility, and, at your request and with your consent, a proposed commitment as a lender in the credit facilities necessary to finance the Merger, for which services Wachovia Securities and/or such affiliates will receive customary compensation.

It is understood that this opinion is for the information and use of the Board of Directors of Buyer in connection with its consideration of the Merger. Our opinion does not address the merits of the underlying decision by Buyer to enter into the Agreement and does not and shall not constitute a recommendation to any stockholder of Buyer as to how such stockholder should vote on the Merger or any other matter related thereto. Our opinion may not be summarized, excerpted from, or otherwise publicly referred to without our prior written consent, except that this letter may be reproduced in full in any proxy, registration or solicitation/recommendation statement mailed or provided to the stockholders of Buyer and Target in connection with the Merger.

We have not considered, nor are we expressing any opinion herein with respect to, the prices at which Buyer Common Stock or Target Common Stock will trade following the announcement of the Merger or the price at which Buyer Common Stock will trade following the consummation of the Merger.

Based upon and subject to the foregoing, our experience as investment bankers, our work as described above, and other factors we deem to be relevant, we are of the opinion that, as of the date hereof, the merger consideration to be paid by Buyer pursuant to the Agreement (which consists of the Merger Consideration and the consideration to be paid by Buyer to holders of Target Options pursuant to Section 3.5 of the Agreement) is fair, from a financial point of view, to Buyer.

Very truly yours,

First Union Securities, Inc.

Board of Directors
Dal-Tile International Inc.

Dallas, Texas 75217

Members of the Board:

You have asked us to advise you with respect to the fairness, from a financial point of view, to the holders of the common stock of Dal-Tile International Inc. ("Dal-Tile") of the Merger Consideration (as defined below) set forth in the Agreement and Plan of Merger, dated as of November 19, 2001 (the "Merger Agreement"), by and among Mohawk Industries, Inc. ("Mohawk"), Maverick Merger Sub, Inc., a wholly owned subsidiary of Mohawk ("Merger Sub"), and Dal-Tile. The Merger Agreement provides for, among other things, the merger of Dal-Tile with and into Merger Sub (subject to an alternative transaction structure as specified in the Merger Agreement) (the "Merger") pursuant to which Merger Sub will be the surviving corporation and each outstanding share of the common stock, par value \$0.01 per share, of Dal-Tile ("Dal-Tile Common Stock") will be converted into the right to receive (i) \$11.00 in cash (the "Cash Consideration") and (ii) 0.2414 of a share of the common stock, par value \$0.01 per share, of Mohawk ("Mohawk Common Stock") (the "Stock Consideration" and, together with the Cash Consideration, the "Merger Consideration"); provided, however, that (A) if the average of the daily closing prices for shares of Mohawk Common Stock for the 20 consecutive full trading days on which such shares are actually traded on the New York Stock Exchange ending at the close of the trading day three full trading days prior to the closing date of the Merger (the "Average Mohawk Price") is less than \$41.00 and greater than or equal to \$36.45, then the Stock Consideration shall be the number of shares of Mohawk Common Stock equal to the quotient obtained by dividing \$9.90 by the Average Mohawk Price, (B) if the Average Mohawk Price is greater than \$50.12 and less than or equal to \$54.67, then the Stock Consideration shall be the number of shares of Mohawk Common Stock equal to the quotient obtained by dividing \$12.10 by the Average Mohawk Price, (C) if the Average Mohawk Price is less than \$36.45, then the Stock Consideration shall be 0.2716 of a share of Mohawk Common Stock, or (D) if the Average Mohawk Price is greater than \$54.67, then the Stock Consideration shall be 0.2213 of a share of Mohawk Common Stock.

In arriving at our opinion, we have reviewed the Merger Agreement and certain related documents, as well as certain publicly available business and financial information relating to Dal-Tile and Mohawk. We also have reviewed certain other information relating to Dal-Tile and Mohawk provided to or discussed with us by Dal-Tile and Mohawk, including publicly available financial forecasts for Dal-Tile and Mohawk, and have met with the managements of Dal-Tile and Mohawk to discuss the businesses and prospects of Dal-Tile and Mohawk. We also have considered certain financial and stock market data of Dal-Tile and Mohawk and we have compared those data with similar data for other publicly held companies in businesses similar to Dal-Tile and Mohawk, and we have considered, to the extent publicly available, the financial terms of certain other business combinations and other transactions which have been announced or effected. We also considered such other information, financial studies, analyses and investigations and financial, economic and market criteria which we deemed relevant.

In connection with our review, we have not assumed any responsibility for independent verification of any of the foregoing information and have relied on such information being complete and accurate in all material respects. With respect to the publicly available financial forecasts for Dal-Tile and Mohawk referred to above, we have reviewed and discussed such forecasts with the managements of Dal-Tile and Mohawk (including adjustments thereto) and have been advised, and have assumed, that such forecasts (and adjustments) represent reasonable estimates and judgments as to the future financial performance of Dal-Tile and Mohawk. We also have assumed, with your consent, that in the course of obtaining any necessary regulatory and third party approvals and consents for the Merger, no modification, condition, restriction, limitation or delay will be imposed that will have a material adverse effect on Dal-Tile or Mohawk or

the contemplated benefits of the Merger. We have not been requested to make, and have not made, an independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of Dal-Tile or Mohawk, nor have we been furnished with any such evaluations or appraisals. Our opinion is necessarily based upon information available to us, and financial, economic, market and other conditions as they exist and can be evaluated, on the date hereof. We are not expressing any opinion as to what the value of the Mohawk Common Stock actually will be when issued pursuant to the Merger or the prices at which Mohawk Common Stock will trade at any time. In connection with our engagement, we were not requested to, and did not, solicit third party indications of interest in the possible acquisition of all or a part of Dal-Tile. Our opinion does not address the relative merits of the Merger as compared to other business strategies that might be available to Dal-Tile, nor does it address the underlying business decision of Dal-Tile to proceed with the Merger.

We have acted as financial advisor to Dal-Tile in connection with the Merger and will receive a fee for our services, a significant portion of which is contingent upon the consummation of the Merger. We also will receive a fee upon delivery of this opinion. We and our affiliates have in the past provided financial services to Dal-Tile and Mohawk unrelated to the proposed Merger, for which services we have received compensation. In the ordinary course of business, we and our affiliates may actively trade the securities of Dal-Tile and Mohawk for our own and such affiliates' accounts and for the accounts of customers and, accordingly, may at any time hold long or short positions in such securities.

It is understood that this letter is for the information of the Board of Directors of Dal-Tile in connection with its evaluation of the Merger and does not constitute a recommendation to any stockholder as to how such stockholder should vote or act on any matter relating to the Merger.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Merger Consideration is fair, from a financial point of view, to the holders of Dal-Tile Common Stock.

Very truly yours,

ANNEX F

DELAWARE GENERAL CORPORATION LAW

Section 262. Appraisal Rights

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to (S) 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a stock corporation and also a member of record of a nonstock corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words and also membership or membership interest of a member of a nonstock corporation; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in one or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to (S) 251 (other than a merger effected pursuant to (S) 251(g) of this title), (S) 252, (S) 254, (S) 257, (S) 258, (S) 263 or (S) 264 of this title:

- (1) Provided, however, that no appraisal rights under this section shall be available for the shares of any class or series of stock, which

stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of and to vote at the meeting of stockholders to act upon the agreement of merger or consolidation, were either (i) listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in subsection (f) of (S) 251 of this title.

- (2) Notwithstanding paragraph (1) of this subsection, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to (S) (S) 251, 252, 254, 257, 258, 263 and 264 of this title to accept for such stock anything except:
 - a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;
 - b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or held of record by more than 2,000 holders;
 - c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a. and b. of this paragraph; or
 - d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a., b. and c. of this paragraph.
- (3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under (S) 253 of this title is not owned by the parent corporation immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

F-1

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

- (1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for such meeting with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) hereof that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or

consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

- (2) If the merger or consolidation was approved pursuant to (S) 228 or (S) 253 of this title, then, either a constituent corporation before the effective date of the merger or consolidation, or the surviving or resulting corporation within ten days thereafter, shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistance secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the

F-2

effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) hereof and who is otherwise entitled to appraisal rights, may file a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of

subsections (a) and (d) hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) hereof, whichever is later.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After determining the stockholders entitled to an appraisal, the Court shall appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. In determining the fair rate of interest, the Court may consider all relevant factors, including the rate of interest which the surviving or resulting corporation would have had to pay to borrow money during the pendency of the proceeding. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, permit discovery or other pretrial proceedings and may proceed to trial upon the appraisal prior to the final determination of the stockholder entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Interest may be simple or compound, as the

F-3

Court may direct. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed

upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.
