As we manage through the current economic disruption, Mohawk is well positioned with a strong balance sheet and limited debt. We have recently issued over \$1 billion of long term bonds to strengthen our ability to strategically invest and better position Mohawk for the future. Our operations are improving as countries adapt to Covid-19.

On June 29, 2020, an Amended Class Action Complaint for violations of federal securities laws was filed against Mohawk and its CEO Jeff Lorberbaum in the Northern District of Georgia. The complaint alleges that the Company (1) engaged in fabricating revenues by attempting delivery to customers that were closed and recognizing these attempts as sales; (2) overproduced product to report higher operating margins and maintained significant inventory that was not salable; and (3) valued certain inventory improperly or improperly delivered inventory with knowledge that it was defective and customers would return it. The Company intends to vigorously defend itself in the lawsuit.

On June 25, 2020, the company received subpoenas issued by the U.S. Attorney's Office for the Northern District of Georgia and the U.S. Securities and Exchange Commission on topics similar to those raised by the amended complaint. The company is cooperating with those authorities.
