## Forward-looking Statements

Certain of the statements in this presentation may include forward-looking statements as defined in the Private Securities Litigation Reform Act of 1995, which are subject to various risks and uncertainties including, but not limited to, those set forth in our press releases and our periodic filings with the Securities \& Exchange Commission.

## Q3 2022 Financial Results

"Mohawk has successfully managed through many challenging periods and industry recessions. The fundamentals of our business remain strong, and flooring remains an essential component of new construction and remodeling. We are investing for the market rebound that always occurs after our industry contracts. Mohawk has a strong balance sheet with low net debt leverage of 1.2 times EBITDA and available liquidity exceeding $\$ 1.8$ billion to manage through the current environment and optimize our long-term results."

## Key Current Issues

## U.S. Economy

- High inflation persists
- Mortgage rates have risen from $\sim 3 \%$ to $\sim 7 \%$
- Commercial outperforming residential
- Residential remodeling has slowed
- Consumers deferring purchases \& trading down
- Aging housing stock \& families staying in current homes should drive future remodeling

## European Economy

- Natural gas price volatility persists
- Government subsidies helping in Italy
- Margins under pressure from energy and chemical costs
- Residential demand softening
- Consumer discretionary spending under pressure
- Significant pent-up demand when economy rebounds

## Key Current Issues (continued)

## Operations

- Capacity expansion projects on track
- North America: LVT, laminate, quartz countertops
- West Coast LVT plant on schedule
- Europe: Porcelain slabs, laminate
- Restructuring projects underway; savings on track
- Cost-reduction projects progressing

## Acquisitions

- Vitromex acquisition awaiting government approval; likely in first half of 2023
- 2021 acquisitions contributing to results as we improve their performance
- Completed five additional strategic bolt-on acquisitions in U.S. and Europe
- Integrations underway

## Global Ceramic <br> Segment

- Sales increased $12.4 \%$ on a constant basis
- Performance benefitted from pricing, improved mix and growth in commercial sector
- U.S. countertop sales growing
- Executing multiple pricing and operational initiatives to manage inflation
- European natural gas remains a major headwind

## Q4 2022 Outlook

- Expect our businesses around the world to remain under pressure
- Focused on managing through current environment while investing to maximize long-term profitability
- Commercial should continue to outperform residential
- Central Banks continue to raise rates
- Inflation is reducing consumer discretionary spending
- Residential remodeling purchases being deferred or trading down
- European gas and electricity inflation reducing demand \& increasing costs
- Aligning production with slowing demand; unabsorbed overhead will increase

## Q4 2022 Outlook (continued)

- Implementing multiple restructuring projects across the enterprise
- Other Initiatives
- Integrating acquisitions
- Increasing promotional activity
- Introducing differentiated collections
- Curtailing SG\&A investments
- Selectively postponing capital projects
- Stronger U.S. dollar will pressure translated earnings
- Q4 adjusted EPS guidance of $\$ 1.40$ to $\$ 1.50$ (excluding restructuring or other one-time charges) announced October 27

[^0]:    4 Delayed draw Term Loan - must be drawn by December 31, 2022

[^1]:    *The Company's current market capitalization along with challenging economic conditions and higher discount rates prompted a review of its goodwill and intangible asset balances, which resulted in noncash impairment charges of approximately $\$ 696$ million for the third quarter of 2022.
    **In September 2019, the US commerce department imposed a 104\% countervailing duty on top of the 25\% general tariffs on all ceramic produced in China. As a consequence, ceramic purchases from China would dramatically decline and Mohawk took a $\$ 60$ million write off to our investment in a Chinese manufacturer and distributor.
